It will bring down specified value of commercial dispute to INR 3 lakh from 1 crore. It also aims to bring down time taken from present 1,445 days in resolution of commercial disputes of lesser value.

Cabinet Committee on Economic Affairs (CCEA) Approvals -

- Approved upgradation of infrastructure at Chennai, Guwahati and Lucknow airports at a total cost of INR 5,082 crores. Chennai airport would get max INR 2,467 crores, while Guwahati and Lucknow airports would get INR 1,383 and 1,232 crores.
- Approved to provide financial assistance @ of Rs. 5.50 per quintal (INR 55 per Ton) of cane crushed in sugar season 2017-18 to sugar mills to offset cost of cane, in order to help sugar mills to clear cane dues of farmers, which have accumulated upto 19000 Crores INR
- Approved Umbrella Scheme *Green Revolution – Krishonnati Yojana* for period 2017-18 to 2019-20 with Central Share of INR 33270 crores. It comprises of 11 Schemes.
 - Mission for Integrated Development of Horticulture (MIDH) - Central share of INR 7533.04 crores, MIDH aims to promote holistic growth of horticulture sector.
 - National Food Security Mission (NFSM), including National Mission on Oil Seeds and Oil Palm (NMOOP) - Central share of INR 6893.38 crores. It aims to increase production of rice, wheat, pulses, coarse cereals and commercial crops, through area expansion and productivity enhancement.

- ✎ National Mission for Sustainable Agriculture (NMSA) - Central share of Rs.3980.82 crore. It aims at promoting sustainable agriculture practices best suitable to specific agro-ecology.
- ✎ Submission on Agriculture Extension (SMAE) - Central share of 2961.26 crores. SMAE aims to strengthen ongoing extension mechanism of State Governments, local bodies etc., achieving food and nutritional security and socio-economic empowerment of farmers.
- ✎ Sub-Mission on Seeds and Planting Material (SMSP) - Central share of 920.6 crores. SMSP aims to increase production of certified seed, upgrade quality of farm saved seeds, strengthen seed multiplication chain and promote new technologies and methodologies in seed production.
- ✎ Sub-Mission on Agricultural Mechanisation (SMAM) - Central share of 3250 crores. SMAM aims to increase reach of farm mechanization to small and marginal farmers and to regions where availability of farm power is low.
- ✎ Sub Mission on Plant Protection and Plant Quarantine (SMPPQ) - Central share of 1022.67 crores. SMPPQ aims to minimize loss to quality and yield of agricultural crops from ravages of insect pests, diseases, weeds, nematodes, rodents, etc.
- ✎ Integrated Scheme on Agriculture Census, Economics and Statistics (ISACES) - Central share of 730.58 crores. It aims to undertake agriculture census, study of cost of cultivation of principal crops, undertake research studies on agro-economic problems.
- ✎ Integrated Scheme on Agricultural Cooperation (ISAC) - Central share of 1902.636 crores. It aims to provide financial assistance for improving economic conditions of cooperatives, remove regional imbalances and to speed up - cooperative development in agricultural marketing.
- ✎ Integrated Scheme on Agricultural Marketing (ISAM) - Central share of 3863.93 crores. ISAM aims to develop agricultural marketing infrastructure, promote innovative and latest technologies and competitive alternatives in agriculture marketing.
- ✎ National e-Governance Plan (NeGP-A) - Central share of 211.06 crores. It aims to bring farmer centricity & service orientation to programmes, to enhance reach & impact of extension services and improve access of farmers to information & services.
- ✎ These sub schemes/missions were approved independently as separate scheme/mission. In 2017-18, it was decided to club all these under one umbrella scheme known as *Green Revolution - Krishonnati Yojana*.
- ✎ Approved Continuation of Pradhan Mantri Swasthya Suraksha Yojana (PMSSY) beyond 12th Five Year Plan to 2019-20, with financial outlay of INR 14832 crores. Under this, new AIIMS are established and Government medical colleges are upgraded. It will lead to employment generation for nearly 3000 people in various faculty & non-faculty posts in each of AIIMS.
 - ✎ Under this extension, 20 new All India Institute of Medical Sciences (AIIMS) will be established and 73 medical colleges will be upgraded.
- ✎ Approved renaming and restructuring of Multi-sectoral Development Programme (MsDP) as Pradhan Mantri Jan Vikas Karyakram (PMJVK), along with continuation during remaining period of 14th Finance Commission (Till 2020).
 - ✎ PMJVK would provide better socio economic infrastructure facilities to minority communities, particularly in education, health & skill development.
 - ✎ Criteria for identification of Minority Concentration Towns have been rationalized by lowering population % criteria of Minority Communities (50 % to 25%) and fulfilment of parameters as Given -
 - ✎ Earlier Towns which were backward in terms of both in Basic Amenities and Socio-economic parameters were taken as MCTs. Now, Towns which were found backward in either or both of criteria have been taken up as MCT.
 - ✎ Area to be covered under PMJVK would be 57% more as compared to MsDP. MsDP covered 196 districts, while PMJVK will cover 308 districts.
 - ✎ Expenditure for continuation of programme as PMJVK will be INR 3972 crores.
 - ✎ It aims to address development deficits in identified minority concentration areas. Inclusion of Minority Concentration District HQs with Minority Concentration Towns having population over 25000, Minority Concentration Blocks and Cluster of Villages as per Census, 2011 data, will extend coverage.
 - ✎ PMJVK would cover 5 more States/UTs - Himachal Pradesh, Tamil Nadu, Nagaland, Goa and Pondicherry.
 - ✎ Minority Concentration Areas of 61 districts out of 115 Aspirational districts have been covered under PMJVK.
 - ✎ Area covered under PMJVK will have 109 MCD Hqrs., 870 MCBs and 321 MCTs.

✎ MOUs and Foreign Approvals -

- ✍ Approved Mutual Recognition Agreement between Institute of Chartered Accountants of India (ICAI) and South African Institute of Chartered Accountants (SAICA).
- ✍ Approved to accede to Protocol under World Health Organization (WHO) Framework Convention on tobacco control to eliminate illicit trade in tobacco products.

130. ▶ Cabinet Approvals (May 16, 2018) -

✍ Foreign MOUs -

- ✍ France - Technical Cooperation in railways.
- ✍ Morocco - legal Matters, Mining and Geology.
- ✍ Swaziland - Health and Medicine
- ✍ Colombia - Traditional Systems of Medicine.
- ✍ Suriname - Electoral management and administration
- ✍ Equatorial Guinea - Traditional Systems of Medicine
- ✍ With Brunei Darussalam for Exchange of Information and Assistance in Collection with respect to Taxes.

✍ General Cabinet Approvals -

- ✍ Establishing a **New Central University in Andhra Pradesh**, named *Central University of Andhra Pradesh*, in Janthaluru Village of Ananthapur District (Andhra Pradesh). INR 450 crores are approved for first phase expenditures.

- ✍ Cabinet approved its operationalization initially by forming a society under Societies Registration Act 1860, till amendment to Central Universities Act 2009 is enacted and to enable commencement of academic activities from 2018-19.

- ✍ Setting up a **new All India Institute of Medical Sciences (AIIMS) in Deoghar (Jharkhand)**. INR 1103 crores have been approved for it and it will be set up under Pradhan Mantri Swasthya Suraksha Yojana (PMSSY).

- ✍ **Establishment of National Institute of Mental Health Rehabilitation (NIMHR)** at Bhopal (MP) as a Society under Societies Registration Act 1860, under Department of Empowerment of Persons with Disabilities. Estimated cost is Rs. 179.54 crore in first three years. NIMHR will provide rehabilitation services to persons with mental illnesses. It will have 9 Departments and will conduct 12 courses in area of mental health rehabilitation.

- ✍ Approved **strengthening of mechanism for resolution of commercial disputes** of Central Public Sector Enterprises (CPSEs) -

- ✍ New 2 tier mechanism will be put in place of existing Permanent Machinery of Arbitration (PMA) mechanism to resolve commercial disputes (excluding disputes concerning Railways, Income Tax, Custom & Excise Departments).

- ✍ At First level, commercial disputes will be referred to a Committee comprising of Secretaries of administrative Ministries / Departments to which disputing CPSEs / Parties belong and Secretary in Deptt. of Legal Affairs. Max time at 1st Level is 3 Months.

- ✍ If unresolved at 1st Tier, dispute will be referred to Cabinet Secretary, whose decision will be final.

- ✍ Approved **National Policy on Biofuels 2018**, to promote biofuels, that are more environment friendly and match up well with ongoing initiatives of Government like Make in India, Skill Development and Swachh Bharat Abhiyan. Salient features Include -

✍ Salient Features -

✍ Categorises of biofuels -

- ✍ Basic Biofuels - First Generation (1G) bioethanol and biodiesel.

- ✍ Advanced Biofuels: Second Generation (2G) ethanol, Municipal Solid Waste (MSW) to drop-in fuels, Third Generation (3G) biofuels, bio-CNG etc.

- ✍ Expansion scope of raw material for ethanol production - It allows use of sugarcane juice, sugar containing materials like sweet sorghum, sugar beet, starch containing materials like corn, cassava, damaged food grains like broken rice, wheat, rotten potatoes, unfit for human consumption for ethanol production.

- ✍ Allows use of surplus food grains for production of ethanol for blending with petrol with approval of National Biofuel Coordination Committee.

- ✍ Viability gap funding scheme indicated for 2G ethanol Bio refineries of 5000 crores in 6 years for giving special emphasis to advanced biofuels.

- ✍ Encourages setting up of supply chain mechanisms for biodiesel production from non-edible oilseeds, used cooking oil, short gestation crops.

✍ Expected Benefits Of Policy -

- ✍ Reduce Import Dependency.
- ✍ Cleaner Environment - will reduce CO₂ emissions and Green House Gas emissions.
- ✍ Health benefits - Using cooking oil as a potential feedstock for biodiesel will prevent diversion of used cooking oil in the food industry.
- ✍ Municipal Solid Waste (MSW) Management - One ton of such waste has potential to provide around 20% of drop in fuels.
- ✍ Infrastructural Investment in Rural Areas - Addition of 2G bio refineries across country will spur infrastructural investment in rural areas.
- ✍ Employment Generation - Setting up one 100klpd 2G bio refinery contributes to 1200 jobs in plant operations, village level entrepreneurs and supply chain management.
- ✍ Additional Income to Farmers - Adopting 2G technologies for producing biofuels, agricultural residues and waste which otherwise are burnt by farmers can be converted to ethanol. Through this process farmers can fetch price for these waste.

✍ Cabinet Committee on Economic Affairs (CCEA) Approvals -

- ✍ Approved Development of Freight Village, an Integrated Multi Modal Logistics Hub (IMLH), Nangal Chaudhary (Haryana), in two phases. Sanction of 1029 crore for development of Phase I has been approved. Investment of 763 crore by National Industrial Corridor Development and Implementation Trust (NICDIT).
- ✍ Approved **enhancement of budget by 11,330 crores for Network For Spectrum (NFS) project** for laying alternate communication network for Defence Services for release of spectrum over INR 13,334 crore already approved by Cabinet Committee on Infrastructure in July 2012. Project, being implemented by BSNL, will be completed in 24 months. NFS project will boost communication capabilities of Defence Forces.
- ✍ Approved initial Corpus of INR 5000 crores for setting up of a dedicated **Micro Irrigation Fund (MIF) with NABARD** under Pradhan Mantri Krishi Sinchayee Yojana (PMKSY).
 - ✍ Allocation of 2,000 crore and 3,000 crore will be utilised during 2018-19 and 2019-20 respectively. NABARD will extend loan to State Governments during this period, to be paid back in 7 years (with grace period of 2 years). Lending rate will be 3% lower than cost of raising fund by NABARD.
 - ✍ Dedicated MIF will supplement efforts of Per Drop More Crop Component (PDMC) of PMKSY.
 - ✍ Fund will facilitate States to mobilise resources for their initiatives, to achieve annual target of about 2 Million ha/year during remaining period of 14th Finance Commission under Per Drop More Crop Component of PMKSY.
- ✍ Approved extension of Delhi Metro from Noida City Centre to Sector-62 (Noida - UP) covering 6.675 KM at cost INR 1967 crore.

131. ▶ Cabinet Approvals (May 23, 2018) -

✍ MOUs -

- ✍ Angola - Electronics and Information Technology
- ✍ France, Morocco - Renewable Energy
- ✍ Denmark - Food Safety Cooperation
- ✍ Singapore - Personnel Management and Public Administration
- ✍ Turkey - Trade in poppy seeds to ensure quick and transparent processing for import of poppy seeds from Turkey

✍ General Cabinet Approvals -

- ✍ Approved a Comprehensive Telecom Development Plan (CTDP) for North Eastern Region (NER) in Meghalaya, at cost of INR 3911 crores to be funded by Universal Service Obligation Fund (USOF). Features Include Provision of 2G+4G mobile coverage in uncovered areas and National Highways in Meghalaya. It will increase penetration of mobile connectivity in Meghalaya, resulting in equitable access of communication, information and governance.
- ✍ Approved *Universal Service Obligation Fund [USOF]* supported scheme to provide mobile services at 4072 tower locations identified by MHA in inhabited uncovered areas affected by Left Wing Extremism [LWE] of 96 districts in 10 States for Phase-II project, with cost approx 7330 Crores. It would be used by security personnel deployed in LWE affected areas and will also provide mobile services to residents in unconnected inhabited villages.
- ✍ Approved an ordinance to set up country's first national sports university in Imphal (Manipur), on lines of National Sports University Bill 2017 which is pending in Parliament. Proposed university is expected to bridge gap that exists in sports environment of country in various areas such as sports science, sports technology, high performance training.

✍ Cabinet Committee on Economic Affairs Approvals (CCEA) -

- ✎ Approved restructuring of balance sheet of Scooters India Limited Lucknow, by reducing equity of INR 85.21 crores in share capital of SIL held by Government, amid consistent accumulation of losses.

At present, 585 regulated mandis in 14 states are linked with the eNAM, with 73.50 lakh farmers, 53,163 commission agents and over 1 lakh traders registered on it.
- ▶ eNAM is pan-India electronic trading portal for farm produce which aims creates unified national market for agricultural commodities by integrating existing Agriculture Produce Market Committee (APMC) markets.
 - ▶ It provides single window service for all APMC related services, including commodity arrivals and prices, provision for responding to trade offers, buy and sell trade offers, among other services.
293. ▶ Government will set up an international educational institution for minorities in Rajasthan's Alwar city, as 1 of 5 such institutes that Government is planning to set up across India. This plan was prepared in 2016 by a committee headed by Afzal Amanullah.
294. ▶ Government's Film Facilitation Office will launch dedicated web portal for disseminating information on filming locations and facilities available in India for production. It will help potential production companies looking to shoot in India to obtain permissions and explore potential benefits.
295. ▶ Government's Unnat Jyoti by Affordable LEDs for All (UJALA) scheme (implemented by Energy Efficiency Services Ltd) has so far distributed over 30 crore light emitting diode (LED) bulbs across country.
- ▶ It has led to energy savings worth INR 15581 crores, increased penetration of LED in domestic market to 10% from mere 0.4% earlier.
 - ▶ It has increased India's share in global LED market to 12% from a mere 0.1%.
296. ▶ Govt. Owned Heavy Water Board signed agreement with Mumbai based Clearsynth for annual sale of 20 tonnes of Heavy Water for development of deuterium labeled compounds, NMR Solvents, d-labeled Active Pharma Ingredients (APIs), marking important event in Indian Nuclear industry leading to societal benefits for masses. It will initiate import substitution for the deuterated compounds and Heavy Water.
297. ▶ Govt. approved assistance of INR 6000 crores for 9 states which suffered from natural calamities during 2017-18, with Bihar getting 1710 crores, followed by Gujarat (1055 Crores). and other states - UP, Rajasthan, West Bengal, Bihar, Kerala, Tamil Nadu, Chhattisgarh and Madhya Pradesh.
298. ▶ Govt. launched *National E-Mobility Programme* aimed boosting e-mobility ecosystem including vehicle manufacturers, charging infrastructure companies, fleet operators, service providers etc, to be implemented by Energy Efficiency Services Limited (EESL). EESL will procure electric vehicles in bulk to get economies of scale, to replace existing petrol and diesel vehicles. With 20000 Procured electric cars, India is expected to save over 5 crore litres of fuel every year, and reduction of over 5.6 lakh tonnes of annual CO₂ emission.
299. ▶ Govt. launched a Mobile App (m-Awas) for allotment of Government accommodations in General Pool Residential Accommodation (GPRA) in Delhi under the control of Directorate of Estates.

