 43. ▶ As a first such Initiative in Country, Kerala Tourism Development Corporation (KTDC) will launch India's first public sector hotel run entirely by women for women in capital Thiruvananthapuram, named *Hostess*.
 44. ▶ As a landmark reform in field of Higher Education, University Grants Commission has approved UGC (Online Courses) Regulations 2018, allowing Higher Educational Institutions to offer Programmes in completely online mode.
 - ▶ It is applicable for disciplines in which institute has already been offering same or similar Courses at graduation level in regular mode or in Open and Distance Learning mode and from which at least one batch has been graduated and approved by statutory councils.
 - ▶ Online Programmes requiring Practical/ Laboratory Courses as a curricular requirement shall not be permitted.
 - ▶ Online learning shall have minimum four quadrants - video lectures, e- content, self-assessment and discussion forum to clarify doubts.
 - ▶ Higher Educational Institutions will be eligible to offer Online Programmes if they have been in existence for at least five years and are accredited by National Assessment and Accreditation Council (NAAC) with a valid minimum score of 3.26 on a 4-point scale. It should also be in top-100 in overall category in the National Institutional Ranking Framework (NIRF) for at least 2 years in the previous 3 years.
 - ▶ Analytics of Learning Management System shall be used for ensuring the learner's participation at least for 2 hours every fortnight.
 - ▶ This initiative is a big step towards attaining the targeted GER (Gross enrolment ratio) of 30% by 2020.
 45. ▶ As per Housing and Urban Affairs Ministry -
 - ▶ 19 of 25 dirtiest cities in India are from West Bengal. Jharkhand is the cleanest state in India, followed by Maharashtra and Chattisgarh.
 - ▶ Among cities, Indore is cleanest for 2nd year in a row, followed by Bhopal and Chandigarh. While, Bhadrachalwar in Gujarat is at bottom of 500 cities.
 46. ▶ As per State of India's Environment (SoE) 2018 in Figures that has been released recently by Down To Earth magazine -
 - ▶ India ranked 177 out of 180 countries in Global Environment Performance Index (EPI) rankings 2017, India slipped from 141st place in 2016.
 - ▶ India scored 5.75 out of 100 in air quality.
 - ▶ Through Swachh Bharat scheme, 72.1 million individual household toilets have been constructed. But funds allocated for spreading awareness on this to rural people remains unused.
 - ▶ Central government's target of installing 175 gigawatt (GW) of renewable energy by 2022, is not seeing expected progress, with only 9 % of the roof-top solar target achieved so far.
 - ▶ There is a 146 per cent increase in forestland diversion for non-forest activities in the last one year with maximum diversions recorded in Madhya Pradesh, Telangana and Odisha. Forest fires have increased by 125 per cent in just two years (2015-2017).
 47. ▶ As per US-based Institute for Energy Economics & Financial Analysis (IEEFA), Karnataka is new national leader in renewable energy generation, overtaking Tamil Nadu.
 48. ▶ Ashwini Kumar Choubey (Minister of State for Health and Family Welfare) released 11th Common Review Mission (CRM) report of the National Health Mission. One of its findings stated that women bear uneven burden in family planning as they account for more than 93%

of sterilisations in the country.

49. ▶ Assam Employees PRANAM Act would be implemented in state from October 02, 2018 (Gandhi Jayanti), To not let employee neglect their loved ones. The Act will deduct 10% of an employee's pay and transfer it to the account of relatives concerned. Another 5% would be deductible if the employee has a differently abled sibling.
50. ▶ Assam government will introduce awareness programme called 'Sanskar' in all its development blocks and panchayats, after incidents triggered by superstition and ignorance including lynching of two people in Karbi Anglong district.
51. ▶ Assam released final draft of National Register of Citizens (NRC), after first draft released in January 2018 that included 1.9 crore names out of total 3.29 crore applicants. It has left out 40.07 lakh people wherein 2.89 crore people were found eligible.
 - ✎ NRC was prepared in 1951.
 - ✎ Out of 40.07 lakh applicants left out of final draft, 2.48 lakh applicants have been kept on hold including D-Voters (doubtful voters), descendants of D-voters and persons whose cases are pending before foreigners tribunal.
52. ▶ Ayushman Bharat Yojana under Pradhan Mantri Rashtriya Swasthya Suraksha Mission will be implemented in Madhya Pradesh from August 15 this year. Under it, annual health security cover worth Rs 5 lakh will be provided to each family. Expenditure for implementation of yojana is INR 1200 per family.
53. ▶ BJP led National Democratic Alliance (NDA) Government won its 1st No Confidence motion moved in Lok Sabha, as moved by a former NDA ally Telugu Desham Party (TDP). In this trust vote, NDA bagged 325 votes against motion, while 126 members voted in favour.
 - ✎ Constitutional rule allows any Lok Sabha MP who can garner support of 50 colleagues, to introduce motion of no-confidence against Council of Ministers. If there are 50 MPs in favour, motion is admitted and speaker allots date for discussion on motion. If government loses trust vote, it has to resign.
 - ✎ Rajya Sabha does not have procedure for moving of no-confidence motion against Government and also adjournment motion, censure motion.
54. ▶ Bharat Heavy Electricals Ltd (BHEL) is setting up a joint venture (JV) in India with Zorya Mashproekt, to overhaul turbines in India. The navy will soon have 34 warships driven by Zorya turbines, with four turbines per vessel, adding up to 136 in-service turbines. A turbine is overhauled after running 30,000 hours. This is costly and time-consuming process as it involves sending turbine back to Ukraine.
55. ▶ Bharat Heavy Electricals Ltd. (BHEL) signed pact with South Korean firm NANO Ltd for design and manufacture of SCR Catalysts for De-NOx application in coal-fired plants. It will enhance BHEL's offerings for emission control systems (De-NOx applications).
56. ▶ Bharat Petroleum Corporation Limited is setting up a LPG bottling plant in Balangir district in Odisha, capable of producing 42 lakh cylinders per year and will be operational from March 2020.
57. ▶ Bharat Sanchar Nigam Limited (BSNL) launched its first Internet telephony service Wings, to be on complete roll out from August 1, 2018. It also launched prepaid initiative in its landline offerings and a rent free landline connection for existing subscribers
 - ✎ To use Internet telephony through Wings, customer needs to install soft app on any of its smart devices, having internet to make and receive calls from anywhere in India and abroad with any party (mobile/landline). Through wings, customer can make or receive calls by using internet service of any operator.
 - ✎ This service will use mobile numbering scheme, provided using IP based access network of IMS NGN Core switches to allow users to make and receive calls over the Internet via their landline or mobile phone.
58. ▶ Bhitarkanika national park in Odisha became largest habitat of endangered estuarine crocodiles in India with a record number of 101 nesting sites.
59. ▶ Bhopal Smart City Development Corporation Ltd. (BSCDCL) launched India's first cloud-based Common Integrated Data Centre, Disaster Recovery Centre and Integrated Control and Command Centre (ICCC), powered by Hewlett Packard (HP). It will enable Madhya Pradesh State administration to administer multiple city civic utilities and citizen services across seven smart cities in state through central cloud.
 - ✎ 7 smart cities in state include Bhopal, Gwalior, Jabalpur, Indore, Ujjain, Satna, and Sagar.
60. ▶ Bhubaneswar (Odisha) became 4th National data centre of National Informatics Centre (NIC) after Delhi, Hyderabad and Pune. New cloud-enabled National Data Centre has ability to support 35000 virtual servers. NIC hosts nearly 10,000 websites of Government.
61. ▶ Bihar CM Nitish Kumar flagged off *Krishi Mahabhiyan-cum-Beej Vikas Vahan Rath*, to create awareness among farmers about government schemes during Kharif season (2 Rath for each district). One is 'Kharif Mahabhiyan-cum-Mahotsav Rath' that would travel to villages AND other is 'Beej (Seed)Vahan Vikas Rath' which would have Kharif seeds and pesticides for treatment of kharif crop.

