SC	5 years
ST	5 years
OBC	3 years
General – PwD	10 years
OBC – PwD	13 years
SC/ST – PwD	15 years

Engineering graduates and diploma holders are not eligible under this notification, as a separate apprenticeship scheme applies to them.

How to Apply

1. Register as an apprentice on the DGET Apprenticeship India portal. Fill in personal, contact, qualification (academic and technical) and trade preference details.
2. Upload your latest passport-size photo, plus your 10th/SSC and ITI mark sheets (compulsory). Upload scanned originals only, and make sure they are clearly visible.
3. Complete Aadhaar verification. Your name cannot be changed afterwards, so check everything carefully first; the certificate will be issued in that name.
4. After activation, a system-generated email with your registration number and application link is sent to your registered email ID.
5. Use “Establishment search”, select **Bharat Dynamics Limited, Bhanur (Reg. No. E06203600009)** and apply.

> Enter the Aadhaar number correctly. Name and date of birth must match your 10th/SSC certificate. Fix any mismatch before 30-11-2026, otherwise the application will not be considered.

Selection, Training & Stipend

- Selection is purely merit-based, with a separate merit list for each trade.
- 10th/SSC marks and ITI marks carry equal weightage (50% each).
- Selected candidates must pass the prescribed medical examination before joining.
- Training follows Central Apprenticeship Council standards and syllabus; a stipend is paid as prescribed.
- Reservation for SC/ST/OBC/PwD/EWS applies as per the Apprentices Act 1961.

Other Conditions

- Original certificates (educational, date of birth, community, etc.) must be produced for verification when required.
- No TA/DA will be paid for certificate verification.
- Incomplete applications, or those without required documents, will not be considered. Applications through any other mode are not accepted.
- BDL may reject a candidature at any stage, and may increase or decrease the number of vacancies.
- For portal-related issues, contact the helpline numbers on the DGET portal; BDL cannot resolve them.
- Further updates, if any, will be published only on the official BDL website.