300. ▶ Gujarat Govt. approved setting up a 5,000 MW capacity solar park at Dholera Special Investment Region (SIR), as largest Solar Park in world. It would be set up in 11,000 hectares of land with an investment of INR 25000 crores.
301. ▶ Gujarat Narmada Valley Fertilizers & Chemicals Limited (GNFC) started *Neem Project* in Amethi District of Uttar Pradesh. Since 2015, GNFC, through its Neem Project has collected over 45,000 tonnes of neem seeds by engaging 4.5 lakh rural women in 5 states - Gujarat, Maharashtra, Madhya Pradesh, Karnataka and Rajasthan.
302. ▶ Gujarat Pradesh Legislative Assembly Elections 2017 -
▶ Bharatiya Janata Party (BJP) won Majority by winning 99 of Gujarat's 182 seats. Rival party Congress got 77 seats. BJP got 49.1 % Votes while Congress got 41.4%.
▶ BJP will form Government in Gujarat for 6th Straight Term.
303. ▶ Gujarat government signed an MoU with Poland government, regarding centenary celebrations to mark independence of Poland in Delhi and other regions of world.
304. ▶ Gujarat government unveiled its *Reuse of Treated Waste Water Policy*, that aims to reduce state's dependence on freshwater sources like Narmada river. It will promote use of treated wastewater and will see setting up of sewage treatment plants (STP) across Gujarat.
305. ▶ Gujarat government will launch free treatment scheme for road accident victims, by bearing medical expenses of up to 50,000 rupees for each victim of a road accident in for first 48 hours.
306. ▶ Gujarat govt. will set up a seawater desalination plant with capacity to desalinate 100 million litre water per day, near Jodiya town in Jamnagar district.
307. ▶ Gujarat police unveiled *Pocket Cop* project, which will enable quicker verification of passport applicants, and search of accused persons. Under this, smartphones with data connectivity will be given to 4,900 police personnel.
308. ▶ Gujarat topped Logistics Ease Across Different States (LEADS) index released at 3rd meeting of Council for Trade Development and Promotion.
▶ LEADS Index is about mobility of goods and efficiency of logistics chain, developed by Commerce and Industry Ministry along with Deloitte.
▶ Gujarat is followed by Punjab and Andhra Pradesh. Among UTs, Daman & Diu topped, followed by Delhi and Chandigarh.
309. ▶ Guwahati became India's first railway station run by solar power, with 2352 solar modules installed with a capacity of generating 700 kwp.
310. ▶ HRD Ministry launched *Study in India* portal at URL www.studyinindia.gov.in, as a single window to cover all aspects relating to studying in India for foreign students. Students across world will now be able to pursue the education in prominent Indian Educational Institutions. Integration of e-SANAD portal and NAD – National Academic Depository (of HRD Ministry), was also launched on the occasion.
▶ e-Sanad is aimed at online submission and verification of documents with ultimate object to extend contact less, cashless, faceless and paperless document attestation service. Using it, any type of document viz personal, educational or commercial can be authenticated and apostilled.
▶ National Academic Depository (NAD) is 24X7 online store house of all academic awards viz. diplomas certificates,, degrees, mark-sheets etc. duly digitised and lodged by academic boards, institutions, eligibility assessment bodies. It ensures easy access to and retrieval of academic award and validates and guarantees its authenticity and safe storage.
311. ▶ Hardeep Singh Puri (Minister of State (I/C) for Housing & Urban Affairs) launched Smart Imprest Cards & e- Measurement Book (e-MB) on PFMS portal for CPWD. This will be first integrated web based module in Civil Ministries to monitor both financial progress along with physical progress captured as per schedule of various items of works.
312. ▶ Haryana Government Inauguraed India-Japan Smart Grid Pilot Project in Panipat. It was also annouced to install 10 lakh smart meters across state, to solve various complications faced by power distribution sector.
313. ▶ Haryana Government approved an affordable housing policy *Housing for all-2018* for core areas of municipalities in state. Town and Country Planning Department would be delegating power to Urban Local Bodies Department for implementation. Key Highlights -
▶ For core areas, projects would be allowed in core areas of municipal towns with an area 1 - 5 acres, while floor area ratio (FAR) should be 250 and for 2.5 to 5 acres, it should be 275.
▶ Allotment rate is 4000 per sq ft in hyper potential zones, Rs 3,000 per sq ft in high potential zones, Rs 2,500 for medium potential zones and Rs 2,100 per sq ft in low potential zones.
▶ Beneficiaries would be provided financial assistance of Rs 2.5 lakh.
314. ▶ Haryana Government launched water ATM policy to provide clean drinking water at public places to people of state. Urban residents of state Haryana can now look forward to having a water ATM every 400 metres.

315. ▶ Haryana Govt. approved Slum-In-Situ Rehabilitation Policy to provide housing facility to slum dwellers without making them relocate to other areas. Under this, total INR 1.67 lakh per dwelling unit will be provided to developer for construction of houses (1 Lakh by Central and 67000 by State Govt.).
316. ▶ Haryana Govt. approved death penalty (or min 14 years imprisonment) to those found guilty of raping girls aged 12 years or less.
317. ▶ Haryana Govt. launched *Parivartan* scheme, to address 10 issues in 46 developmental blocks of state.
318. ▶ Haryana Govt. launched Bhavantar Bharpayee Yojana from Karnal district. Under this, farmers will be compensated by state government, whenever market prices of the stipulated produce go below mentioned prices (applicable for tomato, onion, potato and cauliflower).
319. ▶ Haryana Govt. will launch *Chatra Parivahan Suraksha Yojana*, developed for safety of girl students in Haryana.
320. ▶ Haryana State Government will establish *Kisan Kalyan Pradhikaran* as farmers' welfare department which will look to make agriculture remunerative by enhancing productivity and mitigate distress of farming households.
321. ▶ Haryana became first state to launch High-Risk Pregnancy (HRP) Portal, to help in early identification of high-risk pregnant cases and ensure their timely referral to civil hospital. This portal is designed to track every high-risk pregnant woman till 42 days after delivery.
322. ▶ Haryana government mandated installation of Solar Photovoltaic Power plant in new buildings as per specified norms, aimed at conserving electricity and use it efficiently.
323. ▶ Haryana government opened subsidised canteens in 4 districts (Faridabad, Gurugram, Hisar and Yamunanagar) under *Antyodaya Aahaar Yojana* to provide hygienic food at affordable prices to poor and needy persons. These canteens will serve food to concerned people at INR 10, having 4 chapattis, rice, dal, cooked seasonal vegetables, curd or raita, green chutney and gur.
324. ▶ Haryana government will establish an organ and tissue transplant organisation (SOTTO) at Bhagwat Dayal Sharma Post Graduate Institute of Medical Sciences (PGIMS) in Rohtak.
325. ▶ Haryana government will implement integrated solar based micro irrigation scheme (ISBMI) in all districts and formed a Committee to chalk out a plan in this regard.
- ▶ ISBMI will focus on saving electricity and water, and will also be economical for farmers as they will not be required to install tubewells at their own level instead they just have to pay a nominal amount for water according the crops.
326. ▶ Haryana government would distribute sanitary napkins free of cost to all women belonging to BPL (Below Poverty Line) category in State.
327. ▶ Haryana topped preliminary rankings of Ease of Doing Business (EoDB) for this year with score of 69 %, followed by Telangana (68.46 %). Commerce and Industry Ministry will release final rankings in January-February 2018.
328. ▶ Haryana's first cyber police station, equipped with a digital forensic laboratory, inaugurated in Gurugram. It will have modern equipment to deal with crimes in cyber world.
329. ▶ Health Ministry approved proposal of Medical Council of India (MCI) to amend Screening Test Regulations 2002, making it mandatory to qualify National Eligibility cum Entrance Test (NEET) to pursue foreign medical course.
- ▶ A common National Entrance Exam, National Eligibility cum Entrance Test has been made mandatory for admission to all medical courses in the country.
 - ▶ Indian students can also pursue medical education abroad, however, they need to qualify *Foreign Medical Graduates Exam (FMGE)* for practicing in India after obtaining MBBS overseas.
 - ▶ Overseas Citizen of India shall have to mandatorily qualify NEET for admission to MBBS course abroad, from May 2018. Result of NEET will be treated as the Eligibility Certificate for such persons.
330. ▶ Health Ministry launched India's first digital Online Oncology Tutorial Series designed by Tata Memorial Center, to train doctors for early detection, prevention, palliation, rehabilitation and treatment of various cancers.
331. ▶ High-speed interceptor boat ICG C-162 has been commissioned into service by Indian Coast Guard (ICG), built by Bharati Defence and Infrastructure Ltd (BDIL).
332. ▶ Himachal Pradesh CM Jai Ram Thakur released *Mahila Suraksha* handbook on women's safety, brought out by Shimla administration.
333. ▶ Himachal Pradesh Food, civil supplies and Consumer Affairs department launched an app for ration card holders, called ePDS (electronic public distribution system). Beneficiaries can use digital ration card in ration shops. HP government also recently started Himachal Grihni Suidha Yojna, which will provide 1 lakh women with gas cylinders and stoves free of cost.
334. ▶ Himachal Pradesh Government launched women's safety app named *Shakti*. It comes with a panic button and would not require internet connectivity.
- ▶ Once triggered, app would send a message to nearest police control room and start recording audio and video after 20 seconds.
 - ▶ *GUDDIYA* helpline number 1515 and *Hoshiyar Singh* helpline number 1090 were also launched, to fight crimes against women in state.
335. ▶ Himachal Pradesh Government approved setting up of a regional-cum-facilitation centre of National Medicinal Plants Board of Ministry of Ayush, in Jogindernagar town in Mandi district of Himachal Pradesh.

336. ▶ Himachal Pradesh Government launched *Prakritik Kheti Khushhaal Kissan Yojana*, to promote Zero Budget Natural Farming System. It would increase soil productivity, decrease use of fertilizers and harmful chemicals and increase water infiltration. State Govt. also Launched a week long *Polythene Hatao, Paryavaran Bachao* Campaign.
337. ▶ Himachal Pradesh Government launched Zero Budget Natural Farming (ZBNF) project to promote organic farming, aimed at doubling income of farmers by the 2022. In ZBNF natural farming methods, cost of growing and harvesting plants is zero as no fertilizers and pesticides are added. It requires almost no monetary investment and envisages use of 'Jeevamrutha' and 'Beejamrutha'.
338. ▶ Himachal Pradesh Government launched a state-level nutrition scheme for HIV-positive children, which will provide nutritional supplement to boost immunity for concerned children.
339. ▶ Himachal Pradesh Government will introduce free Heli-ambulance services in order to help patients in far flung and inaccessible areas . Free Heli-ambulance services will be operated by Heli-mission Switzerland with the assistance of Lady Willingdon Hospital (Kullu District).
- ▶ State Govt. inaugurated Kanda Pattan-Sarkaghat Water Supply Scheme in Mandi district. It will benefit more than 31,000 people of region. State gov. also decreased age criteria for getting old age pension to 70 years from 80 years.
340. ▶ Himachal Pradesh Govt. launched Mother's Absolute Affection (MAA) programme with an aim to promote breastfeeding, strengthening inter-personal communication through ASHA workers, skilled support for breastfeeding at delivery points.
341. ▶ Himachal Pradesh Legislative Assembly Elections 2017 -
- ▶ Bharatiya Janata Party (BJP) won Majority by winning 44 of Himachal Pradesh's 68 seats. Rival party Congress got 21 seats. BJP got 48.8 % Votes while Congress got 41.7%.
342. ▶ Himachal Pradesh government will spend 25 crore rupees on renovating historic British Raj 'Bantony Castle Estate' as a major tourist attraction. It was acquired by government for over 27 crores two years ago, from a Business family.
343. ▶ Himachal Pradesh govt will set up 24X7 'Gudiya helpline' for reporting crimes against women. Under which, three special crime cells would be set up (one each at Mandi, Shimla and Kangra).
344. ▶ Hindon Elevated Road, India's longest elevated road inaugurated in Ghaziabad (Uttar Pradesh) by UP CM Yogi Adityanath. It will make it easier to commute between Delhi and Ghaziabad, saving approx 40 minutes of travel. It is 10.5KMs long, built on 227 single pillars. It was built at a cost of about Rs 11,000 crores.
345. ▶ Home Minister Rajnath Singh has launched the Centre for learning Sanskrit language in Gujarat University (Ahmedabad), offering six-month course for people on how to speak Sanskrit.
346. ▶ Home Ministry approved Central Assistance of INR 1161 Crores to Assam, Himachal Pradesh, Sikkim, Lakshadweep (UT) and Rajasthan -
- ▶ Assam (480 Crores), Himachal Pradesh(84 Crores), Sikkim (67 Crores) were affected by floods/ landslides during 2017-18.
 - ▶ Lakshadweep (2.6 Crores) was affected by cyclone Ockhi.
 - ▶ Rajasthan (526 Crores) affected by kharif drought during 2017.
347. ▶ Home Ministry declared Nagaland as *disturbed area* for 6 more months (till June 2018) under Armed Forces (Special Powers) Act – AFSPA.
- ▶ Under AFSPA, armed forces attain several overriding powers including authority to open fire and use force against any person acting against the law.
348. ▶ Home Ministry released Rs 167 crores to 9 states – Rajasthan, Punjab, West Bengal, Tripura, Assam, Meghalaya, Himachal Pradesh, Bihar and Sikkim, under Border Area Development Programme (BADP).
349. ▶ Home Ministry will set up Indian Cyber Crime Coordination Centre (I4C) as an apex centre to deal with cyber crimes such as financial frauds, circulation of pornographic and communal contents. I4C will be located in Delhi. It will coordinate with state governments in matters of cyber crimes and will monitor cyber space and social media.
- ▶ Information and Broadcasting Ministry will also set up a social media communication (SMC) hub for keeping a tab on trending news in districts and gather feedback on Government's flagship schemes, with investment of INR 17 crores for setting up 707 SMC hubs.
350. ▶ Human Resource Development Ministry launched 2nd edition of Unnat Bharat Abhiyan in New Delhi. Under this, students from 750 higher educational institutions from across country will adopt nearby villages and visit them to get acquainted with regular lifestyle of village people and problems faced by them. Main objective is to enable higher education institutions to work with people of rural India in identifying development challenges and evolving appropriate solutions for accelerating sustainable development in rural areas.
351. ▶ Human Resource Development Ministry released NIRF India Rankings 2018 of higher educational institutions -
- ▶ Top 10 (Overall) -
 - ▶ Indian Institute of Science Bengaluru
 - ▶ Indian Institute of Technology Madras
 - ▶ Indian Institute of Technology Bombay

- ✍ Indian Institute of Technology Delhi
- ✍ Indian Institute of Technology Kharagpur
- ✍ Jawaharlal Nehru University, New Delhi
- ✍ Indian Institute of Technology, Kanpur
- ✍ Indian Institute of Technology, Roorkee
- ✍ Banaras Hindu University, Varanasi
- ✍ Anna University, Chennai
- ✍ Top 5 Universities -
 - ✍ Indian Institute of Science Bangalore
 - ✍ Jawaharlal Nehru University New Delhi
 - ✍ Banaras Hindu University Varanasi
 - ✍ Anna University Chennai
 - ✍ University of Hyderabad
- ✍ Top 5 Medical Institutes -
 - ✍ All India Institute of Medical Sciences New Delhi
 - ✍ Post Graduate Institute of Medical Education and Research, Chandigarh
 - ✍ Christian Medical College, Vellore
 - ✍ Kasturba Medical College, Manipal
 - ✍ King George`s Medical University, Lucknow
- ✍ Top 5 Colleges -
 - ✍ Miranda House, Delhi University
 - ✍ St, Stephens, Delhi University
 - ✍ Bishop Heber College, Tiruchirappalli
 - ✍ Hindu College, Delhi
 - ✍ Presidency College, Chennai

 - ✍ Indian Institute of Management, Kozhikode

352. ▶ Human Resource Development Prakash Javadekar Minister launched *Samagra Shiksha* - an integrated Scheme for school education extending support to States from pre-school to senior secondary levels for first time It will treat *school* holistically as a continuum from pre-school, primary, upper primary, secondary and senior secondary levels.

- ✍ It focuses on improving quality of education at all levels by integrating two T's – Teachers and Technology.
 - ✍ Earlier budget on 3 education schemes (SSA, RMSA and Teacher Education) was 28,000 crores in 2017-18. But, budget outlay on new scheme will be 34,000 crore in 2018-19 and 41,000 crores in 2019-20.
 - ✍ 10 Lakh schools will get library grant of 5,000 to 20,000 to strengthen libraries.
 - ✍ Every school will get sports equipment under *Samagra Shiksha* - 5000 for Primary, 10,000 for Upper Primary & up to 25,000 for SSC & HSC schools.
 - ✍ Kasturba Gandhi Balika Vidyalaya (KGBV) will be expanded from Class 6-8 to Class 6-12 with 4385.60 crores in 2018-19 & 4553.10 crores in 2019-20.
 - ✍ *DIKSHA* - national digital platform for teachers would put high quality teaching learning resources for ready use of teachers.
- Samagra Shiksha* Scheme will support 'Operation Digital Board' in all secondary schools over a period of 5 years, so as to enhance use of digital technology through smart classrooms. Digital initiatives like ShaalaKosh, Shagun, ShaalaSaarthi will be strengthened.