63. ▶ Bihar Govt. Requested Centre for granting Special Category Status for state, stating that It will act as catalyst for private investment and will boost employment generation.

- ✎ Concept of SCS was introduced in 1969 by 5th Finance Commission (Chaired by Mahavir Tyagi), for states that were disadvantaged in contrast to others, because of their inherent features and low resource base. It is discretion of central govt. to give special favours to states.
 - ✎ Special Category States have special socio-economic, geographical problems, high cost of production with less availability of useful resources and hence low economic base for livelihood activities.
 - ✎ National Development Council accorded Special Category Status to 11 states - 7 North-East States (Arunachal Pradesh, Assam, Manipur, Meghalaya, Mizoram, Nagaland and Tripura), Sikkim, Jammu & Kashmir, Himachal Pradesh and Uttarakhand.
64. ▶ Bihar assembly passed Bihar Prohibition and Excise (Amendment) Bill 2018, making 16 amendments in Bihar Prohibition and Excise Act 2016, to dilute some stringent provisions. It removed mandatory jail term for first-time offence in case of consumption of liquor, with fine of 50,000 or 3 month jail term for 1st time drinker. But for subsequent offence, jail term of 1-5 years and fine of 1 lakh is provisioned. Several Other changes are also made.
 65. ▶ Bihar government launched new crop insurance scheme named *Bihar State Crop Assistance scheme*, to be effective from Kharif season 2018. Under this, farmers would get compensation of INR 7500 per hectare if less than 20% of crop is damaged. And if more than 20% of crop is damaged, INR 10000 would per hectare would be given as compensation.
 66. ▶ Bombay Stock Exchange (BSE) secured image trademark for its iconic building, Phiroze Jeejeebhoy Towers located on Dalal Street in Mumbai, under Trade Marks Act 1999. Henceforth no one can use images of the Phiroze Jeejeebhoy Towers for commercial purposes without consent from BSE or paying it licensing fee. BSE's Phiroze Jeejeebhoy Towers serves as barometer of Indian economy.
 67. ▶ CSIR- National Physical laboratory (NPL) signed MoU with Hindustan Petroleum Corporation Limited (HPCL) for indigenous development of petroleum certified reference materials (CRMs) under trade name of Bhartiya Nireadeshak Dravyas (BNDTM). It will make sure that highest standard quality ecosystem is maintained for petroleum products used by all stakeholders.
 68. ▶ Cab Aggregator Ola signed MoU with Haryana government to create 35000 job opportunities in state, as part of Saksham Haryana initiative.
 69. ▶ Cabinet Approvals (July 18, 2018) -
 - ✎ General Approvals -
 - ✎ Approved to make district magistrates (DMs), instead of courts, as final authority for approving adoptions. Courts are overburdened and take long time to approve adoptions. Since, DMs have information about adoption cases and have access to all departments, it is easier for DMs to take the process ahead faster.
 - ✎ Approved to grant Special Remission to Prisoners as part of commemoration of 150th birth anniversary of M K Gandhi to be observed in 2019. Prisoners to be considered for special remission are Male convicts of over 60 years of age (55 for Women and Transgender convicts) and who have completed 50% of their actual sentence period, Physically disabled convicts (70% disability) and more and who have completed 50% of their sentence period AND Terminally ill convicts.

 - ✎ Central Scheme for Assistance to Civilian Victims/Family of Victims of Terrorist/Communal/LWE Violence and Cross Border Firing and Mine/IED blasts on Indian Territory'.
 - ✎ Approved DNA Technology (Use and Application) Regulation Bill 2018, aimed at expanding application of DNA-based forensic technologies to strengthen justice delivery system of country.
 - ✎ By providing for the mandatory accreditation and regulation of DNA laboratories, Bill ensures that with proposed expanded use of this technology in country, there is also assurance that DNA test results are reliable and data remain protected from misuse or abuse in terms of the privacy rights of our citizens.
 - ✎ Approved India's accession to WIPO Copyright Treaty, 1996 and WIPO Performers and Phonograms Treaty, 1996 which extends coverage of copyright to the internet and digital environment. These treaties will help India to enable creative right-holders enjoy fruit of their labour, through international copyright system that can be used to secure return on investment made in producing and distributing creative works.
- ✎ Cabinet Committee on Economic Affairs (CCEA) Approvals -
 - ✎ Approved expanding scope of Higher Education Financing Agency (HEFA) by enhancing its capital base to 10000 crores and asking it to mobilise 10000 crores for Revitalizing Infrastructure and Systems in Education (RISE) by 2022. CCEA also approved infusing additional Government equity of 5,000 crore (in addition to 1,000 crore already provided) in HEFA. This would enable addressing the needs of all educational institutions with differing financial capacity in an inclusive manner

- Approved increase in Minimum Support Prices (MSPs) for all 14 kharif crops for 2018-19 Season, ensuring minimum 50 % profit for farmers. Crops are - Paddy, Jowar, Bajra, Ragi, Maize, Arhar(Tur), Moong, Urad, Groundnut, Sunflower Seed, Soyabean, Sesamum, Nigerseed and Cotton. It will cost INR 15000 Crores to the Government.

- Updated MSPs for Kharif Crops are -

Crop	Earlier MSP	New MSP	% Rise
Paddy	1550	1750	12.90
Jowar	1700	2430	42.94
Bajra	1425	1950	36.84
Ragi	1900	2897	52.47 (Most Increase)
Maize	1425	1700	19.30
Arhar(Tur) -	5450	5675	4.13
Moong	5575	6975	25.11
Urad	5400	5600	3.70
Groundnut	4450	4890	9.89
Sunflower Seed	4100	5388	31.42
Soyabean	3050	3399	11.44
Sesamum	5300	6249	17.91
Nigerseed	4050	5877	45.11
Cotton	4020	5150	28.11

