Invitation of applications for engagement of Anchor (one); senior data manager-IT (one); senior data manager-climate change (one)

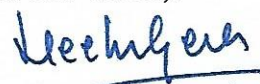

A project under India's National Communication (NATCOM) for the preparation of Third National Communication (TNC) and other new information to the UNFCCC, entitled **Climate Change Vulnerability of Indian Forests** is being implemented by Forest Research Institute (FRI), Dehradun. Project is funded by MoEF & CC through its facilitating partner InsPIRE Network for Environment, New Delhi.

FRI intends to engage qualified resource persons to facilitate in the project as per the details given below:

SN.	Post	Tenure	Deliverable	Required Qualification	Remuneration
1.	Anchor	1 year	Vegetation modelling for impact study and development of framework of model for such studies	Ph.D. with experience of working in similar project/climate change vegetation modeling	6.0 lakh (Fixed, to be paid in instalment) and reimbursement of TA (equivalent to group A officer) and lodging, fooding expenses for a maximum amount not exceeding Rs. 2.0 lakh during the tenure
2.	Senior data manager (IT)	1 year	Testing of vegetation models	B. Tech/B.Sc in computer/IT or related fields or MCA	19,800/- per month (includes all allowances)
3.	Senior data manager (Climate change)	1 year	Data compilation and drafting of reports on climate change adaptation	Master's degree in any Science subject with good writing skills. Desirable: Knowledge of RS/GIS, climate change studies	19,800/- per month (includes all allowances)

The engagement shall be purely contractual and time bound. The engagement under the contract does not confer any right/claim whatsoever either explicitly or implicitly for any regular appointment in FRI against any post or otherwise under any legal condition or precedent. However engagement can be discontinued any time, if the work or conduct is not found satisfactory or up to the mark by giving a 15 days' notice. The project information and data will not be used or transferred to any agency or for personal use. Only Indian nationals are eligible to apply for this post.

The applicant with desired qualification are requested to submit their CVs including their qualification, experience, technical expertise to the project co-ordinator-cum-Head, Forest Informatics Division, FRI (Email: frinatcom@gmail.com) either by post or by email, latest by 17th January, 2017 (up to 5:30 pm). Applicants for the SN. 3 (Sr. data manager, climate change) are required to send one page write up on "Climate change adaptation" (limit 500 words).