353. ▶ Human Resources Development ministry will set up an innovation cell to develop new ideas and encourage innovation in India.
354. ▶ Hyderabad became 2nd large city (above 1 crore population) to be declared open defecation free (ODF), after Mumbai.
- ▶ Maharashtra government also imposed spot fine of Rs 500 for open defecation, littering, spitting and urinating in public places.
355. ▶ IRCTC partnered with Ola Cabs, in order to provide a book taxi option in its app and website. This will offer Ola Cabs booking services to customers in IRCTC Rail Connect App and on its website.
356. ▶ ISRO signed Technology Transfer Agreement (TTA) with Bharat Heavy Electricals Limited (BHEL), to transfer technology for manufacture of space grade Li-Ion cells.
- ▶ ISRO uses Li-Ion batteries as power sources for satellite and launch vehicle applications due to their high energy density, reliability and long cycle life.
 - ▶ This Technology Transfer will enable BHEL to produce space grade Li-Ion cells which can meet country's space programme requirements.
357. ▶ IndiGo became first Indian Airline to operate over 1000 flights in a day across India.
358. ▶ India Health Fund (IHF) (launched by Tata Trusts) will financially support innovations and technologies designed to combat tuberculosis (TB) and malaria. IHF is not a fellowship programme to do research from scratch. It is long-term exercise aligned with country's goal of eliminating TB by 2025 and malaria by 2030.
359. ▶ India Meteorological Department (IMD) teamed up with Bharat Sanchar Nigam Limited (BSNL) to send extreme weather alerts to people. BSNL and IMD will send area-specific alerts to users if they happen to be at place likely to experience extreme weather conditions, even if their phone numbers do not belong to that particular telecom circle.
360. ▶ India Meteorological Department (IMD) will add 30 more doppler radars in 2 years, with 14 in northeast, 4 in Jammu and Kashmir and 3 each will be Uttarakhand and Himachal Pradesh.
- ▶ Doppler radar is an observational tool used for precisely monitoring and predicting severe weather events such as hailstorms, thunder storms, cyclones and tornados.
 - ▶ It uses Doppler effect by bouncing microwave signal off desired target to produce velocity data.
 - ▶ It mainly gives information about wind velocity and precipitation. Doppler radar has radius of 250 km and helps in issuing forecasts two-three hours prior to severe weather conditions.
 - ▶ First Doppler radar in India was installed in Chennai, Tamil Nadu in 2002. There are currently 27 Doppler radars in country.
361. ▶ India launched 9th and biggest ever auction of City Gas Distribution (CGD) networks, offering permits to companies for selling Compressed Natural Gas (CNG) and Piped Natural Gas (PNG) in 86 geographical areas.
- ▶ Companies with net worth over 150 crore can bid for cities with a population of 50 lakh and more. Companies with 100 crore net worth can bid for cities with 20 lakh to 50 lakh population and firms with Rs 5 crore net worth can bid for cities with under 10 lakh population.
362. ▶ India missed December 2017 deadline announced for elimination of Kala Azar (black fever) in 2017-18 Budget by Government.
- ▶ Elimination is defined as reducing annual incidence of disease to less than 1 case per 10,000 people at sub-district level.
 - ▶ Kala-azar (visceral leishmaniasis), also known as black fever and Dumdum fever is most severe form of leishmaniasis. It is slow progressing indigenous disease caused by single-celled parasite of Leishmania family.
363. ▶ India signed \$ 84 Million Loan Agreement with Asian Development Bank (ADB) for Improvement and Expansion of Water Supply in Bihar.
364. ▶ India started nationwide tiger census 2018, as largest survey of wildlife anywhere in world. India will now use more technology, including mobile app *MSTrIPES*, with higher focus on northeast to determine number of tigers in India.
- ▶ Tiger census 2018 by National Tiger Conservation Authority will be INR 10 crores exercise, which will involve 40,000 forest guards traversing 4,00,000 sq. km. of forests.
365. ▶ India will get its first runway on a 'sea bridge', as Airports Authority of India (AAI) will extend Lakshadweep's Agatti Airport by building an RCC platform on the beach and shallow area which will allow bigger ATRs to operate on island.
366. ▶ India will have its own automated ocean pollution observation system called *automated moorings* from April 2018, to help monitor ocean pollution levels besides offering insights on changes in marine system. It will do away with present practice of collecting water samples from the sea and studying their pollution levels thereafter.
367. ▶ India will host Its 1st (overall 8th edition) of Theatre Olympics 2018 in February - April 2018. This 51 day event will be organized by National School of Drama under Ministry of Culture, with budget of INR 51.81 crores, with theme *Flag of Friendship*.
- ▶ It will witness performances in 30 different Indian languages, 15 foreign languages as well as in non-verbal languages. Artists from 30 nations will participate.
368. ▶ India's *Taj Mahal* is ranked 2nd best UNESCO world heritage site in world, by travel portal TripAdvisor, after Cambodia's Angkor Wat.

369. ▶ India's First Madame Tussauds Wax Museum opened in Delhi with 50 wax models of Indian and international celebrities. Delhi centre is 23rd museum for Madame Tussauds which has centres in major cities across globe.
370. ▶ India's First chat-based job search mobile app *Empzilla* launched, to do away with existing limitations of employers and job seekers making selection process quick and cost-effective.
371. ▶ India's IT Firm Tata Consultancy Services (TCS) recognized as one of world's best employers by Top Employer Institute for the third consecutive year.
372. ▶ India's first food testing lab in IITs opened in IIT Kharagpur campus, after National Accreditation Board for Calibration and Testing Laboratories (NABL) approved it for certifying food items based on nutritional value and perform adulteration checks.
373. ▶ India's largest floating solar power plant inaugurated at Banasura Sagar dam in Wayanad (Kerala), with capacity of 500 kilowatts (KW).
✎ It consists of 1,938 solar panels with a capacity of 260 watts, a 500 kilo volt ampere (KVA) transformer and 17 inverters.
✎ Unique feature of this plant is anchoring mechanism to maintain plant with alteration of water level.
374. ▶ Indian Army established a Skill Training Centre in Baramulla district of Jammu and Kashmir, to empower and Train Kashmiri youth.
375. ▶ Indian Army signed MoU with Hindustan Petroleum Corporation Limited (HPCL) and National Integrity and Educational Development Organisation (NIEDO) to provide quality faculty for professional coaching of Kashmir Youth.
376. ▶ Indian Council of Forestry Research and Education (ICFRE) and Technology Information, Forecasting & Assessment Council (TIFAC) signed MoU to provide livelihood opportunities and augment income of forest based communities, valid for 10 years.
377. ▶ Indian Council of Medical Research (ICMR) and American pharmaceutical firm Pfizer signed MoU to establish a 'Centre to Combat Antimicrobial Resistance' in New Delhi, to help combat growing threat of antimicrobial resistance (AMR) in India.
378. ▶ Indian Government will launch a national disaster database on UN Office for Disaster Risk Reduction (UNISDR's) insistence to implement its commitment to Sendai Framework. State authorities will mandatorily report all disaster-related losses on real time basis.
379. ▶ Indian Oil Corp (IOC) started doorstep delivery of diesel on a pilot basis in Pune and has become first company in India to provide such service after receiving clearance from the Petroleum and Explosives Safety Organisation (PESO).
380. ▶ Indian Pharmacopoeia Commission (IPC) approved animal-free tests for drug manufacturers. It replaces pyrogen test carried out on rabbits and abnormal toxicity test carried out on guinea pigs and mice with tests that can be done in test tubes. These guidelines will come into effect from July 1, 2018.
✎ Pyrogen test will be replaced by bacterial endotoxin test or monocyte activation test which can be carried out in test tubes.
✎ It is carried out to check impurity that can cause adverse side-effects. Drug is injected into rabbit and it is closely observed for feverish symptoms.
✎ For abnormal toxicity test, Vaccine manufacturers can apply for waiver by getting compliance certificate from National Control Laboratory.
✎ This test is carried out to check hazardous biological contamination in vaccine formulations. In this, mice or guinea pigs are injected with vaccine. The scientists observe if there is death of any animal.
381. ▶ Indian Railway Catering and Tourism Corporation (IRCTC) introduced billing through Point of Sale (POS) hand-held machines in trains to check overcharging by vendors, initially introduced in New Delhi -Karnataka Express on a pilot basis.
382. ▶ Indian Railway Stations Development Corporation Limited (IRSDC) Launched Idea Competition called *SRIJAN' (Station Rejuvenation through Joint ActioN)* at MyGov portal, under redevelopment of 635 major Railway stations across country. Last date for submission of entries in competition is 26-03-2018, with winner for logo competition to get cash prize of INR 75000.
383. ▶ Indian Railways and General Electric (GE) Jointly inducted 2 wholly designed in India Digitally Enabled Locomotives based on Insulated-gate bipolar transistor (IGBT) technology.
✎ IGBT Technology has 3 terminal power semiconductor device primarily used as electronic switch. It offers greater power gain than standard bipolar type transistor combined with higher voltage operation and lower input losses.
✎ GE is providing locomotive technology to Indian Railway and by 2025, through JV (Indian Railways has 26% stake), it will manufacture 1000 fuel-efficient locomotives (100 per year) for freight traffic hauling. 40 fuel efficient diesel locomotives will be manufactured in GE facility at Erie in US and rest 960 diesel locomotives will be manufactured in Marhaura (Bihar).
384. ▶ Indian Railways inducted three 09-3x Dynamic Tamping Express machines for improved mechanised Track Maintenance, manufactured in India under Make in India initiative with imported components. This technology is available in five countries including India.
✎ Railways plans to induct 42 more such machines in its maintenance fleet over next 3 years.
✎ These Machines can perform several track maintenance tasks which are currently performed manually / through several machines.
✎ Railways has planned complete mechanisation of inspection, monitoring, relaying and maintenance of track by 2024. Induction of such new machines will further help to improve safety, reliability and economy in maintenance of tracks over Indian Railways.

385. ▶ Indian Railways introduced new General Conditions of Contracts (GCC) for Services, that defines terms & conditions for contractors engaged in service contracts for non-operational areas including *Facilities Management, Housekeeping, Consultancy etc.*
- ▶ Under new policy of GCC for Services, concepts of Digital Labour Management System and stepped Performance Guarantee in place of Security Deposit, have been introduced for first time.
 - ▶ As per digital management labour system, contractor has to compulsorily maintain a data base of all workers including their attendance data and salary details.
386. ▶ Indian Railways launched *Voluntary Safety Reporting* website for its employees to anonymously report internal safety issues and hazards. It allows employees to report issues anonymously OR to mention their contact details for confidential feedback.
387. ▶ Indian Railways will deploy Drone cameras (UAV/NETRA) for various railway activities especially maintenance of tracks, project monitoring and other railway infrastructure, in-line with Railways' desire to use technology to enhance safety and efficiency in train operations.
- ▶ Railways also finalised plan to equip over 8500 stations with Wi-Fi facilities at an estimated cost of INR 700 crores, by March 2019.
 - ▶ At 1200 stations, Wi-Fi facility will be provided to rail passengers while at about 7300 stations, facility will be available to all (passenger and locals).
388. ▶ Indian Renewable Energy Development Agency Limited (IREDA) and Rewa Ultra Mega Solar Limited (RUMSL) signed agreement worth 210 Crores INR for financing shared infrastructure of 2 large Solar Parks in Madhya Pradesh.

Funding percentage is - Railways (30%), Human Resource Development (25%) AND Department of Science & Technology (25%).
511. ▶ Ministry for Development of North-East Region (DoNER) will set up *NITI Forum for North-East* to recommend suitable interventions for sustainable growth in North East Region (NER). It will be co-chaired by Vice-Chairman of NITI Aayog (Rajiv Kumar Currently) and Minister of State (I/C), Ministry of Development of Northeastern Region (DoNER).
512. ▶ Ministry of *Water Resources, River Development and Ganga Rejuvenation* signed A MOU with Bihar and Jharkhand state governments for completion of balance works of North Koel reservoir project at an estimated cost of INR 1622 crores.
- ▶ North Koel project was started in 1972 but was later halted in 1993. It is situated on North Koel river (a tributary of Sone river), that will provide irrigation to 1,11,521 hectares of land annually in most drought prone areas of Palamu and Garhwa districts in Jharkhand and Aurangabad and Gaya districts in Bihar.
 - ▶ Out of cost of balance works of INR 1622 crores, component of INR 1013 crores shall be borne by central Govt. as a grant from LTIF under Pradhan Mantri Krishi Sinchai Yojana (PMKSY).
513. ▶ Ministry of Agriculture and Famers Welfare unveiled Model Agriculture Produce and Livestock Contract Farming and Services (Promotion & Facilitation) Act 2018, to ensure better price to farmers and encouraging investment from agribusiness and food processing industries.
- ▶ Under contract farming, agricultural production can be carried out based on pre-harvest agreement between buyers and producers (farmers or farmer organisations). It reduces risk of fluctuating market price and demand.
 - ▶ Model Act seeks to create regulatory and policy framework for contract farming and services. It covers contract farming in agriculture crops, livestock, dairy and poultry products. It lays special emphasis on protecting interests of farmers, considering them as weaker of two parties entering into a contract.

- ✎ It makes mandatory for covering contracted produce under crop and livestock insurance in operation. Under it, no permanent structure can be developed on farmers' land or premises.
 - ✎ It establishes Contract Farming Facilitation Group (CFFG) for promoting contract farming and services at village or panchayat at level.
514. ▶ Ministry of Agriculture and Farmers Welfare launched seed import-export portal to facilitate export-import of seeds and planting material, for making trade process easy. Import export of seeds and planting material is controlled under Import Export Policy 2002-2007. Now, Organisations importing-exporting seeds will not be required to submit their applications in 20 copies.
515. ▶ Ministry of Agriculture and Farmers' Welfare and Ministry of Skill Development and Entrepreneurship signed MoU to conduct skill development training programmes for agriculture and allied sector, at Krishi Vigyan Kendra (KVKs).
516. ▶ Ministry of Civil Aviation awarded 325 air routes under 2nd phase of government's flagship UDAN (Ude Desh ka Aam naagrik) regional connectivity scheme.
- ✎ Government announced that 73 underserved airports and helipads will be connected under phase 2 of UDAN Scheme. Interglobe Aviation (parent firm of IndiGo) was awarded a maximum of 20 proposals, followed by SpiceJet that won 17 proposals.
 - ✎ Around 40% or 129 of 325 air routes were awarded to newly created category of 'priority areas' that include Jammu and Kashmir, Northeastern and hill states, Andaman and Nicobar Islands and Lakshadweep Islands.
 - ✎ UDAN 2 will provide over 26 lakh seats per annum that will be covered with airfare cap of INR 2500 per hour of flying.
 - ✎ Funding for UDAN 2 will be INR 617 crores, significantly more than 213 crores in First Phase.
517. ▶ Ministry of Civil Aviation notified Draft Passenger Charter defining rights for air passengers, aiming to improve hassle-free air travel experience of air passengers. Salient Features --
- ✎ Passenger can cancel air ticket within 24 hours of booking it and if provided travel is to take place after 96 hours, passenger will be able to cancel ticket without any charge. Cancellation charges will be not more than sum of basic fare and fuel surcharge.
 - ✎ Airline must either offer alternative flight that departs within 2 hours of scheduled departure of flight booked originally or refund ticket cost. Full refund is to be issued If airline doesn't inform passengers about cancelled flight up to 24 hours ahead.
 - ✎ For delays communicated more than 24 hours before scheduled departure, airline must offer option of full refund of ticket cost if delay is for more than 4 hours.
 - ✎ If delay results in flight departing next day, then airline will have to offer free hotel stay. These norms will be applicable only if delay is due to fault of airline, and not caused by bad weather.
 - ✎ If delay results in a passenger missing a connecting flight, then airline will have to pay Rs.5,000 to Rs.20,000. In case of lost baggage, minimum compensation proposed is INR 3000 per kg. If baggage is delayed or damaged, airline is liable to pay Rs. 1,000 per kg.
 - ✎ If passenger doesn't receive due compensation, grievances can be filed on Ministry of Civil Aviation's AirSewa app or at Directorate General of Civil Aviation (DGCA) portal.
518. ▶ Ministry of Commerce and Industry launched digital initiatives of Export Inspection Council (EIC) for ease of export to boost to India's potential for agricultural and food export.
- ✎ EIC developed three portals to reduce transaction time and cost in transparent manner.
 - ✎ Lab-one assessment portal - It will provide unified approach to all stakeholders like accreditation bodies, regulators and laboratories by bringing them together on common platform.
 - ✎ Export Alert Monitoring portal - It will monitor non-compliances raised by importing countries. It will enable monitoring of alerts and action taken by multiple organizations involved in initial certification in food safety and bio-security.
519. ▶ Ministry of Culture for the first time organised Madhavpur Mela in Madhavpur Ghed in Porbandar (Gujarat), under *Ek Bharat Shrestha Bharat* programme. Its purpose is to bring various parts of country especially North-East, close to each other.
520. ▶ Ministry of Culture organized 9th Rashtriya Sanskriti Mahotsav under *Ek Bharat Shrestha Bharat*, in Tehri (Uttarakhand), also subsuming Tehri Lake Festival (where one can explore water sports) within itself.
- ✎ Rashtriya Sanskriti Mahotsav (RSM) presents rich diversity and uniqueness of Indian culture and promotes cultural inter-linkages amongst states to strengthen National integration.
 - ✎ Paired state for Uttarakhand under Ek Bharat Shreshtha Bharat matrix is Karnataka, giving special emphasis to Karnataka in the event.
521. ▶ Ministry of Drinking Water and Sanitation developed a Sanitation Park in Delhi, named *Swachh Bharat Sanitation Park*.
522. ▶ Ministry of Drinking Water and Sanitation launched *Gangotri Swachh Iconic Place project* AND *Swajal*, a community owned drinking water programme in Uttarkashi district of Uttarakhand. Bagori Ganga Gram' project was also announced for Bagori village, which was declared open defecation free (ODF).