- Several Farmer Friendly Initiatives taken by govt. are -

- Premium rates to be paid by farmers are very low - 2 % of sum insured for all kharif crops, 1.5% for all rabi crops and 5 % for commercial and horticulture crops. Government launched Mobile App *Crop Insurance*, to help farmers to find out details about insurance cover available in their area and to calculate insurance premium for notified crops
- Government launched a scheme to develop a pan India electronic trading platform under 'National Agriculture Market' (NAM) aiming to integrate 585 regulated markets with common e-market platform in order to facilitate better price discovery and ensure remunerative prices to farmers.
- Government formulated a new model Agricultural Produce and Livestock Marketing (Promotion & Facilitation) Act, 2017 to provide farmers market options beyond the existing APMC regulated market yards.
- Soil Health Cards are being issued to farmers, renewed every 2 years. SHC provides information on fertility status of soil and a soil test based advisory on use of fertilizers. Over 15 crore Soil Health Cards have been distributed.
- Under Paramparagat KrishiVikasYojana (PKVY), Government is promoting organic farming and development of potential market for organic products.
- Pradhan Mantri Krishi Sinchai Yojana is being implemented to extend coverage of irrigation 'HarKhetkoPani' and improving water use efficiency 'Per Drop More Crop ' in a focused manner.
- Government is focusing on improving productivity of crops such as rice, wheat, coarse grains and pulses under National Food Security Mission.
- A dedicated online interface e-KrishiSamvad provides direct and effective solutions to problems faced by farmers.
- Government is encouraging formation of Farmer Producer Organisations. Budget for 2018-19 has extended a favourable taxation treatment to Farmer Producers Organisations (FPQs) for helping farmers aggregate their needs of inputs, farm services, processing and sale operations.
- Government has set up a buffer stock of pulses and domestic procurement of pulses is also being done under Price Stabilization Fund (PSF), mainly to protect consumers. It aims to ensure that farmers should get full benefit of increased MSPs. For this, it is essential that if price of agriculture produce market is less than MSP, Government should purchase either at MSP or work in a manner to provide MSP for farmers through some other mechanism.
- A handbook for women farmers 'Farm Women Friendly Hand Book' containing special provisions and package of assistance which women farmers can claim under various ongoing Schemes has been brought out.
- With above measures taken, Government has set a target to double the farmers' Income by 2022.
- Approved extension of scheme of recapitalization of Regional Rural Banks (RRBs) for upto 2019-20. It will enable RRBs to maintain minimum prescribed Capital to Risk Weighted Assets Ratio (CRAR) of 9 %.
 - 56 RRBs are functioning in the country. As on 31st March, 2017, credit given by RRBs is 2,28,599 crores.
 - Scheme of Recapitalization of RRBs started in FY 2010-11 and was extended twice in 2012-13 and 2015-16. Amount of 342.80 crores will be utilized to provide recapitalization support to RRBs whose CRAR is below 9%.

- ✎ First regional rural bank was 'Prathama Bank' that was established on 2nd October, 1975 in Moradabad (UP). RRBs are jointly owned by Government of India, concerned State Government and Sponsor Banks with capital shared in proportion of 50%, 15% and 35% respectively.

71. ▶ Cabinet Approvals (June 06, 2018) -

✎ CCEA (Cabinet Committee on Economic Affairs) Approvals -

- ✎ Approved construction of 9.9 km long new 6 - lane bridge across river Ganga on NH - 96 at Phaphamau in Allahabad with total cost of INR 1948 crores, to be completed by December 2021. It will resolve the traffic congestion on existing old 2 - lane Phaphamau bridge on NH-96 at Allahabad. This will also boost pilgrimage and local economy of Holy city of Prayag.
- ✎ Implementation of Phase-3 of Off-grid and Decentralised Solar PV (Photo Voltaic) Application Programme to achieve additional 118 MWp(Mega Watt peak) off-grid solar PV capacity by 2020. Off-grid solar systems will also open better livelihood opportunities for beneficiaries in remote areas, increasing self-employment. Implementation of Phase-III is likely to generate employment opportunity equivalent to 8.67 lakh man-days. It will Cover -
 - ✎ 300000 solar street lights will be installed across country.
 - ✎ Solar power plants of individual size up to 25 kWp(kilo Watt peak) will be promoted in areas where grid power has not reached or is not reliable. Aggregated capacity of solar power plants would be 100 MWp.
 - ✎ 2500000 solar study lamps will be provided in North Eastern States and LWE affected districts.
 - ✎ Total project of the three components included under the phase 3 is INR 1895 crores of which INR 637 crores will be provided as central financial assistance.

✎ General Approvals -

- ✎ Release of Joint Stamps between with Russia, to establish postal cooperation.
- ✎ Approved revision in wage structure of Gramin Dak Sevaks (GDS), with expenditure of INR 1258 crores during 2018-19, benefitting . 3.07 lakh Gramin Dak Sevaks. GDSs have been brought under two categories - Branch Postmasters (BPMs) and Assistant Branch Postmaster (ABPMs). Present 11 TRCA slabs will be merged into 3 TRCA Slabs with two levels each for BPMs and other than BPMs. Introduction of new Time Related Continuity Allowance (TRCA).
- ✎ Approved Polar Satellite Launch Vehicle (PSLV) Continuation Programme (Phase 6) and funding of thirty PSLV operational flights under the Programme, with total fund requirement of INR 6131 Crores.
 - ✎ PSLV Continuation Programme was sanctioned in 2008, with four phases completed and fifth phase to be completed by Q2 of 2019-20. Phase 6 approval will cater to launch of satellite missions during Q3 of 2019-20 to Q1 of 2023-2, with frequency of up to 8 launches per year.
- ✎ Approved Geosynchronous Satellite Launch Vehicle Mark-III (GSLV Mk-III) continuation programme (Phase-I) consisting of ten (10) GSLV (Mk-III) flights, at a total estimated cost of Rs. 4338 crores.
 - ✎ The GSLV Mk-III continuation Programme – Phase 1 is first phase of operational flights that will enable launch of 4 tonne class of communication satellites to meet country's satellite communication requirements, during 2019-2024.
 - ✎ It will meet launch requirement of communication satellites to meet national demand for High Throughput Satellites for rural broadband connectivity, increase and sustain the availability of transponders for DTH, VSAT and Television broadcasters.
- ✎ Approved several measures worth approx INR 8500 crores, to improve liquidity of sugar mills resulting in accumulation of huge cane price arrears of farmers.
 - ✎ Creation of buffer stock of 30 LMT of sugar for 1 year and to incur estimated expenditure of 1175 crores.
 - ✎ To fix minimum selling price of white / refined sugar at mill gate below which no white / refined sugar can be sold by a sugar mill in domestic market. Minimum selling price of white/refined sugar shall be initially fixed at Rs.29/kg which can be revised by DFPD based on revision of FRP etc.
 - ✎ To up-grade existing distilleries attached to sugar mills by installing incineration boilers and setting up new distilleries in sugar mills. Government will bear interest subvention of maximum 1332 crores over 5 years on bank loans amounting 4440 crores to be sanctioned to sugar mills by banks.

✎ MOUs -

- ✎ With Netherlands on technical cooperation in Spatial Planning, Water Management and Mobility Management.
- ✎ With Denmark on technical cooperation in Sustainable and Smart Urban Development.
- ✎ With United Kingdom, France on technical cooperation in Sustainable Urban Development.
- ✎ With Oman on Cooperation in peaceful uses of outer space.

72. ▶ Cabinet Approvals (June 13, 2018) -

MOUs -

- Joint issue of a postage stamp between Department of Posts of India and Vietnam.
- MoU signed between Indian Council of Medical Research (ICMR) and Institut National de la Santeet de la Recherche Medicale (INSERM) of France. It aims at cooperation in areas of common interest within medical, life sciences and health research fields.