523. ▶ Ministry of Electronics and Information Technology (MeiTY) launched *Stree Swabhiman* Initiative aimed at creating sustainable model for providing adolescent girls and women an access to affordable sanitary products by leveraging Common Service Centres (CSCs). CSCs will provide access to affordable, reliable and modern (eco-friendly) sanitary napkins (menstrual pads) to adolescent girls and women in rural areas.
524. ▶ Ministry of Electronics and Information Technology (MeiTY) launched Digital India Internship Scheme along with its website.
- Under this, 25 interns will be inducted for period of three months. These interns will be paid a stipend of Rs. 10, 000 per month.
 - Eligibility - Indian students from recognized universities who secured over 60% marks in last held degree. Students pursuing B.E/B.Tech or M.E/M.Tech or dual degrees can apply for internships on the portal.
 - Internship will be offered two times in year - summer Internship during May and June and winter Internship during December and January.
 - Proposed broad areas for Internship are Cyber Security, e-Governance, Digital Literacy (HRD), International Cooperation & Industrial Promotion, Hardware Industry and Digital Payments and Electronic Testing.
525. ▶ Ministry of Electronics and Information Technology (MeiTY) launched *Cyber Surakshit Bharat initiative* to strengthen cybersecurity ecosystem in India, in association with National e-Governance Division (NeGD). It will leverage expertise of the IT industry in cybersecurity and will be operated on principles of awareness, education and enablement.
526. ▶ Ministry of Environment and Forests (MoEF's) gave environmental clearance to India-based Neutrino Observatory (INO) project to be set up in Bodi West hills in Tamil Nadu.
- MoEF's Expert Appraisal Committee (EAC) showed there will be no impact of blasting on any habitation in vicinity, along with no scope for radioactivity and leaching of water.
 - INO) Project aims at building a world-class underground laboratory with a rock cover of approximately 1200 meter. Its mandate is to conduct basic research on elementary particle called neutrino. Underground Observatory will provide shielding to neutrino detector from cosmic background radiation.
 - The non-accelerator based high energy and nuclear physics underground research complex will be approached by a 2-kms long tunnel. It also envisages construction of 50,000 tonne magnetised iron calorimeter detector (ICAL).
527. ▶ Ministry of Environment and Forests and Climate Change (MoEFCC) refused captive breeding of Chiru (Tibetan antelope), whose underfur is used for making famous shahtoosh shawls.
- Chiru have been for long time for their underfur, which is renowned for its quality which is traditionally woven into an extremely fine fabric to make Shahtoosh shawls.
528. ▶ Ministry of Environment, Forest and Climate Change (MoEFCC) launched Green Skill Development Programme (GSDP), to train over 5.5 lakh workers in environment and forest sectors through 30 courses by 2021 for sustainable conservation of natural resources.
- GSDP-ENVIS mobile application was also launched to provide more information and applying to courses under GSDP programme.
 - GSDP was launched in 2017 by MoEFCC in partnership with National Skill Development Agency (NSDA) to develop green skilled workers having technical knowledge and commitment to sustainable development.
529. ▶ Ministry of Environment, Forest and Climate Change (MoEFCC) released 15th India State of Forest Report (ISFR) 2017 (by Forest Survey of India (FSI)) -
- Total forest and tree cover in India increased over 8,021 sq km (80.20 million hectare), which is 1 % increase from 2015. Forest cover increased by 6778 sq km and tree cover increased 1243 sq km. Total forest and tree cover is 24.39% of geographical area of country.
 - Globally, India is ranked 10th in terms of forest and tree cover.
 - State-wise break-up -
 - 7 States/UTs have more than 75% forest cover - Mizoram, Lakshadweep, Andaman & Nicobar Islands, Arunachal Pradesh, Nagaland, Meghalaya and Manipur.
 - 8 States/UTs have forest cover between 33% to 75% - Tripura, Goa, Sikkim, Kerala, Uttarakhand, Dadra & Nagar Haveli, Chhattisgarh and Assam.
 - Top 5 States with maximum Forest cover - Madhya Pradesh (77,414 sq km) Arunachal Pradesh (66,964 sq km) and Chhattisgarh (55,547 sq km).
 - States with highest Forest cover in terms of percentage geographical area - Lakshadweep (90.33%), Mizoram (86.27%) and Andaman & Nicobar Islands (81.73%).
 - Mangrove cover is 4,921 sq km and has increased by 181 sq kms.
 - Water bodies inside forests have increased by 2,647 sq kms during last decade. Maharashtra leads with 432 sq kms, followed by Gujarat (428 sq kms).

530. ▶ Ministry of Environment, Forest and Climate Change (MoEFCC) rolled out 'Gaj Yatra', an awareness campaign to protect elephants from Tura in Garo Hills of Meghalaya. Under this, elephant mascot will be taken across districts frequented by jumbo herds for generating awareness.
531. ▶ Ministry of Environment, Forests and Climate Change (MoEFCC) launched *Green Good Deeds* campaign to sensitise people and students about climate change and global warming.
532. ▶ Ministry of Environment, Forests and Climate Change (MoEFCC) released draft of National Clean Air Programme (NCAP) proposing multiple strategies to reduce air pollution. NCAP aims to meet prescribed annual average ambient air quality standards at all locations in a stipulated time frame. However it does not mention any specific target and time frame.
533. ▶ Ministry of External Affairs (MEA) launched *Videsh Aaya Pradesh ke Dwaar* Initiative in Hyderabad (Telangana), with an aim to bring domain of foreign policy closer to people.
534. ▶ Ministry of External Affairs (MEA) launched *Videsh Aaya Pradesh ke Dwaar* engagement programme with regional media in Hyderabad, Telangana. It aims at enhancing public diplomacy outreach of MEA and its commitment to take objectives of foreign policy to people at grassroot-level.
535. ▶ Ministry of External Affairs (MEA) launched SAMEEP (Students and MEA Engagement Program), as an outreach mission that aims to take Indian foreign policy and its global engagements to students across country and also to look at diplomacy as a career option. SAMEEP aims to familiarise school and college students in India about functioning of MEA.
536. ▶ Ministry of Health and Family Welfare announced to increase number of AMRIT pharmacy stores by 4 times by end of 2018 from existing 111.
-  So far, over 50 lakh patients bought discounted drugs (60 to 90% less than market price) from AMRIT (Affordable medicine and reliable implants for treatment) stores and saved over INR 267 crores.
537. ▶ Ministry of Health and Family Welfare approved amending regulation for admission to PG medical courses in order to expand scope of persons with disabilities getting the benefit of reservation. Now, seats reserved for people with disabilities for admission to postgraduate medical courses will be increased from 3 to 5 %.
538. ▶ Ministry of Health and Family Welfare launched *LaQshya* Program aimed at improving quality of care in labour room and maternity Operation Theatre (OT).
-  Under this, Quality Improvement in labour room and maternity OT will be assessed through NQAS (National Quality Assurance Standards). Facilities with 70% score on NQAS will be certified as LaQshya certified facility. Facilities scoring more than 90%, 80% and 70% will be given Platinum, Gold and Silver badge accordingly.
539. ▶ Ministry of Health and Family Welfare launched Allied and Health care Professional Database portal to make data repository robust to ensure better systems and frameworks for healthcare workforce in country, to help tracking number of professionals and streams of allied and health care professions.
540. ▶ Ministry of Health and Family Welfare will launch *National Programme for Control of Viral Hepatitis*, as a new scheme free treatment of Hepatitis C from 2018-19, with focus on free anti-viral treatment of Hepatitis C. For this, budget of INR 600 crores is marked for 3 years.
541. ▶ Ministry of Health and Family Welfare will roll out 'Integrated initiative for prevention & control of viral hepatitis' under National Health Mission (NHM) for prevention and control of viral hepatitis. It will have budgetary support of over 517 crores for three years. India aims to eliminate viral hepatitis by 2030.
542. ▶ Ministry of Heavy Industries and Public Enterprises has extended Phase-1 of FAME India (Faster Adoption and Manufacturing of (Hybrid &) Electric Vehicles) Scheme to provide financial support to electric and hybrid vehicles by another six months till 30 September 2018 or till launch of phase-II.
-  FAME-India scheme was launched in 2015 under National Electric Mobility Mission (NEMM). It aims at promoting eco-friendly vehicles in the country.
543. ▶ Ministry of Home Affairs (MHA) exempted cruise tourists arriving with e-visa from the requirement of biometric enrolment for a period of three years (till 2020), to promote cruise tourism in India.
544. ▶ Ministry of Home Affairs (MHA) extended Anti-Narcotics Scheme for 3 more years to combat illicit trafficking in drugs and psychotropic substances, with an estimated budget of INR 21 crores. It was launched in October 2004 for 5 years and has been extended twice since then.
545. ▶ Ministry of Home Affairs (MHA) launched web-based application e-FRRO (e-Foreigners Regional Registration Office) to allow foreign tourists and travellers to avail of paperless and cashless visa-related services.
546. ▶ Ministry of Home Affairs (MHA) relaxed six-decade-old protected area permit (PAP) regime to allow foreign tourists to access border areas of Nagaland, Mizoram and Manipur for 5 years effect from April 1, 2018. However, citizens from Pakistan, China and Afghanistan will still be banned from all PAP areas.

547. ▶ Ministry of Home Affairs (MHA) will set up Cyber Warrior Police Force (CWPF) and Indian Cyber Crime Coordination Centre (I4C) to tackle internet-related crimes such as cyber threats, child pornography and online stalking, under MHA's new Cyber & Information Security (CIS) Division.
548. ▶ Ministry of Housing and Urban Affairs (MoHUA) launched *Protocol for Star Rating of Garbage-Free Cities* in Goa, under Swachh Bharat Mission – Urban. It has 7-star rating system for cities, based on multiple cleanliness indicators for solid waste management. City will be given rating of 3 star or above only after it is declared ODF (Open Defecation Free).
549. ▶ Ministry of Housing and Urban Affairs approved construction of 1.87 more affordable houses under Pradhan Mantri Awas Yojana (Urban), that aims at building 2 Crore Houses for urban poor by 2022. This round has taken number of houses approved under PMAY to 39.25 lakh. Haryana has been sanctioned maximum number of houses in this round.
550. ▶ Ministry of Housing and Urban Affairs (MoHUA) launched Liveability index to rate 116 Indian cities, funded by World Bank.
- ▶ It aims to measure quality of life in 99 smart cities, capital cities and those with a population of over one million.
 - ▶ Index will rank cities based on set of 79 parameters related to various aspects.
551. ▶ Ministry of Human Resource Development (HRD) launched initiative for development of 1.5 million higher education faculty using massive open online course (MOOC) platform SWAYAM (Study Webs of Active – Learning for Young Aspiring Minds). Under first phase, 75 discipline-specific National Resource Centres (NRCs) have been identified.
- ▶ NRCs include varied institutions under Ministry's Pandit Madan Mohan Malaviya National Mission on Teachers and Teaching (PMMNMTT), in Central Universities, IISc, IUCAA, IITs, IISERs, NITs, State Universities, UGC's Human Resource Development Centres (HRDCs), National Institutes for Technical Teachers Training (NITTTRs), IIITs, Open Universities.
552. ▶ Ministry of Human Resources Development (HRD) approved *Study in India* programme to attract foreign students to pursue higher education in India, with expenditure of INR 150 crores for 2018-19 and 2019-20. It aims to double India's market share of global education exports from less than 1% to 2%.
- ▶ Under it, 100% waiver of tuition fees will be only for the top 25% students, 50% waiver of tuition fees only for the next 25% students, 25% waiver of tuition fees only for next 25% students and no waiver of tuition fee for remaining 25% of students.
553. ▶ Ministry of New and Renewable Energy issued National Wind-Solar Hybrid Policy, aiming at promotion of large grid connected wind-solar PV hybrid system for efficient utilization of transmission infrastructure and land. It provides for integration of both energy sources (wind and solar) at AC and DC level.
- ▶ It also provides for flexibility in share of wind and solar components in hybrid project, subject to condition that, rated power capacity of one resource be at least 25 % of rated power capacity of other resource for it to be recognised as a hybrid project.
 - ▶ Policy permits use of battery storage in hybrid project for optimising output and further reduce variability.
 - ▶ With significant capacity additions in renewables, and Hybrid Policy aiming at better utilisation of resources, it is envisaged that Hybrid Policy will open-up a new area for availability of renewable power at competitive prices.
 - ▶ A scheme for new hybrid projects under the policy is also expected shortly.
554. ▶ Ministry of New and Renewable Energy under *Development of Solar Cities* scheme approved 60 Cities including 13 Pilot and 5 Model Cities up to 12th Five-year Plan period.
555. ▶ Ministry of Parliamentary Affairs inaugurated Central Project Monitoring Unit for e-Vidhan project of Government at Parliament House Annexe in New Delhi. e-Vidhan project aims to digitize functioning of State Legislatures to make them paperless.
556. ▶ Ministry of Petroleum and Natural Gas launched Pradhan Mantri Ujjwala Yojana in New Delhi and Telangana. Under it, gas connections will be distributed to identified beneficiary women in Delhi. PMUY was launched by PM Narendra Modi in May 2016 with tagline of *Swachh Indhan, Behtar Jeevan*.
557. ▶ Ministry of Power partnered with Ministry of Skill Development & Entrepreneurship to train manpower in six states for speedy implementation of its Pradhan Mantri Sahaj Bijli Har Ghar Yojna (Saubhagya Scheme). States - Assam, Bihar, Madhya Pradesh, Jharkhand, Odisha and Uttar Pradesh. Under this, 47,000 Distribution Lineman-Multi Skills and 8,500 Technical Helpers will be trained to meet requirement of power sector projects under Saubhagya scheme.
558. ▶ Ministry of Railways has launched new user interface of its Next Generation e-Ticketing (NGeT) System on Indian Railway's ([url - www.irctc.co.in/nget](http://www.irctc.co.in/nget)).
- ▶ Using it, user can enquire trains and check availability of seats without logging in to system, saving time of users.
 - ▶ It will provide enhanced class-wise, train-wise, destination-wise, departure and arrival time wise and quota-wise filters for facilitating customer while planning their journeys.
 - ▶ It also has waitlist prediction which will allow user to get probability of wait-listed or RAC tickets getting confirmed.
 - ▶ User can find out availability for entire Advance Reservation Period (of 120 days), except for few trains in improvised page.