General Approvals -

- Permitted HDFC Bank to raise additional share capital of up to a maximum of 24000 crores, over previous approved limit of 10000 crores. Provided that Composite foreign shareholding in Bank shall not exceed 74% of paid-up equity share capital.
- Approved continuation of 3 Year Action Plan (2017-2020) of scheme for Agricultural Education Division and ICAR Institutes with outlay of INR 2225 crores. It is aimed to generate quality human resources from the institutions of higher agricultural education. It comprises of -
 - Strengthening and Development of Higher Agricultural Education in India - 2050 crores
 - ICAR-National Academy of Agricultural Research Management (NAARM) - 24 crores
 - ICAR - Central Institute of Women in Agriculture (CIWA) including All India Coordinated Research Project on Home Science (AICRP-HS) - 151 crores.
- Approved withdrawal of Nalanda University (Amendment) Bill 2013 (pending in Rajya Sabha). Nalanda University was established after a Joint Press Statement at 4th East Asia Summit in Thailand in October 2009. Present proposal is for withdrawing Nalanda University (Amendment) Bill 2013, which is aimed at amending certain existing provisions of Nalanda University Act 2010.
- Approved introduction of Dam Safety Bill 2018 in Parliament. It will help States and UTs to adopt uniform dam safety procedures which shall ensure safety of dams and safeguard benefits from such dams. The Bill provides for -
 - Constitution of a National Committee on Dam Safety which shall evolve dam safety policies and recommend regulations.
 - Establishment of National Dam Safety Authority as a regulatory body which shall implement guidelines and standards for dam safety.
 - Constitution of a State Committee on Dam Safety by State Governments.
- Approved nomination of Home Minister as Chairman of North Eastern Council (NEC), and Minister of State (Independent Charge) in Ministry of DoNER as Vice Chairman of NEC. NEC has Governors and CMs of all 8 North Eastern State as its members. Presently, Rajnath Singh is Home Minister and Jitendra Singh is Minister of State (IC) in Ministry of DoNER.

73. Cabinet Approvals (May 01, 2018) -

General Approvals -

- Approved doubling investment limit from INR 7.5 lakhs to 15 lakhs and extending time limits for subscription from May 4, 2018 to Mar 31, 2020 under Pradhan MantriVayaVandanYojana (PMVVY). It will enable upto Rs.10000 Pension per month for Senior Citizens.
 - PMVVY is implemented through Life Insurance Corporation of India (LIC) to provide social security during old age and protect elderly persons aged over 60 years . It provides assured pension based on a guaranteed rate of return of 8% per annum for 10 years.
- Approved construction of 100 bedded General Hospital at Rural Health Training Centre (RHTC) Najafgarh in New Delhi at cost INR 95 Crores.
- Approved Restructuring of Indian Bureau of Mines (IBM) by abolition of certain posts of Joint Secretary-level and above, with cadre strength Unchanged.
- Approved Cadre review and formation of Group 'A' service of technical cadre of Petroleum & Safety Organization (PESO) in name *Indian Petroleum & Explosives Safety Service (IPESS)*, to enhance capacity of organization.
- Approved promulgation of Ordinance to amend a law for speedy disposal of commercial disputes, aimed at improving India's ranking in World Bank's ease of doing business index. It will bring down specified value of commercial dispute to INR 3 lakh from 1 crore. It also aims to bring down time taken from present 1,445 days in resolution of commercial disputes of lesser value.

Cabinet Committee on Economic Affairs (CCEA) Approvals -

- Approved upgradation of infrastructure at Chennai, Guwahati and Lucknow airports at a total cost of INR 5,082 crores. Chennai airport would get max INR 2,467 crores, while Guwahati and Lucknow airports would get INR 1,383 and 1,232 crores.
- Approved to provide financial assistance @ of Rs. 5.50 per quintal (INR 55 per Ton) of cane crushed in sugar season 2017-18 to sugar mills to offset cost of cane, in order to help sugar mills to clear cane dues of farmers, which have accumulated upto 19000

Crores INR

- ✎ Approved Umbrella Scheme *Green Revolution – Krishonnati Yojana* for period 2017-18 to 2019-20 with Central Share of INR 33270 crores. It comprises of 11 Schemes.
 - ✎ Mission for Integrated Development of Horticulture (MIDH) - Central share of INR 7533.04 crores, MIDH aims to promote holistic growth of horticulture sector.
 - ✎ National Food Security Mission (NFSM), including National Mission on Oil Seeds and Oil Palm (NMOOP) - Central share of INR 6893.38 crores. It aims to increase production of rice, wheat, pulses, coarse cereals and commercial crops, through area expansion and productivity enhancement.
 - ✎ National Mission for Sustainable Agriculture (NMSA) - Central share of Rs.3980.82 crore. It aims at promoting sustainable agriculture practices best suitable to specific agro-ecology.
 - ✎ Submission on Agriculture Extension (SMAE) - Central share of 2961.26 crores. SMAE aims to strengthen ongoing extension mechanism of State Governments, local bodies etc., achieving food and nutritional security and socio-economic empowerment of farmers.
 - ✎ Sub-Mission on Seeds and Planting Material (SMSP) - Central share of 920.6 crores. SMSP aims to increase production of certified seed, upgrade quality of farm saved seeds, strengthen seed multiplication chain and promote new technologies and methodologies in seed production.
 - ✎ Sub-Mission on Agricultural Mechanisation (SMAM) - Central share of 3250 crores. SMAM aims to increase reach of farm mechanization to small and marginal farmers and to regions where availability of farm power is low.
 - ✎ Sub Mission on Plant Protection and Plant Quarantine (SMPPQ) - Central share of 1022.67 crores. SMPPQ aims to minimize loss to quality and yield of agricultural crops from ravages of insect pests, diseases, weeds, nematodes, rodents, etc.
 - ✎ Integrated Scheme on Agriculture Census, Economics and Statistics (ISACES) - Central share of 730.58 crores. It aims to undertake agriculture census, study of cost of cultivation of principal crops, undertake research studies on agro-economic problems.
 - ✎ Integrated Scheme on Agricultural Cooperation (ISAC) - Central share of 1902.636 crores. It aims to provide financial assistance for improving economic conditions of cooperatives, remove regional imbalances and to speed up - cooperative development in agricultural marketing.
 - ✎ Integrated Scheme on Agricultural Marketing (ISAM) - Central share of 3863.93 crores. ISAM aims to develop agricultural marketing infrastructure, promote innovative and latest technologies and competitive alternatives in agriculture marketing.
 - ✎ National e-Governance Plan (NeGP-A) - Central share of 211.06 crores. It aims to bring farmer centricity & service orientation to programmes, to enhance reach & impact of extension services and improve access of farmers to information & services.
 - ✎ These sub schemes/missions were approved independently as separate scheme/mission. In 2017-18, it was decided to club all these under one umbrella scheme known as *Green Revolution - Krishonnati Yojana*.
- ✎ Approved Continuation of Pradhan Mantri Swasthya Suraksha Yojana (PMSSY) beyond 12th Five Year Plan to 2019-20, with financial outlay of INR 14832 crores. Under this, new AIIMS are established and Government medical colleges are upgraded. It will lead to employment generation for nearly 3000 people in various faculty & non-faculty posts in each of AIIMS.
 - ✎ Under this extension, 20 new All India Institute of Medical Sciences (AIIMS) will be established and 73 medical colleges will be upgraded.
- ✎ Approved renaming and restructuring of Multi-sectoral Development Programme (MsDP) as Pradhan Mantri Jan Vikas Karyakram (PMJVK), along with continuation during remaining period of 14th Finance Commission (Till 2020).
 - ✎ PMJVK would provide better socio economic infrastructure facilities to minority communities, particularly in education, health & skill development.
 - ✎ Criteria for identification of Minority Concentration Towns have been rationalized by lowering population % criteria of Minority Communities (50 % to 25%) and fulfilment of parameters as Given -
 - ✎ Earlier Towns which were backward in terms of both in Basic Amenities and Socio-economic parameters were taken as MCTs. Now, Towns which were found backward in either or both of criteria have been taken up as MCT.
 - ✎ Area to be covered under PMJVK would be 57% more as compared to MsDP. MsDP covered 196 districts, while PMJVK will cover 308 districts.
 - ✎ Expenditure for continuation of programme as PMJVK will be INR 3972 crores.

- ✎ It aims to address development deficits in identified minority concentration areas. Inclusion of Minority Concentration District HQs with Minority Concentration Towns having population over 25000, Minority Concentration Blocks and Cluster of Villages as per Census, 2011 data, will extend coverage.
- ✎ PMJVK would cover 5 more States/UTs - Himachal Pradesh, Tamil Nadu, Nagaland, Goa and Pondicherry.
- ✎ Minority Concentration Areas of 61 districts out of 115 Aspirational districts have been covered under PMJVK.
- ✎ Area covered under PMJVK will have 109 MCD Hqrs., 870 MCBs and 321 MCTs.

✎ **MOUs and Foreign Approvals -**

- ✎ Approved Mutual Recognition Agreement between Institute of Chartered Accountants of India (ICAI) and South African Institute of Chartered Accountants (SAICA).
- ✎ Approved to accede to Protocol under World Health Organization (WHO) Framework Convention on tobacco control to eliminate illicit trade in tobacco products.

74. ▶ Cabinet Approvals (May 16, 2018) -

✎ Foreign MOUs -

- ✎ France - Technical Cooperation in railways.
- ✎ Morocco - legal Matters, Mining and Geology.
- ✎ Swaziland - Health and Medicine
- ✎ Colombia - Traditional Systems of Medicine.
- ✎ Suriname - Electoral management and administration
- ✎ Equatorial Guinea - Traditional Systems of Medicine
- ✎ With Brunei Darussalam for Exchange of Information and Assistance in Collection with respect to Taxes.

✎ General Cabinet Approvals -

- ✎ Establishing a **New Central University in Andhra Pradesh**, named *Central University of Andhra Pradesh*, in Jantnaluru Village of Ananthapur District (Andhra Pradesh). INR 450 crores are approved for first phase expenditures.
 - ✎ Cabinet approved its operationalization initially by forming a society under Societies Registration Act 1860, till amendment to Central Universities Act 2009 is enacted and to enable commencement of academic activities from 2018-19.
- ✎ Setting up a **new All India Institute of Medical Sciences (AIIMS) in Deoghar (Jharkhand)**. INR 1103 crores have been approved for it and it will be set up under Pradhan Mantri Swasthya Suraksha Yojana (PMSSY).
- ✎ **Establishment of National Institute of Mental Health Rehabilitation (NIMHR)** at Bhopal (MP) as a Society under Societies Registration Act 1860, under Department of Empowerment of Persons with Disabilities. Estimated cost is Rs. 179.54 crore in first three years. NIMHR will provide rehabilitation services to persons with mental illnesses. It will have 9 Departments and will conduct 12 courses in area of mental health rehabilitation.
- ✎ Approved **strengthening of mechanism for resolution of commercial disputes** of Central Public Sector Enterprises (CPSEs) -
 - ✎ New 2 tier mechanism will be put in place of existing Permanent Machinery of Arbitration (PMA) mechanism to resolve commercial disputes (excluding disputes concerning Railways, Income Tax, Custom & Excise Departments).
 - ✎ At First level, commercial disputes will be referred to a Committee comprising of Secretaries of administrative Ministries / Departments to which disputing CPSEs / Parties belong and Secretary in Deptt. of Legal Affairs. Max time at 1st Level is 3 Months.
 - ✎ If unresolved at 1st Tier, dispute will be referred to Cabinet Secretary, whose decision will be final.
- ✎ Approved **National Policy on Biofuels 2018**, to promote biofuels, that are more environment friendly and match up well with ongoing initiatives of Government like Make in India, Skill Development and Swachh Bharat Abhiyan. Salient features Include -
 - ✎ Salient Features -
 - ✎ Categorises of biofuels -
 - ✎ Basic Biofuels - First Generation (1G) bioethanol and biodiesel.
 - ✎ Advanced Biofuels: Second Generation (2G) ethanol, Municipal Solid Waste (MSW) to drop-in fuels, Third Generation (3G) biofuels, bio-CNG etc.
 - ✎ Expansion scope of raw material for ethanol production - It allows use of sugarcane juice, sugar containing materials like sweet sorghum, sugar beet, starch containing materials like corn, cassava, damaged food grains like broken rice, wheat, rotten potatoes, unfit for human consumption for ethanol production.

- ✎ Allows use of surplus food grains for production of ethanol for blending with petrol with approval of National Biofuel Coordination Committee.
- ✎ Viability gap funding scheme indicated for 2G ethanol Bio refineries of 5000 crores in 6 years for giving special emphasis to advanced biofuels.
- ✎ Encourages setting up of supply chain mechanisms for biodiesel production from non-edible oilseeds, used cooking oil, short gestation crops.
- ✎ Expected Benefits Of Policy -
 - ✎ Reduce Import Dependency.
 - ✎ Cleaner Environment - will reduce CO2 emissions and Green House Gas emissions.
 - ✎ Health benefits - Using cooking oil as a potential feedstock for biodiesel will prevent diversion of used cooking oil in the food industry.
 - ✎ Municipal Solid Waste (MSW) Management - One ton of such waste has potential to provide around 20% of drop in fuels.
 - ✎ Infrastructural Investment in Rural Areas - Addition of 2G bio refineries across country will spur infrastructural investment in rural areas.
 - ✎ Employment Generation - Setting up one 100klpd 2G bio refinery contributes to 1200 jobs in plant operations, village level entrepreneurs and supply chain management.
 - ✎ Additional Income to Farmers - Adopting 2G technologies for producing biofuels, agricultural residues and waste which otherwise are burnt by farmers can be converted to ethanol. Through this process farmers can fetch price for these waste.
- ✎ Cabinet Committee on Economic Affairs (CCEA) Approvals -
 - ✎ Approved Development of Freight Village, an Integrated Multi Modal Logistics Hub (IMLH), Nangal Chaudhary (Haryana), in two phases. Sanction of 1029 crore for development of Phase I has been approved. Investment of 763 crore by National Industrial Corridor Development and Implementation Trust (NICDIT).
 - ✎ Approved **enhancement of budget by 11,330 crores for Network For Spectrum (NFS) project** for laying alternate communication network for Defence Services for release of spectrum over INR 13,334 crore already approved by Cabinet Committee on Infrastructure in July 2012. Project, being implemented by BSNL, will be completed in 24 months. NFS project will boost communication capabilities of Defence Forces.
 - ✎ Approved initial Corpus of INR 5000 crores for setting up of a dedicated **Micro Irrigation Fund (MIF) with NABARD** under Pradhan Mantri Krishi Sinchayee Yojana (PMKSY).
 - ✎ Allocation of 2,000 crore and 3,000 crore will be utilised during 2018-19 and 2019-20 respectively. NABARD will extend loan to State Governments during this period, to be paid back in 7 years (with grace period of 2 years). Lending rate will be 3% lower than cost of raising fund by NABARD.
 - ✎ Dedicated MIF will supplement efforts of Per Drop More Crop Component (PDMC) of PMKSY.
 - ✎ Fund will facilitate States to mobilise resources for their initiatives, to achieve annual target of about 2 Million ha/year during remaining period of 14th Finance Commission under Per Drop More Crop Component of PMKSY.
 - ✎ Approved extension of Delhi Metro from Noida City Centre to Sector-62 (Noida - UP) covering 6.675 KM at cost INR 1967 crore.