559. ▶ Ministry of Railways introduced online bill tracking system, Indian Railways E-Procurement System (IREPS) for vendors and contractors, developed in house by CRIS (Centre for Railway Information Systems), New Delhi.
560. ▶ Ministry of Road Transport & Highways has released India's first ever Highway Capacity Manual named Indo-HCM, to guide road engineers and policy makers about road expansion. It lays down guidelines for when and how to expand or manage different types of roads and their intersections and level of services to be put in place.
561. ▶ Ministry of Road Transport and Highways (MoRTH) approved green licence plates bearing numbers in white fonts for private e-vehicles and yellow for taxis to promote electric vehicles. It aims at easy identification of electric vehicles for preferential treatment in parking, free entry in congested zones besides other proposed benefits like concessional toll.
- ▶ India presently has approx 1 to 1.5 lakh electric vehicles. It is projected to grow to about 5% of total vehicles in next five years.
562. ▶ Ministry of Road Transport and Highways (MoRTH) published new draft rules to make mandatory for automobile manufacturers to provide high security registration plates (HSRP) to all new vehicles from January 1, 2019. HSRP to be fitted in all classes of motor vehicles will have tamper-proof plates with host of in-built security features and will offer increased protection against theft.
563. ▶ Ministry of Road Transport and Highways proposed *One Nation One Tax policy* for seamless movement of commercial vehicles across country. The Group of Ministers is headed by Rajasthan transport minister Yoonus Khan.
- ▶ It will put check on people registering their vehicles in low tax states and running them in other states. It will also bring necessary relief to genuine cases requiring transfer of vehicles.
 - ▶ Uniform tax should be based on invoice price of vehicles in three slabs. 8% tax on vehicles below 10 lakhs, 10% for vehicles costing between 10 -20 lakh, and 12% for vehicles above 20 lakh. Diesel vehicles may have to pay 2% extra taxes, while electric vehicles will be given 2% discount.
564. ▶ Ministry of Science & Technology announced 4 new schemes to promote young scientists and researchers in country - Teacher Associateship for Research Excellence (TARE), Overseas Visiting Doctoral Fellowship (OVDF), Distinguished Investigator Award (DIA) and AWSAR (Augmenting Writing Skills for Articulating Research). These schemes aim at early recognition and reward to young talent in field of science.
565. ▶ Ministry of Science & Technology has set up Mechanism in Council of Scientific & Industrial Research (CSIR) to interact with Small-Scale Industry (SSI) for transfer of Technology from CSIR Labs. SSI sector is largest employment provider in country, next to agriculture.
566. ▶ Ministry of Shipping and IIT Chennai signed MoU to set up of a National Technology Centre for Ports, Waterways and Coasts (NTCPWC) at IIT Chennai, under Shipping Ministry *Sagarmala Programme*. It will act as a technology arm of Ministry of Shipping for providing technological inputs and support for Ports, Inland Waterways Authority of India and other institutions.
567. ▶ Ministry of Skill Development & Entrepreneurship and Maruti Suzuki India signed MoU to support Skill India Mission in automobile industry, to provide high employment potential trades related to automobile and manufacturing industry to youth under Skill India Mission.
568. ▶ Ministry of Sports and Youth Affairs will introduce first ever ranking system for National Sports Federations (NSFs), to build healthy competition between sports bodies. Sports federations will be ranked on the basis of administrative capability, transparency, talent-spotting ability, and medal count of athletes etc.
569. ▶ Ministry of Tourism expanded Buddhist tourism circuit under Swadesh Darshan Scheme to 21 more states to make it India's first trans-national tourist circuit. Earlier it was envisaged only to 7 major Buddhist pilgrimage sites in Uttar Pradesh and Bihar.
570. ▶ Ministry of Tourism, Ministry of Culture and Archaeological Survey of India (ASI) launched Adopt a Heritage Project. Under it, tourist amenities will be developed at selected heritage sites. Engaged Entities will be called as *Monument Mitra* and adopt sites essentially under their Corporate Social Responsibility (CSR) activity.
571. ▶ Ministry of Tribal Affairs (MoTA) will expand Van Dhan Vikas Kendras in tribal districts, with 3000 such kendras proposed to be set up in 2 years. Initially, it will be taken up in 39 districts with over 50% tribal population and then will be expanded to other Tribal Districts.
- ▶ Van Dhan Yojana aims at mainstreaming tribal community by promoting primary level value addition to Non Timber Minor Forest Produce (MFP) at grassroots level. It also aims to promote MFPs-centric livelihood development of tribal gatherers and artisans.
 - ▶ Through this, share of tribals in value chain of Non-Timber Forest Produce is expected to rise from 20% to around 60%.
572. ▶ Ministry of Tribal Affairs launched android based mobile application called *Tribal Diaries* for internal monitoring as connecting with officials concerned with implementation of schemes / programmes for tribal development.
573. ▶ Ministry of Tribal affairs approved establishment of first multipurpose "Van Dhan Vikas Kendra" in Bijapur District of Chhattisgarh for value addition of Forest Produce, as part of Government's scheme of Mechanism for marketing of Minor Forest Produce (MFP) through Minimum Support price (MSP) and development of Value chain for MFP.
574. ▶ Ministry of Water Resources, River Development and Ganga Rejuvenation constituted Mahanadi Water Dispute Tribunal for adjudication of longstanding disputes between Odisha and Chhattisgarh over sharing of Mahanadi river water. It will have 3 members with A M

Khanwilkar nominated as chairman. Other members are Ravi Ranjan and Indwermeet Kaur Kochar.

575. ▶ Ministry of Women and Child Development (WCD) approved setting up additional 100 One Stop Centres (OSCs) for women affected by violence, in Haryana, Himachal Pradesh, Madhya Pradesh, Maharashtra, Mizoram, Nagaland, Odisha, Tamil Nadu and Uttar Pradesh.
- ▶ OSC are funded from Nirbhaya Fund. Aim is to provide women with services such as police assistance, medical aid, psycho-social counselling, legal aid and counselling, temporary stay for 5 days etc.
576. ▶ Ministry of Women and Child Development (WCD) launched Management Information System (MIS) portal for Anganwadi Services Training Programme. It enables submission of applications and estimates by NGOs for carrying out Anganwadi Services (ICDS) Training through Anganwadi Workers Training Centres (AWTC) and Middle-Level Training Centres (MLTC).
577. ▶ Ministry of Women and Child Development (WCD) launched beneficiary module of Rapid Reporting System (RRS), a monitoring system for Scheme for Adolescent Girls (SAG). It will facilitate monitoring of SAG and take corrective measures by ensuring faster flow of information, accurate targeting of beneficiaries and reduction of leakages. URL for the portal is 'sag-rrs.nic.in.'
578. ▶ Ministry of Women and Child Development approved projects worth INR 2919 crores under Nirbhaya Fund for creating eight safe cities - *Delhi, Mumbai, Chennai, Ahmedabad, Kolkata, Bengaluru, Hyderabad and Lucknow.*
579. ▶ Ministry of Women and Child Development will establish National Women Entrepreneurship Council (NWEC) as an umbrella organization for socio-economic gender parity, financial inclusion and economic empowerment of women in India and to promote entrepreneurship among women.
580. ▶ Mumbai Metro launched a new security app 'Secucare', for raising an alarm to ensure passengers' safety. Through it, commuters can raise an alarm in case of any problem.
581. ▶ Mumbai police will use Unmanned Aerial Vehicles (UAVs) for surveillance and install 'panic buttons' in order to enhance safety of women in the city, as part of INR 252 crores Safe City to be implemented in 3v years.
582. ▶ NITI Aayog and ABB India signed a Statement of Intent (SoI) to government realise its vision of 'Make in India' through advanced manufacturing technologies that incorporate latest developments in robotics and artificial intelligence. NITI Aayog will work with ABB across various sectors, to suggest solutions for digitalisation, incorporating Internet of Things (IoT) and Artificial Intelligence (AI) technologies.
583. ▶ NITI Aayog and Actor Sushant Singh Rajput collaborated to promote 2 major initiatives of NITI Aayog - promotion of BHIM and Women Entrepreneurship Platform.
584. ▶ NITI Aayog and Google signed a Statement of Intent (SOI), to work on a range of initiatives to help build AI (Artificial Intelligence) ecosystem across country.
585. ▶ NITI Aayog and IBM signed a Statement of Intent (SoI) to develop a crop yield prediction model using Artificial Intelligence (AI) to provide real-time advisory to farmers in aspirational districts. Aim is to enable cooperation in the use of technology to provide insights to farmers to improve crop productivity, soil yield, control agricultural inputs with the overarching goal of improving farmers' incomes.
586. ▶ NITI Aayog and Piramal Foundation signed inked Statement of Intent (SoI) to develop a 4 year collaboration with District Administration of 'Aspirational Districts' to support their transformation in terms of healthcare, education and nutrition.
- ▶ Government selected 115 backward (aspirational) districts for rapid transformation by 2022 in line with Government's vision to create 'New India'.
587. ▶ NITI Aayog launched Atal New India Challenge under Atal Innovation Mission (AIM) with aim to bring-in innovations and technologies relevant to people. It will focus on efforts towards solving problems in core areas, to have direct impact on improving lives of citizens and generate employment.
588. ▶ NITI Aayog launched baseline ranking for the Aspirational Districts based on published data of 49 indicators across 5 developmental areas of Education, Health and Nutrition, Agriculture and Water Resources, Basic Infrastructure and Financial Inclusion and Skill Development.
- ▶ Additionally, *Champions of Change* Dashboard (created by NITI Aayog in partnership with Government of Andhra Pradesh) for real-time data collection and monitoring will be open for public viewing from April 1, 2018. District Collectors of aspirational districts will be able to input latest available data of their respective districts through this Dashboard.
589. ▶ NITI Aayog launched first course on Sustainable Urban planning using remote sensing and Geographic Information System (GIS) at IIT Kanpur's outreach centre in Noida (UP). This is first course under Global Initiative on Academic Network (GIAN) Program of HRD Ministry, that aims to boost quality of higher education through international collaboration.
- ▶ Course aims to impart high level remote sensing and GIS skills to allow them managing rapidly changing urban environment, with focus on water related activities.
590. ▶ NITI Aayog released a comprehensive 'Healthy States, Progressive India' report in New Delhi.

- Health Index is a weighted composite Index, which for larger States, is based on indicators in three domains - Health Outcomes (70%), Governance and Information (12%), Key Inputs and Processes (18%).
 - Large States -
 - Kerala, Punjab and Tamil Nadu are top 3 states in overall performance.
 - Jharkhand, Jammu & Kashmir, and Uttar Pradesh are top 3 ranking larger States in terms of annual incremental performance.
 - Smaller States -
 - Mizoram ranked first, followed by Manipur in Overall performance.
 - Manipur and Goa are top 2 in terms of annual incremental performance.
- 591. ▶ NITI Aayog released comprehensive roadmaps and detailed timelines for its initiative 'Sustainable Action for Transforming Human Capital in Education (SATH-E)' project.
 - NITI Aayog Launched SATH program with a vision to initiate transformation in education and health sectors. SATH identifies 3 states in each of Health and Education Sectors.
 - Health - Uttar Pradesh, Assam, and Karnataka, Education - Madhya Pradesh, Odisha, and Jharkhand.
- 592. ▶ NITI Aayog will build National Data & Analytics Platform (NDAP) to host and analyse huge amount of data which shall be helpful for citizens to understand spend patterns of government, consumption trends and success of various government policies.
- 593. ▶ NITI Aayog's Atal Innovation Mission (*government's flagship program to promote innovation and entrepreneurship nationwide in schools, universities and industry*), has selected additional 1500 Schools for establishment of Atal Tinkering Labs (ATLs), taking number of schools under mission to 2441 across India.
 - ATLs aims to be innovative play workspaces for students between Grade VI to Grade XII, which stimulate innovations combining science & technology.
- 594. ▶ NITI Aayog's Atal Innovation Mission (AIM) signed Statement of Intent (SOI) with German tech company SAP to promote culture of innovation and entrepreneurship across 100 Atal Tinkering Labs across India. SAP will adopt 100 Atal Tinkering Laboratories (ATL) in 2018 for five years to nurture science, technology, engineering and mathematics (STEM) learning among secondary school children across India.
 - Atal Innovation Mission (AIM)AIM is flagship initiative to promote culture of innovation and entrepreneurship in country. Its mandated is to create umbrella structure to oversee innovation ecosystem of country and revolutionize innovation eco-system.
- 595. ▶ Nagaland Assembly passed a resolution revoking provisions of 33 % reservation for women in urban local bodies.
- 596. ▶ Nasscom, Facebook and WeWork launched Design4India Studio in Bengaluru (Karnataka), as a dedicated design studio for web, mobile, augmented reality and virtual reality platforms for start-ups and designers. It aims to eliminate gap between design and technology by providing spaces for start-ups and designers to explore, innovate and build together.
- 597. ▶ Nation-wide cleanliness survey *Swachh Survekshan* launched to evaluate achievements in cleanliness level in Urban areas, Deemed as world' biggest survey. It will be conducted in over 4,000 cities and will run till 10 March 2018.
- 598. ▶ National Crime Records Bureau (NCRB) is creating a national registry of crimes against women, amid growing concern over incidents of sexual assaults. Records will be sourced from the Crime and Criminal Tracking Network and Systems (CCTNS).
- 599. ▶ National Crime Records Bureau (NCRB) launched a mobile app called 'Citizen Services' on occasion of its 33rd Inception Day.
- 600. ▶ National Green Tribunal (NGT) declared Amarnath Shrine as *silence zone* and prohibited religious offerings like chanting of hymns, and ringing bells beyond the entry point. It is aimed at protecting eco-sensitive Amarnath cave shrine.
 - NGT also imposed complete ban on plastic items like carry bags, plates and cutlery in towns located on banks of the River Ganga in Haridwar and Rishikesh.
- 601. ▶ National Highways Authority of India (NHAI) launched ranking system for over 300 toll plazas, on the basis of cleanliness, staff behaviour, availability of ambulance and cranes in case of any emergency on highways. Every quarter, 3 best toll plazas will be identified.
- 602. ▶ National Highways Authority of India (NHAI) signed pact with Macquarie for road projects under highway monetisation drive.
- 603. ▶ National Highways Authority of India (NHAI) will launch pilot project *Pay as you use tolling* on Delhi Mumbai national highway.
 - It involves implementing a satellite based electronic toll collection system running on GPS/GSM technology for selected commercial vehicles on a national highway for 1 year.
 - This tolling system will work on combination of mobile telecommunications technology (GSM) and satellite-based Global Positioning System (GPS). It will deduct money from vehicle account, credit money to concessionaire within a day and open toll gate.
- 604. ▶ National Human Rights Commission (NHRC) retained its 'A' status of accreditation of Global Alliance of National Human Rights Institutions (GANHRI) for fourth consecutive term.
 - NHRC was awarded 'A' status for first time in 1999 which it retained in 2006 and 2011 reviews.
 - The 'A' accreditation is given to those human rights institutions, which are found fully compliant with UN-mandated Paris Principles.

605. ▶ National Institute of Fashion Technology(NIFT) New Delhi will conduct *INDIAsize* as a National Sizing Survey to develop a comprehensive size chart for ready-to-wear industry based on body measurements of 25000 Indians in age group 15 - 65 years. India will be 15th Nation to complete a national sizing survey.
- ✎ Findings of study will impact various other sectors like automotive, aerospace, fitness and sport, art and computer gaming where insights from this data can produce ergonomically designed products suited for Indian population.
606. ▶ National Institute of Wind Energy (NIWE) under Ministry of New and Renewable Energy (MNRE) issued Expression of Interest (EoI) for first offshore wind energy project of India in Gulf of Khambat off the coast of Gujarat, with 1000 MW (1 GW) capacity. MNRE is planning to install at least 5 GW of offshore wind capacity by 2022.
607. ▶ National Mission for Clean Ganga (NMCG) approved 5 Namami Gange projects worth Rs 295 crores in West Bengal, Uttar Pradesh and Uttarakhand.
608. ▶ National Mission for Clean Ganga (NMCG) launched *Yamuna River Front Development (RFD) project* implemented by Delhi Development Authority (DDA), named *Asita* (Another name for River Yamuna). It aims to restore, revive and rejuvenate river's floodplains and make them accessible to the people of Delhi.
609. ▶ National Pharmaceutical Pricing Authority (NPPA) notified maximum prices of 65 essential formulations, including those used for treatment of diabetes, pain, infections and high blood pressure.
610. ▶ National Skill Development Corporation (NSDC) signed MoU with the Nuclear Power Corporation of India Limited (NPCIL) to provide skill training to 500 youth and women at Kudankulam in Tamil Nadu.
611. ▶ Navratna CPSE National Aluminium Company Limited (NALCO) signed MoU with Ministry of Mines, setting highest ever target of Rs 9350 crore revenue from operations for FY 2018-19, 15% higher than last year.
- ✎ It aims at production of 2.1 million tons Alumina with 100% capacity utilisation & an optimum Aluminium production target of 4.15 lakh tonnes.
612. ▶ Network for Certification and Conservation of Forests (NCCF) launched India's internationally benchmarked Forest Management Certification Standard (FMCS). FMCS enlists measures to be taken for responsible utilisation of natural resources and trade of forest products.
613. ▶ New train between Naharlagun (Arunachal Pradesh) and Anand Vihar Terminal (Delhi) named Arunachal Express has been flagged off, as 2nd direct train for Arunachal Pradesh and overall 14th for North East to connect with Delhi. Its route is 2013 kilometres long.
614. ▶ Nine member committee constituted by Karnataka government recommended separate state flag, discounting any constitutional / legal hurdles for it.
615. ▶ Niti Aayog announced to set up a special women cell, to extend support to women start-ups and entrepreneurs.
616. ▶ Niti Aayog will set up a Methanol Economy Fund worth Rs 4,000-5,000 crore to promote production and use of clean fuel, by converting high ash content coal into methanol and such a plant is expected to be set up by Coal India. Methanol can be used as an energy producing fuel, transportation fuel and cooking fuel.
617. ▶ Nitin Gadkari (Minister of *Road Transport and Highways, Shipping and Water Resources, River Development and Ganga Rejuvenation*) inaugurated Mormugao Port Trust and Drishti Marine's ambitious inland ferry services in Goa.
618. ▶ Nobel laureate and noted economist Muhammad Yunus (Bangladesh) has been honoured with 11th KISS Humanitarian Award 2018 in Odisha.
619. ▶ North Eastern state Arunachal Pradesh has been put on air connectivity map after its first commercial flight (of Alliance Airlines) landed at Pasighat Airport (East Siang district), under UDAN scheme. Alliance Air (subsidiary of Air India), will operate flight services on Kolkata-Guwahati-Pasighat route thrice a week.
620. ▶ North Korea and South Korea will march together under a single unified Korean flag at Winter Olympics 2018 in Pyeongchang (South Korea). They agreed to field a joint women's ice hockey team after rare peace talks. These are first high-level talks between 2 Koreas in over 2 years.
621. ▶ Northeast Frontier Railway started operating one lease Parcel Cargo Express Train (PCET) on fortnightly basis, connecting Northeast to West Coast, Connecting New Guwahati in Assam to Kalyan in Maharashtra with stoppages at New Jalpaiguri, Kalumna Goods Shed.
- ✎ It would enable farmers in North east to market their products like tea, betel nuts, pineapple, jute, horticulture products, cane furniture etc. at the retail markets in Mumbai, Bengaluru, Nagpur, Pune etc.
 - ✎ A single PCET can carry consignment equivalent to 52 trucks. This will ensure less Carbon Emission which will contribute for Green India & saving of foreign exchange on account of purchasing of fuel.
622. ▶ Northeast India's first regional Centre for Agriculture with collaboration of Israel will be inaugurated in Mizoram in March 2018. It will be first such centre in North East region of India being established with Israeli collaboration.

623. ▶ Odisha Government inaugurated Purvasha Folk and Tribal Art Museum at Barkul near Chilika, to promote the cultural heritage of Odisha.
624. ▶ Odisha Government launched *Odisha e-Hospital Management Information System (OeHMIS)* online platform that hosts all clinical parameters of patients and reporting of performance criteria of hospitals. It also enables viewing and downloading individual electronic health records.
625. ▶ Odisha Government signed MoU with British Council for cooperation in several areas including education, skills and culture. British Council will support Odisha State governments *Mo School (My School)* initiative by contributing to development of English language skills for learners and teachers.
626. ▶ Odisha State Government announced 'Mukshyamantri Kalakar Sahayata Jojana' (MMKSJ), under which artists from across the state will get a monthly assistance of Rs 1200, to benefit approx 50000 artists from across state.
- ▶ Odisha government also changed eligibility criteria as compared to previous artist assistance scheme, under which only 4000 artists were being given Rs 1000 per month. As per new criteria, any male artist can avail assistance under scheme after attaining the age of 50 years (earlier 60 years), while females have relaxation of 10 years.
627. ▶ Odisha approved long-term bauxite linkage policy that would help Vedanta's Lanjigarh alumina refinery to source bauxite from government-owned Odisha Mining Corporation (OMC). Now, 70 % of total production by OMC will now be available for long-term linkage.
628. ▶ Odisha forest department launched an app to track and fight forest fires during summer.
629. ▶ Odisha government and Tata Trusts signed MoU for implementing state's decision on land rights settlement for slum dwellers in urban areas. Recently, Odisha Government discontinued evicting slum dwellers in urban areas (by treating them as encroachers), and granted them land rights.
630. ▶ Odisha government launched KHUSHI scheme to provide free sanitary napkins to school girls across state. Under this, govt. will provide free sanitary napkins to 17 lakh girls studying in Classes 6 to 12 in government and government-aided schools.
631. ▶ Odisha government launched programme named *Ama Gaon, Ama Vikas* to reach out to people in rural areas and involve themselves in developmental activities.
632. ▶ Odisha government signed agreement with Software Technology Park of India (STPI), to set up an incubator at IIT Bhubaneswar for promoting research, named *Centre of Excellence for Virtual & Augmented Reality (VARCoE)*.
633. ▶ Odisha government will collaborate with Regional Integrated Multi-Hazard Early Warning System (RIMES) for strengthening its early warning services and enhancing preparedness for management of hazards in state.
634. ▶ Odisha police will go digital from January 1 2018, as routine work in police stations will be computerised under Criminal Tracking and Networking System (CCTNS), under national e-governance initiative.
635. ▶ Odisha state Govt. splitted tourism and culture departments, renaming cultural wing as *Odia Language, Literature and Culture Department*. It was also decided to set up a 'Heritage Cabinet' to protect the monuments and ancient temples.
636. ▶ Official Logo and tagline for Allahabad Kumbh Mela 2019 with tagline *Chalo Chalo Chalo, Kumbh Chalo*. Additionally, Ttagline *Agar UP Nahi Dekha Toh India Nahi Dekha* for UP Tourism was also unveiled.
637. ▶ Oil and Natural Gas Corporation (ONGC) began its operations in Nagayalanka block in Krishna District (Andhra Pradesh). This Early production System (EPS) has cost 6804 crores.
638. ▶ Oil minister Dharmendra Pradhan inaugurated eastern India's first compressed natural gas (CNG) stations in Bhubaneswar (Odisha).
- ▶ Mr Pradhan Also Stated that for Period of April - Oct of FY 2017-18, Iraq has overtaken Saudi Arabia to become India's top crude oil supplier. Iraq Supplied 25.8 million tonnes (MT) of oil to India in concerned Period, compared to Saudi Arabia's 21.9 MT.
639. ▶ Online hospitality service provider Airbnb signed four MoUs with North Eastern Council (NEC), the North East Tourism Development Council (NETDC), aimed at creating hospitality micro-entrepreneurs across key destinations in North East India.
640. ▶ Orange Festival of Music and Adventure held in Dambuk village of Arunachal Pradesh.
641. ▶ Oxford Dictionaries declared 'Aadhaar' as Hindi Word of the Year for 2017, during Jaipur Literature Festival 2018.
642. ▶ PHD Chamber of Commerce and Industry (PHDCCI) and Indian Yoga Association (IYA) signed MoU to Promote wellness, spiritual and cultural tourism in Krishna Circuit under Swadesh Darshan Scheme. Under it, 12 destinations spread across five states have been proposed.
643. ▶ PM Narendra Modi Launched 60MW Tuirial Hydroelectric Power Project in Mizoram. It has been constructed by North Eastern Electric Power Corporation (Neepco).
644. ▶ PM Narendra Modi announced investing 90000 crore for building a network of highways and roads in North Eastern region over 2 - 3 years. Out of this, 60000 crore would be spent under Special Accelerated Road Development Programme and 30000 crore will be spent under Bharatmala project.

645. ▶ PM Narendra Modi announced that April 28 will be remembered as a historic day as on this day, every single village of India was electrified, few days before deadline of May 10, 2018.
- ▶ Leisang, a village in central Manipur's Senapati district, was last one to receive electricity on April 29, 2018 under Deen Dayal Upadhyaya Gram Jyoti Yojana (DDUGJY).
 - ▶ Out of 18,452 villages that were without electricity in 2015, 17,181 have been electrified. Others are either uninhabited or classified as grazing reserves.
 - ▶ Still, 3.2 crore homes are still not electrified as government considers a village electrified, if it has basic electrical infrastructure; and 10 % of its places including schools, local administrative offices and health centres have power.
 - ▶ PM Modi in his speech on August 15, 2015 promised electrification all un-electrified villages within 1000 days. For this, government launched Deen Dayal Upadhyaya Gram Jyoti Yojana (DDUGJY).
646. ▶ PM Narendra Modi flagged off Palace Queen Humsafar Express between Mysuru (Karnataka) and Udaipur (Rajasthan), aimed to promote tourism between North and South.
647. ▶ PM Narendra Modi inaugurated 4th Container Terminal (FCT) of Jawaharlal Nehru Port Trust (JNPT) in Mumbai, as India's Largest Container Terminal. It has been developed at estimated cost of INR 7915 crores.
- ▶ New FCT will add capacity of 24 lakh containers per year in Phase-I and after completion of Phase-II in 2022, capacity of JNPT will be 100 lakh containers per year.
648. ▶ PM Narendra Modi inaugurated Botanical Garden-Kalkaji section (of Magenta Line) of Delhi Metro. This 12.64-km route of Magenta Line will be Delhi Metro's first line to get driverless trains, using Communication Based Train Control (CBTC) signalling technology.
649. ▶ PM Narendra Modi inaugurated Dr.BR Ambedkar International Centre (DAIC) in New Delhi, constructed at cost of INR 195 crores.
650. ▶ PM Narendra Modi inaugurated India's first smart and green highway-135 km long Kundli-Ghaziabad-Palwal (KGP) Expressway also known as Eastern Peripheral Expressway (EPE).
- ▶ It has been completed in about 500 days, as against target of 910 days with cost INR 11000 crores. PM also inaugurated first phase of Delhi-Meerut Expressway, India's first 14 lane expressway and spans from Nizamuddin Bridge to Uttar Pradesh border.
 - ▶ Several Features of Expressway Include Solar power Plants, Rainwater harvesting, Closed tolling system, Weigh-in-Motion (WIMs) equipment, Auto Challans, Intelligent Traffic management AND Green cover.
651. ▶ PM Narendra Modi inaugurated Kishanganga Hydroelectric Project and laid Foundation Stone of Pakal Dul Power Project in J & K -
- ▶ Kishanganga Hydroelectric Project -
 - ▶ With capacity of 330 MW, This project in Bandipora District of Jammu and Kashmir is a run of river scheme, that is designed to divert water from the Kishanganga River to a power plant in Jhelum River basin.
 - ▶ It has been completed at cost of INR 5882 crores. Kishanganga H.E. Project will provide free power of 13 % to J & K, of approx 133 crores per year.
 - ▶ Pakal Dul -
 - ▶ With 1000 MW capacity, it will be largest Hydro Power Project in J & K on completion. To be built on Marusadar River (a right bank tributary of Chenab), It is also first storage Project in state. Its sanctioned cost is INR 8112 crores.
 - ▶ As it is a storage project, it shall improve water availability during lean season.
 - ▶ It will employ Around 3000 persons during construction and 500 persons shall be employed during operation phase.
 - ▶ J&K will get 12 % free power after 10 years of commissioning of Project.
652. ▶ PM Narendra Modi inaugurated Zojila tunnel project, to provide all-weather connectivity between Srinagar, Kargil and Leh. Its Length will be 14.2 km, making it country's longest road tunnel. It will cut down time taken to cross Zojila pass from 3.5 hours to 15 minutes. It will also be Asia's longest bi-directional tunnel and will be built at a cost of INR 6,809 crores.
653. ▶ PM Narendra Modi inaugurated a unique world-class hospital at Swaminarayan Gurukul Vidyapeeth Pratisthanam in Ahmedabad, Gujarat. It is an integration of Yoga, Ayurveda, and Allopathy with world-class facilities in all the 3 streams.
654. ▶ PM Narendra Modi inaugurated newly constructed Dorjee Khandu State Convention Centre in Itanagar (Arunachal Pradesh).
655. ▶ PM Narendra Modi inaugurated project commencement of Rajasthan oil refinery at Pachpadra in Barmer district, as first one to be set up in Rajasthan. It is as a joint venture of Hindustan Petroleum Corporation Limited (HPCL) and Rajasthan government, with budget of INR 43000 crores and expected to be operational in 4 years.
656. ▶ PM Narendra Modi laid foundation stone of Navi Mumbai International Airport, to cost approx INR 16700 crores.
657. ▶ PM Narendra Modi laid foundation stone today for 2400MW first phase of NTPC's Patratu Super Thermal Power Project in Jharkhand, as a 74: 26 Joint Venture between Government of Jharkhand (GoJ) and NTPC Owned Patratu Vidyut Utpadan Nigam Ltd. (PVUN). PVUNL will develop it in two phases: 2,400 MW (3x800MW) in Phase-I and 1,600 MW (2x800 MW) in Phase-II.

- ✎ It will allocate 85 % of power to Jharkhand. Under Pradhan Mantri Sahaj Bijli Har Ghar Yojana (Saubhagya) scheme, it will ensure 24x7 power availability to households.
 - ✎ Engineering, Procurement & Construction contract of the project has been awarded to BHEL. Commissioning of first unit is envisaged in 2022.
658. ▶ PM Narendra Modi launched *Amma two-wheeler Scheme* meant to provide scooters at subsidised rates to working women on occasion of former Tamilnadu CM Jayalithaa's 70th birth anniversary.
- ✎ Under this Scheme, beneficiary will be given 50% of cost of a two-wheeler or grant of INR 25000, covering 1 lakh working women annually.
659. ▶ PM Narendra Modi launched India's first 12,000 horsepower electric locomotive with transport capacity of 6000 tonnes from Madhepura locomotive factory of Bihar, made with help of French company Alstom.
- ✎ India Joins Russia, China, Germany and Sweden that have successfully run over 12000 horsepower capacity electric Locomotives.
 - ✎ Alstom will deliver 800 high horsepower locomotives over 11 years to India. First five locomotives will be imported while remaining 795 will be manufactured in India.
660. ▶ PM Narendra Modi launched development schemes worth Rs 1,000 crore for UT of Daman and Diu, Including a flight connecting Ahmedabad to coastal town of Diu. PM Modi also flagged off *Run for New India* marathon in Surat (Gujarat).
661. ▶ POWERGRID completed Laying Over 16KM Long cables for 50,000 consumers through serpentine lanes in crowdest city of Varanasi (Uttar Pradesh), under Integrated power development scheme (IPDS) project.
662. ▶ Pakyong airport in Sikkim will be 100th operational airport in country, after its commissioning in June 2018. Post commissioning, Airline SpiceJet will be operating flights to Pakyong in Sikkim from Kolkata under UDAN (Ude Desh ka Aam Naagrik).
663. ▶ Passed Bills in March 2018 -
- ✎ Parliament passed Payment of Gratuity (Amendment) Bill 2017 to empower government to fix period of maternity leave and tax-free gratuity amount.
 - ✎ It seeks to amend Payment of Gratuity Act 1972 that allows for payment of gratuity to employees in any establishment, factory, mine, oilfield, plantation, port, railways, company, or shop employing 10 or more workers. Employees are paid gratuity if they have provided at least 5 years of continuous service at time of termination.
 - ✎ Payment of Gratuity (Amendment) Bill 2017 empowers government to notify period of maternity leave eligible for qualifying as continuous service and determine amount of gratuity available to employees. Bill removes reference to 12 weeks in Maternity Benefit Act 1961 and empowers central government to notify maximum maternity leave. Maximum maternity leave was changed from 12 to 26 weeks by Maternity Benefit (Amendment) Act 2017. Bill removes ceiling of INR 10 lakh amount of gratuity payable to an employee and ceiling may be notified by central government.
 - ✎ After implementation of 7th Central Pay Commission recommendations, ceiling of tax-free gratuity amount for central government employees was increased from Rs 10 lakh to Rs 20 lakh.
 - ✎ Lok Sabha passed Specific Relief (Amendment) Bill 2017 to further ease procedures for doing business by amending Specific Relief Act 1963.
 - ✎ This bill sets out remedies available to parties whose contractual or civil rights have been violated. It also provides a remedy that aims at fulfilment of an obligation or specific performance of contract rather than a general relief or compensation or damages.
 - ✎ Lok Sabha passed a bill (Without debate) that will exempt political parties from the scrutiny of funds they have received from abroad since 1976. It included amendment to Foreign Contribution (Regulation) Act 2010 that bans overseas corporations from funding political parties.
664. ▶ Patanjali Ayurved has been ranked as India's most trusted Fast Moving Consumer Goods (FMCG) brand (overall 13th) in TRA's Brand Trust Report 2018. Top Brand is Samsung and Top BFSI (Banking, Financial services and Insurance) is SBI.
665. ▶ Pelican Bird Festival-2018 is held for first in Atapaka Bird Sanctuary on at Kolleru lake in Andhra Pradesh. Recently, Atapaka Bird Sanctuary was recognised as one of the largest pelicanry in the world.
666. ▶ Petroleum Conservation Research Association (PCRA) under Ministry of Petroleum & Natural Gas launched month long Saksham 2018 (Sanrakshan Kshamta Mahotsav, that aims at creating focused attention on fuel conservation through people centric activities and sensitize masses about efficient use of petroleum products.
667. ▶ Petroleum and Natural Gas Regulatory Board (PNGRB) will set up a Gas Trading Hub / Exchange (GTHE) by October 2018, to create an Indian gas benchmark that will spark an increase in consumption of cleaner-burning fuel. Main objective is to boost consumption of natural gas in India.