75. ▶ Cabinet Approvals (May 23, 2018) -

- ✎ MOUs -
 - ✎ Angola - Electronics and Information Technology
 - ✎ France, Morocco - Renewable Energy
 - ✎ Denmark - Food Safety Cooperation
 - ✎ Singapore - Personnel Management and Public Administration
 - ✎ Turkey - Trade in poppy seeds to ensure quick and transparent processing for import of poppy seeds from Turkey
- ✎ General Cabinet Approvals -
 - ✎ Approved a Comprehensive Telecom Development Plan (CTDP) for North Eastern Region (NER) in Meghalaya, at cost of INR 3911 crores to be funded by Universal Service Obligation Fund (USOF). Features Include Provision of 2G+4G mobile coverage in uncovered areas and National Highways in Meghalaya. It will increase penetration of mobile connectivity in Meghalaya, resulting in equitable access of communication, information and governance.

- ✎ Approved *Universal Service Obligation Fund [USOF]* supported scheme to provide mobile services at 4072 tower locations identified by MHA in inhabited uncovered areas affected by Left Wing Extremism [LWE] of 96 districts in 10 States for Phase-II project, with cost approx 7330 Crores. It would be used by security personnel deployed in LWE affected areas and will also provide mobile services to residents in unconnected inhabited villages.
- ✎ Approved an ordinance to set up country's first national sports university in Imphal (Manipur), on lines of National Sports University Bill 2017 which is pending in Parliament. Proposed university is expected to bridge gap that exists in sports environment of country in various areas such as sports science, sports technology, high performance training.
- ✎ Cabinet Committee on Economic Affairs Approvals (CCEA) -
 - ✎ Approved restructuring of balance sheet of Scooters India Limited Lucknow, by reducing equity of INR 85.21 crores in share capital of SIL held by Government, amid consistent accumulation of losses.
 - ✎ Approved amending Insolvency and Bankruptcy Code 2016 (IBC), giving relief to homebuyers who invested in housing projects of real estate companies that have gone bankrupt -
 - ✎ Committee of creditors voting rights of resolution plans will be limited to 66 % from earlier threshold of 75 %, to speed up the resolution process.
 - ✎ Withdrawal of insolvency application will be allowed, if 90 % of creditors agree.
 - ✎ Promoters of companies with turnover of up to Rs 250 crore will be allowed to bid. Earlier, they were barred from bidding as government feared that they will walk away with stressed assets at a discount.
 - ✎ Waiving Penal Interest on Government Loans to -
 - ✎ Visakhapatnam Port Trust (VPT) - 250.89 crores of Penal Interest to be waived, although VPT will pay outstanding Principal of INR 44.69 crores. Visakhapatnam Port Trust (VPT) availed INR 110.41 crore of loan during 1970-71 to 1984-85. VPT could not pay interest during 1979-80 to 1989-90 due to revenue losses, accumulating huge amount of Penal Interest.
 - ✎ Paradip Port Trust (PPT) - 1076.59 crores of Penal Interest to be waived, although PPT will pay outstanding Principal of INR 387.74 crores. Paradip Port Trust (PPT) availed INR 642.69 crore of loan during 1967 to 2002. PPT could not pay start repayment on time due to revenue losses, accumulating huge amount of Penal Interest.
- 76. ▶ Central Oil PSUs IOCL, ONGC, GAIL, OIL, and NRL signed agreement for executing 1500 Km North-East Natural Gas Pipeline Grid, to connect all North-East States to National Gas Grid, under Urja Ganga Gas Pipeline Project. JV will have equal equity contribution from all partners. Expenditure is INR 6000 crores and is scheduled to complete by 2022 in three phases.
 - ✎ Urja Ganga Gas Pipeline Project was launched in October 2016 with an aim to provide piped cooking (PNG) gas to residents of eastern region of country and CNG gas for vehicles. It envisaged laying 2,050-km pipeline connecting Jagdishpur (UP) to Haldia (West Bengal) by 2018, covering UP, Bihar, Jharkhand, West Bengal and Odisha.
- 77. ▶ Central Reserve Police Force (CRPF) launched *Saathi* mobile help centre to reach out to people undertaking annual pilgrimage to 3,880-metre high holy cave shrine of Amarnath.
- 78. ▶ Central Reserve Police Force launched 'Madadgaar Helpline', a distress helpline for the people of Jammu and Kashmir, with helpline number 14411.
- 79. ▶ Central Water Commission (CWC) signed agreement with Google for flood forecasting and dissemination of flood related information to masses, to help crisis management agencies to better handle extreme hydrological events, under National Hydrology Project (NHP).
 - ✎ CWC will use technological advances made by Google in Artificial Intelligence (AI), Machine Learning and geo-spatial mapping for effective management of water resources.
 - ✎ Google also rolled out an offline mode for Android users, to enable surfing web with Chrome even without a constant internet connection. Users who are signed into Chrome can also access relevant articles, based on browsing history.
- 80. ▶ Centre and state governments of Tripura and Mizoram signed agreement for repatriation of thousands of people belonging to Bru community from Tripura to Mizoram. Over 3200 people living in refugee camps in Jampui Hills of Tripura for two decades are being replaced to Mizoram before October 2018.
- 81. ▶ Centre for Railway Information System (CRIS) developed a mobile based application *utsonmobile*, with features -
 - ✎ It enables booking of unreserved tickets, issue and renewal of season and platform tickets, check and load R-wallet balance and helps maintain user profile management and booking history.
 - ✎ Upon registration, Railway Wallet (R-Wallet) will be created. R-Wallet can be recharged online (<https://www.utsonmobile.indianrail.gov.in>) or at any of UTS counters.
 - ✎ No advance ticket booking is allowed (Journey date will always be current date).
 - ✎ No need to carry hardcopy of ticket.

 - ▶ Rajasthan (526 Crores) affected by kharif drought during 2017.
187. ▶ Human Resource Development Prakash Javadekar Minister launched *Samagra Shiksha* - an integrated Scheme for school education extending support to States from pre-school to senior secondary levels for first time It will treat *school* holistically as a continuum from pre-school, primary, upper primary, secondary and senior secondary levels.
- ▶ It focuses on improving quality of education at all levels by integrating two T's – Teachers and Technology.
 - ▶ Earlier budget on 3 education schemes (SSA, RMSA and Teacher Education) was 28,000 crores in 2017-18. But, budget outlay on new scheme will be 34,000 crore in 2018-19 and 41,000 crores in 2019-20.
 - ▶ 10 Lakh schools will get library grant of 5,000 to 20,000 to strengthen libraries.
 - ▶ Every school will get sports equipment under *Samagra Shiksha* - 5000 for Primary, 10,000 for Upper Primary & up to 25,000 for SSC & HSC schools.
 - ▶ Kasturba Gandhi Balika Vidyalaya (KGBV) will be expanded from Class 6-8 to Class 6-12 with 4385.60 crores in 2018-19 & 4553.10 crores in 2019-20.
 - ▶ *DIKSHA* - national digital platform for teachers would put high quality teaching learning resources for ready use of teachers.
- Samagra Shiksha* Scheme will support 'Operation Digital Board' in all secondary schools over a period of 5 years, so as to enhance use of digital technology through smart classrooms. Digital initiatives like ShaalaKosh, Shagun, ShaalaSaarthi will be strengthened.
188. ▶ IFFCO launched e-commerce platform IFFCO iMandi to address needs of 5.5 Crores farming community associated with it, in partnership with Singapore-based technology firm iMandi. Through this, IFFCO is targeting to reach GMV (gross merchandise value) of \$5 billion in 2 years. Using it, farmers buy all agri inputs of IFFCO, including fertilisers, agro chemicals and seeds at discounted price and get free delivery at their doorstep.
189. ▶ ISRO partnered with J&K's Directorate of Health Services-Kashmir (DHS-K) to set up a telemedicine center at an altitude of 12,700 feet to provide service to pilgrims en route to Amarnath shrine.