668. ▶ Power Grid Corporation of India (PGCIL) signed pact with Ministry of Power to incur capital expenditure of INR 25000 crores for current fiscal.
669. ▶ Power Ministry extended waiver of inter-state power transmission charges and losses for solar and wind power projects commissioned till 31 March 2022, to promote clean energy sources. Waiver will be available to solar and wind projects for 25 years from date of commissioning.
- ▶ It holds significance in view of India's ambitious target of having 175GW of renewable energy capacities (100GW of solar, 60GW of wind energy, 10GW energy from Biomass and 5 GW from Hydel).
 - ▶ Earlier, waiver was available to solar and wind power projects commissioned till 31 December 2019, and 31 March 2019 respectively.
670. ▶ President Ram Nath Kovind dedicated 4 Launched projects in Andhra Pradesh - Andhra Pradesh Fibregrid, Andhra Pradesh Surveillance Project, Drone Project and Free Space Optical Communication or FSOC system.
- ▶ Fibregrid - It aims at providing affordable high-speed internet service to every household in state at nominal rates, also termed as Triple Play2.
671. ▶ President Ram Nath Kovind inaugurated Integrated Centre for Crisis Management (ICCM) at Bhabha Atomic Research Centre (BARC) Mumbai. It will help respond more effectively to chemical, biological, radiological and nuclear (CBRN) emergencies, monitoring radiological data from 504 radiation sensors across country. Other launches Include -
- ▶ Multi-leaf collimator system - It enables gamma radiation to be exposed only on cancer-affected organs.
 - ▶ Trombay Chhattisgarh Dubraj Mutant-1 - High-yielding dwarf variety of Dubraj mutant rice.
 - ▶ Metal fuel pin fabrication facility - Will help increase plutonium production in fast breeder reactors.
 - ▶ High-power electron beam melting furnace - To be used for nuclear and strategic applications.
 - ▶ Integrated enriched boron tri-fluoride gas generation facility - It was developed by Heavy-water Board in Odisha. It will be used in neutron detectors.
672. ▶ President Ram Nath Kovind inaugurated Naval Maritime Aircraft Museum in Visakhapatnam (Andhra Pradesh), featuring maritime patrol aircraft Tupolev-142M.
673. ▶ President Ram Nath Kovind laid foundation stone of *Nyaya Gram*, a residential and training complex of Allahabad High Court (UP).
674. ▶ President Ram Nath Kovind launched Pulse Polio Immunization (PPI) Programme ear 2018, on eve of National Immunisation Day (NID) observed on 28 January in 2018.
675. ▶ President Ram Nath Kovind launched three public welfare schemes in Rajasthan - Sundar Singh Bhandari EBC Swarozgar Yojana, Bhairon Singh Shekhawat Antyodaya Swarozgar Yojana and loan and interest waiver scheme for SCs/STs/OBCs, sanitation workers, physically challenged -
- ▶ Sundar Singh Bhandari EBC Swarozgar Yojana - Government will provide loans of up to Rs 50000 to members of economically backward classes (EBC) from around 50,000 families at 4 % interest rate.
 - ▶ Bhairon Singh Shekhawat Antyodaya Swarozgar Yojana - State government would provide loans worth up to Rs 50000 at 4 % interest rate to about 50,000 families from the scheduled castes and tribes and other backward classes for self-employment.
 - ▶ Loan waiver scheme - State government would provide 2 lakh worth interest-free loans to people belonging to SC/ ST community and other backward classes for skill development and create employment resources.
676. ▶ President Ram Nath Kovind on recommendation of Election Commission of India (ECI) disqualified 20 Aam Aadmi Party (AAP) MLAs from Delhi, citing that they held offices of profit.
- ▶ In 2016, ECI issued show cause notices to 27 AAP MLAs from Delhi who held offices as parliamentary secretaries.
 - ▶ Office of Profit is a Term used in Article 102 (1)(A) of Constitution that bars member of Indian Parliament / Legislative Assemblies from holding an office that would give its occupant the opportunity to gain a financial advantage or benefit. It refers to a post under central/state government which yields salaries, perks and other benefits.
677. ▶ President Ram Nath Kovind released INR 1000 and INR 10 commemorative coins on occasion of Nabakalebar festival in Puri (Odisha), marking festival which is a symbolic recreation of sibling deities – Lord Jagannath, Balabhadra and Devi Subhadra.
678. ▶ Press Council of India Chairman C.K Prasad rejected Reporters Without Borders (RWB)'s World Press Freedom Index report 2018 that was recently released and ranked India 138th among 180 Nations in terms of level of freedom for media. PCI stated that the report had *lack of clarity*.
679. ▶ Puducherry government launched a special police force to safeguard tourists, provided with special blue colour head gears.
680. ▶ Punjab & Haryana High Court banned bursting of crackers on New Year's Eve & on Jan 1, as well as during weddings or other celebratory functions in Punjab, Haryana & Chandigarh.
681. ▶ Punjab CM Amarinder Singh announced several development projects worth 555 crores for up-gradation of border district of Tarn Taran.

682. ▶ Punjab Government discontinued sale of 20 pesticides (insecticides) including Endosulfan harmful to health of humans and environment.
683. ▶ Punjab Government launched Mahatma Gandhi Sarbat Vikas Yojna (MGSVY) for welfare of downtrodden citizen across state, on lines of Antyodaya principles (means *rise of the last person*) and will be implemented in rural areas.
684. ▶ Punjab Government signed MOU with Nandan Nilekani's e-Governments Foundation (e-Gov) for managing of electronic governance of Urban Local Bodies (ULBs) across state.
685. ▶ Punjab Government signed MoU with Indian Oil Corporation (IOC) to set up bio-gas and bio-CNG plants in state, to find sustainable solutions to paddy straw burning. Total 400 such plants will become operational in 3-4 years with investment of INR 5000 crores.
686. ▶ Punjab Government signed MoU with United Kingdom (UK) for setting up of bio-gas and bio- Compressed natural gas (CNG) plants in state. It aims to find a sustainable solutions to paddy straw burning, which is a major concern in Punjab and surrounding region.
687. ▶ Punjab Govt launched PUDA-UCIC app to check unauthorised construction and a new web portal of the housing department for online issue of change of land use. It will facilitate swift action to stop illegal construction.
688. ▶ Punjab government along with WWF-India will conduct first organised census of Indus Dolphins, one of world's rarest mammals. Dolphins are found only in India and Pakistan, confined to 185 km stretch between Talwara and Harike Barrage in India's Beas River in Punjab.
689. ▶ Punjab government banned manufacturing, sale, production, supply and use of kite string made of nylon, plastic or any other synthetic material.
690. ▶ Punjab government formed 6 member Revenue Commission with an aim to bring greater efficiency and accountability in functioning of Revenue Department. It will be headed by Justice SS Saron.
691. ▶ R K Singh (Minister of Power (IC)) laid foundation stone for 60 MW Naitwar Mori Hydro Electric Project in Uttarkashi (Uttarakhand), on Tons River (a tributary of Yamuna). It will give 265.5 Million Units of renewable energy to grid and cut CO2 emissions by 0.21 Million Tons annually.
692. ▶ RS Puram Police station in Coimbatore (Tamil Nadu) is named best in India in SMART Police Stations initiative of Ministry of Home Affairs (MHA). SMART stands for *Sensitive and Strict, Modern with mobility, Alert and Accountable, Reliable and Responsive and Trained and Techno-savvy*.
693. ▶ Railways launched SFOORTI (*Smart Freight Operation Optimisation & Real Time Information*) App for Freight Managers which provides features for monitoring and managing freight business using Geographic Information System (GIS) Views and Dashboard. Features Include -
- ▶ *Freight Operation Information System Map View* provides Layered views of freight trains on Railways, that can help plan traffic flows and optimize freight operations.
 - ▶ *Forecasted Rakes Awaiting Interchange* enables Monitoring of all loads, which have been forecasted for the divisional interchange, but the same interchange has not yet reported.
 - ▶ *Stock Specific / Commodity specific Rake Position* can be viewed. Loaded and Empty Rakes of specific Rake Types are plotted on Railways network map in Different colours.
 - ▶ Monitoring of New Origination-Destination Added in Railways.
 - ▶ Loading Trends for Major Commodities during a period.
 - ▶ Performance of Freight Trains can be monitored
694. ▶ Railways will set up of a rail coach factory in Latur district (Maharashtra), to help generate employment opportunities and bring economic development in this backward Marathwada region. Plant will manufacture Electric Multiple Units for suburban trains and coaches for metros.
695. ▶ Railways will standardize trains in terms of number of coaches so that all trains can run on all routes. Soon, all trains would have 22 coaches, making them suitable for running on any route.
- ▶ Currently, coaches are of two kinds (ICF and LHB) and number of coaches in a train could be 12, 16, 18, 22 or 26, depending on its demand, making it difficult for the railways to substitute one with the other.
696. ▶ Raja Ramanna Centre for Advanced Technology (RRCAT), an Indore-based unit of Department of Atomic Energy (DAE) has developed an instrument called Fluorimeter, to measure traces of uranium in water, capable of examining traces of uranium in sample of water from 0.1 PPB (Parts-per-billion) unit to 100 PPB. DAE has transferred its technology to its Electronics Corporation of India Ltd (ECIL) for mass production. It will be especially helpful in states like Punjab where uranium traces in water sources have been found to be at dangerous levels.
697. ▶ Rajasthan Government launched *Nidaan* software, for diseases monitoring and strengthening tele-medicine services in government hospitals. It will help in providing presumptive monitoring of seasonal and non-communicable diseases as well as trends of ailments found

in specific areas.

698. ▶ Rajasthan and Haryana assemblies approved death penalty for convicts involved in rape of girls below 12 years of age.
699. ▶ Rajasthan become first state to launch free email addresses in Hindi (in Devanagari script) for its residents, to ensure maximum participation of people towards e-governance and that maximum facilities are available in vernacular language.
700. ▶ Rajasthan government announced 1 % reservation for Gujjars (retaining their Other Backward Classes status) and 4 other communities (Banjara, Gadia-Lohar, Rebari and Gadaria).
701. ▶ Rajasthan government will digitise administrative and historical records of Rajputana's princely states (10000 Pages/day), to protect old and fragile documents.
- ▶ Rajasthan State Archive consists of 30-40 crore administrative and historical records of 22 princely states, and will digitise 3-4 crore documents considered important.
702. ▶ Rajasthan government will introduce 'Guru-Shishya' (student-teacher dialogue) programme to address problems faced by students in various colleges in all districts. It will college students to an discuss their issues and problems related to their institutes, with their teachers.
703. ▶ Rajasthan government will recognise political prisoners held in jails during emergency period (1975 - 1977) as 'Loktantra Sainani', by changing name of Rajasthan MISA and DIR Bandi Pension Rules 2008 to Rajasthan Loktantra Sainani samman Nidhi 2008.
704. ▶ Rajasthan govt. increased age limit for applying for government jobs from 35 to 40 years.
705. ▶ Ravi Shankar Prasad, Minister of Law & Justice AND Electronics & Information Technology inaugurated *NIC-CERT* of National Informatics Centre, aimed at checking enhancing threats and vulnerabilities that are inherent part of increasing cyberspace. It was needed as in recent years, exponential growth in cyber attacks leading to concerns of data theft has been observed by Government.
706. ▶ Reliance Industries commissioned and achieved design throughput of world's largest refinery off-gas cracker at Jamnagar (Gujarat). Refinery will have a capacity of 1.5 million tonnes per annum along with downstream plants and utilities.
707. ▶ Research Designs & Standards Organisation (RDSO) of Railways has launched *New Online Vender Registration System*, to make related procedures digital and transparent. New system provides major improvements such as Public access to information, expeditious process completion with defined timelines, round-the-year services, availability of all related information on RDSO Website etc.
708. ▶ Residents of Bhanakpur village in Faridabad (Haryana) will begin day by singing national anthem daily at 8 am. Panchayat has installed 20 loudspeakers and 22 CCTV cameras for the purpose. This village is first in Haryana and second in India (after Jammikunta Telangana), to introduce this system.
709. ▶ Road Transport & Highways Minister Nitin Gadkari launched a mobile App and Toll-free Emergency number for Highway users.
- ▶ Sukhad Yatra mobile application is prepared by National Highways Authority of India to allow Highway users to enter road quality-related information or report any accident or pothole on highway, and several other related info.
 - ▶ Toll-free number 1033 will enable users to report an emergency condition, or highway-related feedback, across highway.
710. ▶ Road Transport and Highways Minister Nitin Gadkari (also minister for *Shipping and Water Resources, River Development and Ganga Rejuvenation*) inaugurated Inland ferry services in Vasco (Goa).
711. ▶ Road Transport and Highways Minister Nitin Gadkari announced development of a new Expressway between Delhi and Mumbai, at a cost of 1 Lakh Crore Rupees. Minister also disclosed plans for a Chambal Expressway which would be connected to Delhi-Mumbai Expressway, and is likely to benefit states like Madhya Pradesh and Rajasthan.
712. ▶ Road Transport and Highways Minister Nitin Gadkari inaugurated several projects in Uttar Pradesh entailing investment of INR 6517 crores.
713. ▶ Road transport ministry Mandated All taxis, buses and public transport vehicles (except three-wheelers and e-rickshaws) to have location tracking device (GPS) and an alert button from April 1, 2018 onwards.
714. ▶ Rural Development Ministry and State Governments have completed ranking of 50000 Gram Panchayats (selected under 'Mission Antyodaya') on three broad parameters of physical infrastructure, human development and economic activities.
- ▶ Mission Antyodaya aims to create 50000 poverty-free gram panchayats.
 - ▶ Gram Panchayats have been selected by State Governments on the basis of social capital and have been grouped under 5000 clusters.
715. ▶ SJVN Limited signed MoU with Ministry of Power, setting target of generating 9200 Million Units during 2018-19 under 'Excellent' category. SJVN looks to have Capital Expenditure (CAPEX) target of 900 crores and Turnover of 2175 crores.
716. ▶ Samsung India partnered with UNESCO MGIEP (Mahatma Gandhi Institute of Education for Peace and Sustainable Development) to launch 360-degree video and Virtual Reality (VR) content of Sun Temple in Konark (Odisha) and Taj Mahal (Uttar Pradesh).
717. ▶ Search engine Google is most trusted Internet brand in India as per TRA Brand Trust Report 2018, With 1.2 trillion searches per year. Google is followed by Facebook, Amazon and eBay. Biggest falls was seen by Snapdeal (fell by 142 ranks) and best trust gainer is Netflix (up 506 ranks).

718. ▶ Shipping Minister Nitin Gadkari flagged off cargo movement on Pandu-Dhubri route (on National Waterway 2) along Brahmaputra River in Assam, reducing logistics cost and save 300 km road travel. Central Government has sanctioned Rs 1250 crore for overall development of inland water transport of Assam.
719. ▶ Shripad Yesso Naik (Minister of State (IC) for AYUSH) laid foundation stone for Central Research Institute (CRI) in Jaipur (Rajasthan), as 3rd CRI under Central Council for Research in Homoeopathy (CCRH).
720. ▶ Sikkim Government allowed people to forge fraternal ties with trees, under *Sikkim Forest Tree (Amity & Reverence) Rules 2017*. Purpose is to preserve trees by encouraging people to forge relationship of brotherhood with trees through tradition locally known as Mitini / Mith.