190. ▶ India Meteorological Department (IMD) teamed up with Bharat Sanchar Nigam Limited (BSNL) to send extreme weather alerts to people. BSNL and IMD will send area-specific alerts to users if they happen to be at place likely to experience extreme weather conditions, even if their phone numbers do not belong to that particular telecom circle.
191. ▶ India Meteorological Department (IMD) will add 30 more doppler radars in 2 years, with 14 in northeast, 4 in Jammu and Kashmir and 3 each will be Uttarakhand and Himachal Pradesh.
- ▶ Doppler radar is an observational tool used for precisely monitoring and predicting severe weather events such as hailstorms, thunder storms, cyclones and tornados.
 - ▶ It uses Doppler effect by bouncing microwave signal off desired target to produce velocity data.
 - ▶ It mainly gives information about wind velocity and precipitation. Doppler radar has radius of 250 km and helps in issuing forecasts two-three hours prior to severe weather conditions.
 - ▶ First Doppler radar in India was installed in Chennai, Tamil Nadu in 2002. There are currently 27 Doppler radars in country.
192. ▶ India launched 9th and biggest ever auction of City Gas Distribution (CGD) networks, offering permits to companies for selling Compressed Natural Gas (CNG) and Piped Natural Gas (PNG) in 86 geographical areas.
- ▶ Companies with net worth over 150 crore can bid for cities with a population of 50 lakh and more. Companies with 100 crore net worth can bid for cities with 20 lakh to 50 lakh population and firms with Rs 5 crore net worth can bid for cities with under 10 lakh population.
193. ▶ India will get its first national police museum in Lutyens Delhi, depicting history of central and state police forces. It will be inaugurated on Police Commemoration Day, which is held on October 21.
- ▶ Also, A National Tribal Museum along with a National Level Tribal Research Institute will also be set up in Delhi.
194. ▶ Indian IT industry apex body NASSCOM (National Association of Software & Services Companies) opened Centre of Excellence for Data Science and Artificial Intelligence (CoE-DSAI) in Bengaluru (Karnataka). to nurture innovation in emerging disruptive technologies such as AI and to leverage the power of data science.
- ▶ NASSCOM also signed MoU with NITI Aayog to collaboratively foster applied research, accelerating adoption and ethics, privacy and security.
195. ▶ Indian IT industry's apex body NASSCOM (National Association of Software & Services Companies) has launched 'Women Wizards Rule Tech' programme to increase number of women in senior levels in Information Technology (IT) industry.
196. ▶ Indian Institute of Technology (IIT) Kanpur developed TreadWill, an online tool to help people cope with issues related to mental health. This website designed to help people deal with stress, low mood, lethargy and other depressive symptoms through different online exercises, questionnaires and games.
197. ▶ Indian Institute of Technology – Banaras Hindu University (Varanasi) and Amazon Internet Services Private Limited (AISPL) signed MoU to develop cloud-ready job skills by providing access to AWS Educate program and to help establish a Cloud Research Lab on Artificial Intelligence (AI) and Machine Learning (ML). Cloud Research Lab will provide students with opportunities to use AWS Cloud technology to pursue research initiatives that focus on AI and ML innovation for India.
198. ▶ Indian Pharmacopoeia Commission (IPC) approved animal-free tests for drug manufacturers. It replaces pyrogen test carried out on rabbits and abnormal toxicity test carried out on guinea pigs and mice with tests that can be done in test tubes. These guidelines will come into effect from July 1, 2018.
- ▶ Pyrogen test will be replaced by bacterial endotoxin test or monocyte activation test which can be carried out in test tubes.
 - ▶ It is carried out to check impurity that can cause adverse side-effects. Drug is injected into rabbit and it is closely observed for feverish symptoms.
 - ▶ For abnormal toxicity test, Vaccine manufacturers can apply for waiver by getting compliance certificate from National Control Laboratory.
 - ▶ This test is carried out to check hazardous biological contamination in vaccine formulations. In this, mice or guinea pigs are injected with vaccine. The scientists observe if there is death of any animal.
199. ▶ Indian Railways eliminated all unmanned level crossings (UMLC) from its four zones - West Central, Central, Eastern and South East Central Railways, aggregating 11,545 route kilometers that are now UMLC free on broad gauge route. Railways has target of September 2018 for eliminating UMLC in 11 zones of its total 16 zones. For remaining zones, target is set before 2020.
200. ▶ Indian Railways launched first consolidated Bridge Management System (IR-BMS), with data on its 1.5 lakh bridges. IR-BMS aims for meaningful assimilation, analysis and dissemination of information related to various activities about its bridges.
201. ▶ Indian Railways organized a programme on Ethics in Public Governance and Launched "Mission Satyanishtha", at National Rail Museum in New Delhi. It aims to sensitize all railway employees about need to adhere to good ethics and to maintain high standards of integrity at work.