733. ▶ Supreme Court struck down a legislation that allowed former Uttar Pradesh Chief Ministers to continue occupying government accommodation even after demitting office, terming it as *arbitrary and discriminatory*.
734. ▶ Supreme Court will look into Section 497 of Indian Penal Code (IPC), which is related to provision of adultery and treats only man as an offender and married woman as a victim.
735. ▶ Supreme Court's Verdict on Cauvery Water Dispute -
- ✎ SC stated that Karnataka government will release 177.25 tmcft of Cauvery water to Tamil Nadu from its inter-state Biligundlu dam, down from state's earlier allocation of 192 TMC water. Karnataka will now have an enhanced share of 14.75 tmcft water per year.
 - ✎ Earlier, Cauvery Water Tribunal's order in 2007 stated Karnataka to have share of 270 tmcft of Cauvery water. Now it will go up to 284.75 tmcft.
 - ✎ Verdict stayed 30 tmcft water to Kerala and 7 tmcft water to Puducherry as per Tribunal's 2007 Order. SC also allowed Tamil Nadu to draw an additional 10 tmcft 'groundwater' from a total of 20 tmcft beneath Cauvery basin.
 - ✎ SC order on Cauvery water allocation will continue to hold for next 15 years.
 - ✎ Cauvery Water Dispute -
 - ✎ Water sharing of Cauvery River has been a major source of conflict between Tamil Nadu and Karnataka. Its origin is traced back to two agreements in 1892 and 1924, which had taken place between the then Madras Presidency and Kingdom of Mysore.
 - ✎ 802 km long Cauvery River has 44,000 km² basin area in Tamil Nadu and 32,000 km² basin area in Karnataka.
 - ✎ Cauvery Water Tribunal, in its ruling in 2007, allocated 192 TMC water to Tamil Nadu, 270 TMC water to Karnataka, 30 tmcft to Kerala and 7 tmcft to Puducherry per year.
736. ▶ Surat (Gujarat) become first district in country to have 100% solar powered Primary Health Centers (PHCs), with All its 52 PHCs now powered by solar system. Surat has set an example by developing villages that use sustainable forms of energy, when global warming is mounting.
737. ▶ Surat railway station (Gujarat) will be third in India to be developed as a world-class facility under Railway's station redevelopment programme, After Habibganj (Bhopal) and Gandhinagar (Gujarat), which will both be ready by 2019. It is being done Railway Ministry's 1 lakh crore station redevelopment programme.
738. ▶ Suzlon Energy commissioned S128 as largest wind turbine generator (WTG) in India, at Sanganeri (Tamil Nadu). S128 WTG is available in 2.6 MW to 2.8 MW variants.
739. ▶ Swachh Survekshan 2018 Results -
- ✎ Top 3 cleanest Cities - Indore (Madhya Pradesh), Bhopal (Madhya Pradesh), Chandigarh.
 - ✎ Stats -
 - ✎ Organized by Ministry of Housing and Urban Affairs (MoHUA) Under Swachh Bharat Mission (Urban), It Assessed 4203 Urban Local Bodies, compared to 434 cities covered in 2017 and 73 cities in 2016.
 - ✎ Record 37.66 lakh citizen feedbacks were collected during Swachh Survekshan 2018.
 - ✎ In ranking cities, 35% weightage given to each of citizen feedback & service level progress, 30% weightage given to direct observation. In 2017, it was 25 % to direct observation, 30 % to citizen feedback and 45 % to service level progress.
 - ✎ Cleanest cities in various categories -
 - ✎ Big City - Vijaywada (Andhra Pradesh)
 - ✎ Medium City - Mysuru (Karnataka)
 - ✎ Small City - New Delhi Municipal Council
 - ✎ State Capital / UT - Greater Mumbai (Maharashtra)
740. ▶ Swedish-Swiss Firm ABB announced commissioning of India's first industrial solar microgrid in Vadodara (Gujarat). Microgrid is a localized electricity source which can function autonomously as well as by connecting and being synced with traditional centralized electrical grid (macrogrid). Microgrids with integrated battery energy storage are setup to ensure continuity of work during power outages.
741. ▶ Tamil Nadu Government launched 24-hour helpline number 14417, claiming to be the first in India, to offer information and guidance on education to students.

742. ▶ Tamil Nadu Government launched bi-lingual (*Tamil and English*) Uzhavan (farmer) mobile application in a bid to use technology for benefit of farmers. It will allow farmers to access nine types of services, including crop insurance, farm subsidies, farm equipments and related infrastructure.
743. ▶ Tamil Nadu Government launched e-governance policy to help public, government and commercial establishments avail all services through digital medium. It lets government to allocate 0.5 % of annual funds for digital initiatives and further increase it to 3 % in 5 years.

Locals had been protesting for closure of the factory for 100 days. The actions of police has been highly criticised.
- ✎ Protests intensified after Sterlite Copper recently applied for to double capacity of plant to 800,000 metric tonnes per annum.
 - ✎ Residents of nearby villages claimed that smelter caused huge level air and water pollution and is the reason behind unnaturally high cancer rates in surrounding villages.
745. ▶ Tamil Nadu government launched Amma Free Wi-Fi zones in 5 cities of Tamil Nadu, under which Wi-Fi zones will be set up in 50 spots. Users will be offered 20 minutes of free internet service per day. After that users will be charged Rs 10 per hour.
746. ▶ Tamil Nadu government signed an agreement with IT Major Microsoft to improve integration of technology in teaching and learning in state, to reform education sector, build tech capacity and enhance digital literacy across all levels.
747. ▶ Tata Boeing Aerospace Ltd (TBAL) inaugurated facility to manufacture fuselages for AH-64 Apache helicopter in Hyderabad, as only global producer of fuselages for AH-64 Apache helicopter delivered by Boeing.
748. ▶ Tata Motors and Maharashtra Government signed MoU to deploy 1,000 Electric Vehicles across a range of passenger and commercial vehicles in Maharashtra. Also, Mahindra & Mahindra signed two MoUs with Maharashtra Government to advance its next phase of expansion in electric vehicles (EVs) and achieve its goal to become completely electric ready.
749. ▶ Tata Trusts signed MoU with Government to provide development support in eight worst Naxal-affected districts in Chhattisgarh, covered under Transformation of aspirational districts Programme of NITI Aayog. Districts are - Kanker, Rajnandgaon, Bijapur, Bastar, Kondagaon, Dantewada, Narayanpur and Sukma.
750. ▶ Tech firm Microsoft inked its first renewable energy deal in India for powering its new facility in Bengaluru, to be operational in June. It will see Microsoft purchase 3 megawatts of solar-powered electricity from Atria Power for its new office building in Bengaluru, meeting 80% of projected electricity needs at facility.
751. ▶ Teesta Rangit Tourism Festival 2017 held in Darjeeling and Kalimpong (West Bengal).
752. ▶ Telangana Government announced a health-cum-life insurance scheme worth INR 5 lakh for farmers in state, with allocation of INR 500 crores.
753. ▶ Telangana Government constituted a task force on urban mobility to study feasibility of the monorail model and other modes of transport for IT corridor in Hyderabad. Arvind Kumar is Member Convenor of task force.
754. ▶ Telangana Government has set up 'We-Hub' on the lines of T-Hub for promoting women entrepreneurs in state, funded under Atal Innovation Mission. T-Hub is partnership between Telangana govt with 3 premier academic institutes and private sector leaders.
755. ▶ Telangana Government inaugurated India's first National Park for differently abled people in Hyderabad. It has speech therapist, vocational training instructors and physiotherapist for differently-abled children.
756. ▶ Telangana Govt. announced 2 % reservation in state government jobs for sportspersons.
757. ▶ Telangana Govt. announced setting up of a new Pay Revision Commission (PRC) for government employees, giving special allowances to employees working in remote areas.
758. ▶ Telangana Govt. mandated teaching Telugu as a compulsory subject in all public and private schools of state. Telugu University and Sahitya Academy will decide the Telugu syllabus for various standards.
759. ▶ Telangana government completed rejuvenation of 18,000 tanks in Telangana under its Mission Kakatiya programme, as announced at a convention on 'Rejuvenation of Krishna river'.
760. ▶ Telangana government developed a mobile application named 'Urban Genie' that will help urban citizens in finding certified technicians and workers to provide household services.
761. ▶ Telangana government is setting up an INR 100-crore Apparel Super Hub in Sircilla, under an MOU with Kay Ventures.
762. ▶ Telangana government launched *T App Folio* mobile governance application for delivery of government to citizen (G2C) and business to citizen (B2C) services efficiently. Telangana is 2nd state to launch a mobile governance application in place for provision of G2C services, After Karnataka.
763. ▶ Telangana government launched Rythu Bandhu (friend of farmers) Scheme, an investment support scheme to support livelihood of farmers. It is first such investment support scheme for farmers to be launched by any state in India.

- ✎ Farmers will directly get financial support twice every year to maximise agricultural production. They will get support of 8,000 per acre every year (Rs. 4000 each for monsoon and Rabi season) as crop investment support.
- ✎ State government has set aside Rs 12,000 crore in 2018-19 budget exclusively for this scheme.
- ✎ State government also announced to provide life insurance cover to all farmers in state for Rs five lakh each, from August 15, 2018 Onwards.

764. ▶ Telangana government launched Women Entrepreneurship Hub (WE-Hub), India's first state-led incubator for women entrepreneurs, to help women entrepreneurs establish their own enterprises by providing services including seed funding, mentoring, and business guidance.
765. ▶ Telangana government signed MoU with *Clean Authority of Tokyo (Japan)*, for municipal solid waste incineration facilities.
766. ▶ Telangana government signed a MoU with Safran Electrical and Power SAS for establishing an aerospace unit in Telangana.
767. ▶ Telangana govt. reduced Value Added Tax (VAT) on Aviation Turbine Fuel (ATF) to 1 % from 16 %, to boost air traffic at Rajiv Gandhi International Airport located near Hyderabad.
768. ▶ Telecom Commission approved voice and data in-flight connectivity, permitting Internet and Mobile Communication on Aircraft (MCA) in Indian airspace. It is recommended to permit MCA services with minimum height restriction of 3000 meters in airspace.
769. ▶ Telecom Firm Bharti Airtel and Chinese telecom equipment maker Huawei successfully conducted India's first 5G (fifth generation) network trial, achieving over 3 gigabit per second (Gbps) data speed.
- ✎ 5G is wireless communication technology based on third-generation partnership project (3GPP). It is next generation mobile networks technology after 4G LTE networks. It is expected to offer enhanced mobile broadband (eMBB) through R15 repeaters that can cater to coverage requirements. India aims to roll out 5G Services by 2020.
770. ▶ Telecom Minister Manoj Sinha launched India's first locally developed 4G/LTE (*Long-Term Evolution*) telecom system, developed by telecom equipment manufacturer VNL Ltd. It ensures seamless connectivity at affordable prices and reduces import dependence for such equipments.
771. ▶ Telecom Regulatory Authority of India (TRAI) issued *Telecommunication Interconnection (Amendment) Regulations 2018* to amend interconnect regulations, proposing certain changes in terms and conditions for operators to seek fresh call connect ports from other operators.
- ✎ Service provider can ask another operator for additional ports or Point of Interconnection (POI), when utilisation of capacity exceeds 85% over 60 day period. Time frame for provisioning of ports for initial interconnection and augmentation is to be increased to maximum 42 working days.
772. ▶ Telecom Regulatory Authority of India (TRAI) proposed open architecture-based public Wi-Fi grid to bring down the cost of internet by 90%, as Broadband proliferation across country is very important pillar of Digital India. TRAI suggested that any entity should easily be able to set up a public Wi-Fi access point.
773. ▶ Telecom Regulatory Authority of India (TRAI) proposed use of blockchain technology to check menace of Unsolicited Commercial Communication (UCC) or spam calls / messages. Blockchain technology based norms will record all communication between subscribers and entities, capturing customer consent for information and authorised telemarketing agencies. Subscriber will be now able to revoke consent given to entities through TRAI app and other mechanism that will be provided under regulation.
774. ▶ Tendu Leaf Bonus Festival organized in Bijapur district of Chhattisgarh. During it, approx 247 crores of bonus has been distributed to tendu leaf collectors of Bastar and Bijapur.
775. ▶ To Address Privacy Concerns, Unique Identification Authority of India (UIDAI) introduced a new concept of Virtual ID which Aadhaar-card holder can generate from its website and give for various purposes, wherever Aadhaar number is necessary to provide.
- ✎ Virtual would be a random 16-digit number and a user can generate as many Virtual IDs (Older ones will be cancelled when generating new).
 - ✎ It will give limited details (like name, address and photograph), which are sufficient for verification by any authorised agency .
 - ✎ Aadhaar-issuing body will start accepting virtual ID from March 1, 2018 and From June 1, it will be obligatory for all agencies that undertake authentication to accept Virtual ID from their users.
776. ▶ To enable customers to check if medicine is genuine, Govt will mandate brands to print a unique 14-character code on packages. Sending this code to a number will tell if medicine is genuine.
777. ▶ To save environment from air pollution caused by stubble burning, Punjab government made attachment of super straw management system with harvester machines mandatory for harvesting paddy (rice) crop.
778. ▶ Tribal Cooperative Marketing Development Federation of India (TRIFED) (under Ministry of Tribal Affairs) launched E-Tribes India banners on e-commerce platforms like Amazon, Snapdeal, Paytm & GeM. It also launched TRIFED's websites- tribesindia.com / trifed.in.
779. ▶ Tribal Sports Meet 2017 held in Odisha as a first-of-its kind event in country to promote sports among tribals in Odisha, with *Olly* as official mascot.

780. ▶ Tripura Government announced 10% of all police force will be reserved for women, to encourage women to participate and deal more efficiently with crimes related to them.
781. ▶ Tripura Government approved INR 50 crores to set up an Indian Institute of Information Technology (IIIT) at Bodhjunnagar, 15 km away from Capital Agartala.
782. ▶ Tripura Government has introduced Child Care Leave (CCL) for women employees with minor children for 730 days in their entire service life.
783. ▶ Tripura Horticulture Corporation Limited (THCL) signed an MoU with Spicejet Merchandise Pvt Ltd, To provide pineapples to majority of country and help farmers earn profit.
784. ▶ Tripura became first North East state to launch state component of Pradhanmantri Kaushal Vikas Yojna (PMKVY) in Agartala, aiming to train over 1.16 lakh youths by 2020.
785. ▶ Tripura government will set up a well-equipped crime branch under state police to deal with unlawful activities in state such as drug and narcotics peddling.
786. ▶ UIDAI unveiled beta version of 'Virtual ID', which will soon be accepted by service providers in place of Aadhaar numbers. An Aadhaar holder can generate VID from UIDAI's website is a random 16-digit number mapped to a person's Aadhaar number and biometrics. VID would give any authorised agency like a mobile company, limited details for verification purpose.
- ✎ It will do away with need of disclosing 12-digit Aadhaar number for authentication or verification purposes.
787. ▶ UNESCO inscribed India's *Kumbh Mela* on its List of Intangible Cultural Heritage of Humanity, as 14th intangible cultural heritage from India to be listed in UNESCO's list.
788. ▶ UNICEF (United Nations Children's Emergency Fund) launched Data Visualisation App to provide user-friendly visual representation of complex analytics of education scenario in India, developed with technical inputs from UNICEF, NCERT and National Institute of Education Planning and Administration (NIEPA).
- ✎ It uses UDISE (Unified District Information System for Education), NAS (National Assessment survey) and demographic data. It can be used as visual tool by policy makers, academia and researchers to address gaps and monitor programs in education.
789. ▶ UP Investors Summit 2018 Lucknow -
- ✎ Government will establish India's 2nd defence industrial production corridor in Uttar Pradesh, at approx INR 20000 crores and will generate about 250000 jobs. It will link Agra, Aligarh, Lucknow, Kanpur, Jhansi and Chitrakoot. 1st of 2 defense industrial production corridors proposed in Budget 2018 will link Chennai & Bengaluru.
 - ✎ UP's Khadi and Village Industries Board signed pact with Amazon India to facilitate online selling of Khadi products.
 - ✎ Uttar Pradesh (UP) became first state to clear business and investment projects digitally, without any human interface. This became possible with launch of 'Nivesh Mitra' digital platform. It will serve as a single-window clearance system.
 - ✎ UP government signed 1045 Memorandum of Understandings (MoUs) worth INR 4.28 lakh crores at UP Investors Summit 2018.
790. ▶ Union Territory of Lakshadweep signed MoU under UDAY Scheme, to ensure operational turnaround of Lakshadweep's Electricity Department. Lakshadweep will receive an overall net benefit of around Rs. 8 crore through UDAY Scheme.
791. ▶ Unique Identification Authority of India (UIDAI) introduced face authentication as an additional means of Aadhaar authentication along with fingerprint and iris scan, to enable easy authentication for those who face difficulties in other biometric authentication such as fingerprint and iris scan. It will be available by 1 July, 2018.
792. ▶ Unique Identification Authority of India (UIDAI) brought in secured digitally-signed QR Code on e-Aadhaar. It will contain photograph of Aadhaar holder in addition to demographic details.
- ✎ QR code is form of barcode label which contains machine-readable information while e-Aadhaar is electronic version of Aadhaar that can be downloaded from official UIDAI website.
793. ▶ Unique Identification Authority of India (UIDAI) introduced updated 'QR code' for offline Aadhaar verification to strengthen its privacy measures during usage, aimed at adding an extra layer of privacy to Aadhaar after recently introducing concept of virtual identification.
794. ▶ Unique Identification Authority of India (UIDAI) rolled Under 5 years age version of Aadhaar Card, named *Bal Aadhaar*. It will have blue colour and will be linked with one of parent's Aadhaar card. No biometric details (Iris scan / fingerprint scans) will be captured as Biometrics are not developed for children before 5 years of age.
795. ▶ United Nations Development Programme (UNDP) will set up a skill development centre for clients of Bharosa, an integrated support centre for distressed women and children in Hyderabad (Telangana). It aims at empowering marginalised women by imparting skills training.
796. ▶ United Nations Environment Programme (UNEP) recognised Cochin International Airport Ltd (CIAL) in Kerala as world's first fully solar energy powered airport. CIAL is India's first airport to be constructed in public-private-partnership (PPP) model in 1999.

 It has 15 MWp solar power plant, comprising 46,150 solar panels laid across 45 acres. Plant generates 50,000 units of electricity daily.

797. ▶ University Grants Commission (UGC) has so far granted full autonomy to 62 higher educational institutions that have maintained high standards of excellence under Autonomous Colleges Regulation. These include 5 central universities, 21 state universities, 26 private universities and 10 other colleges.

 Complete autonomy will allow these institutions to start new courses, new departments, new programmes, skill courses, research parks, appoint foreign faculty, take foreign students etc.