203. ▶ Indian government approved terms of net neutrality, allowing internet to remain unrestricted and non-discriminatory. Net neutrality implies that telecom service providers must treat all internet traffic equally, without any regard to the type, origin or destination of content. Govt. Also approved installation of around 12.5 lakh WiFi hotspots in all gram panchayats with funding of 6000 crores by December 2018.
204. ▶ India's first automated and organised vehicle scrapping and recycling facility set up in Greater Noida by Mahindra & Mahindra Limited through a joint venture with MSTC Limited.
205. ▶ India's first private sector unit for manufacturing Unmanned Air Vehicles (UAV) and light bulletproof vehicles (LBPV) will be set up by DCM Shriram Industries Group on campus of Shriram Rayons in Kota (Rajasthan).
206. ▶ India's first robotic telescope at Indian Astronomical Observatory (IAO) at Hanle (Ladakh) started observing the skies. It is part of a multi-country collaborative initiative called 'Global Relay of Observatories Watching Transients Happen' (GROWTH) to observe transient events in universe. It is joint project of Indian Institute of Astrophysics Bengaluru and Indian Institute of Technology Bombay (IITB).
207. ▶ India's first taxi ambulance services launched in Delhi, a service by a Gurugram-based startup Wagon Cab. Cabs are equipped with medical supplies and medically trained drivers.
208. ▶ India's longest Rail and Road bridge *Bogibeel bridge*, linking Dibrugarh in Assam to Pasighat in Arunachal Pradesh will be inaugurated in 2018. It is 4.94 km long and stays 32 metres above waters of Brahmaputra River. At present, travel from Dibrugarh to Arunachal Pradesh by train takes over 500 km detour. This bridge will bring travel length under 100 km.
209. ▶ Indigenously manufactured semi high-speed train called *Train 2018*, code-named Train 18 will be rolled out in September 2018, built by Integral Coach Factory (ICF) of Chennai. It is capable of running at a speed of 160 km per hour. It will be self-propelled on electric traction like metro trains, along with Wi-Fi and infotainment and several other facilities.
210. ▶ International Labour Organization (ILO)'s *World Employment and Social Outlook Report* projected increase in surface temperature due to global warming will lead to around 2,59,000 job losses in India by 2030. Global temperature rise of 1.5°C by end of 21st century will result in heat stress, which will reduce total number of working hours by 2030.
- ▶ It will result in 5.3% rise work loss in percentage of total hours and productivity loss equivalent to 30.8 million full-time jobs.
 - ▶ Agricultural workers will be worst affected, with loss of around 64% of working hours lost by 2030 due to physical nature of their work.
211. ▶ J P Nadda, Minister of Health and Family Welfare released National Health Profile (NHP) 2018 prepared by the Central Bureau of Health Intelligence (CBHI). He also launched National Health Resource Repository (NHRR) - Country's first ever national healthcare facility registry of authentic, standardized and updated geo-spatial data of all public and private healthcare establishments.
- ▶ NHRR will be ultimate platform for comprehensive information of all healthcare establishments in India (Private / Government). Over 20 lakh healthcare establishments like hospitals, doctors, clinics, diagnostic labs, pharmacies and nursing homes would be enumerated under this census, capturing data on over 1,400 variables.
212. ▶ Jammu and Kashmir government will host its first ever *global investors meet* in July 2018 in Srinagar, focused on harnessing hydropower potential of 20,000 mega watts in Jammu Kashmir.
213. ▶ Jharkhand Government announced to develop country's first Khadi mall.
214. ▶ KVIC (Khadi and Village Industries Commission) created world record of distributing maximum number of bee-boxes in one day, 2330 bee-boxes were distributed among 233 beneficiaries in Zangalee Army area (Kashmir).
215. ▶ Karnataka Assembly Election Results 2018 -
- ▶ Bharatiya Janata Party (BJP) emerged as largest party by winning 104 out of 222 Seats. INC (Indian National Congress) won 78 seats and Janata Dal (Secular) won 40 Seats.
 - ▶ Votes Percentage - BJP (36.2%), INC (38 %), JDS (18.3%)
 - ▶ Karnataka Election witnessed maximum expenditure by candidates and parties ever, estimated at 9500 - 10500 crores.
216. ▶ Kerala Academy for Skills Excellence (KASE) launched a new portal with single window facility for job seekers and employers. KASE will develop a Labour Bank that will be connected to jobs portal.
217. ▶ Kerala CM Pinarayi Vijayan inaugurated Samagra Resource Portal and mobile app. More than 40,000 classrooms in Kerala will be made hi-tech by June 2018, through Samagra. Samagra is designed to make sure that all learning objectives are transacted through lesson plans as specified in curriculum.
218. ▶ Kerala Government approved setting up of *Kerala Fibre Optic Network Limited*, to offer free internet to over 20 lakh poor families. A Joint Venture company will be launched by *IT Infrastructure Limited, State Electricity Board and state government* to get this task done.
219. ▶ Kerala Government declared Kozhikode and Malappuram districts free from Nipah virus infection, as no positive case of the infection was reported till completion of double incubation period of virus.

220. ▶ Kerala Govt inaugurate world's largest bird sculpture, Jatayu Earth's Centre in Thiruvananthapuram. The Replica of Jatayu, a character in Ramayana is 200 feet long, 150 feet wide, 65 feet tall and is positioned at top of a rock at 1000 feet above sea level.
221. ▶ Kerala State Electricity Board (KSEB) signed a memorandum of understanding with the National Thermal Power Corporation (NTPC) for increasing solar power generation in state, including setting up a 15 MW solar power unit at NTPC complex in Kayamkulam.
222. ▶ Kerala State Literacy Mission Authority launched a 'Water Literacy'(Jala Saksharatha) campaign to create awareness about importance and optimal use of water and its conservation.
223. ▶ Khadi and Village Industries Commission (KVIC) launched its, in-house developed, single-umbrella e-marketing system named Khadi Institution Management and Information System (KIMIS). The system can be accessed from anywhere in the country for the sale and purchase of Khadi and Village Industries products.
224. ▶ Kochi Metro Rail launched India's first exquisite air-conditioned bed space dormitory-Peters Inn, with 200 bed air-conditioned cabins. Daily rent for the bed space is inr 395.
225. ▶ Law Commission of India (LCI) in its 276th Report *Legal Framework: Gambling and Sports Betting including Cricket in India*, recommended that gambling and betting on sports be allowed as regulated activities.
- ▶ It recommended number of changes in law for regulating betting for making it taxable under direct and indirect tax regimes and used as source for attracting foreign direct investment (FDI).
 - ▶ It recommended linking Aadhar or PAN card of individual indulging in betting and gambling and making transaction cashless to regulate illegal activities such as money laundering.
 - ▶ FDI in casino and online gaming industry will bring substantial amounts of investment to those states that decide to permit casinos, propelling growth of tourism, while also enabling such states to generate higher revenue and employment opportunities.
 - ▶ 21st Law commission of India is led by former SC Justice Balbir Sinsh Chauhan, constituted effect from 1st September, 2015. It has a three-year term, ending on 31st August, 2018.
226. ▶ Lok Sabha MPs will be allowed to ask a maximum of five questions in the house per day from upcoming Monsoon Session, down from earlier 10 permitted questions.
227. ▶ MHA created a new Division to address issues of women safety comprehensively. Punya Salila Srivastava has been posted as Joint Secretary to head this Division. It will deal with - Crimes against women, SCs&STs, Crimes against children, elderly persons, Anti-trafficking Cell, Matters relating to Prison legislation and prison Reforms, Schemes under NIRBHAYA fund, Crime and Criminal Tracking & Network System (CCTNS) and National Crime Records Bureau (NCRB).
228. ▶ Madhya Pradesh CM Shivraj Chauhan inaugurated NTPC's 250 MW Solar Power Plant in Mandsaur, costing approx 1500 crores.
229. ▶ Madhya Pradesh CM Shivraj Singh Chouhan launched *My MP Rojgar Portal* to provide jobs to youths as per their educational qualification, skills and interest and ensure availability of able candidates to employers as per their needs, as part of *Ham Chhu Lenge Asman* programme.
230. ▶ Madhya Pradesh government announced outstanding power bill waiver scheme for laborers and poor families, expected to benefit about 77 lakh people. Cabinet also approved Mukhyamantri Jan Kalyan (Sambal) Yojana 2018 to provide subsidized power.
231. ▶ Madhya Pradesh government launched an outstanding power bill waiver scheme and subsidised power scheme called 'Sambal' for labourers and poor families. Under it, Below Poverty Line (BPL) families would be provided electricity at a cost of Rs 200 per month (maximum).
232. ▶ Madhya Pradesh govt will appoint girls as a district Brand Ambassador who have recorded significant achievements in any field under the Beti Bachao-Beti Padhao scheme, as a first of its kind initiative.
233. ▶ Maharashtra Government launched a new scheme to help the landless labourers from the Scheduled Castes to acquire agricultural land, paying only 5 % of cost. The rest up to 8 lakh rupees will be borne by Maharashtra government. This is a modified version of Dadasaheb Gaikwad empowerment scheme for landless labourers scheme, that offered 50 % subsidy.
234. ▶ Maharashtra Government signed MoU with Multi Commodity Exchange of India (MCX) to launch Cotton Mission, to create value chain with final market linkages for thousands of cotton farmers in Vidarbha region. Under this, MCX will partner with state agriculture department and other agencies to work with Farmer Producer Organisations and help them connect to organised market network for building their capabilities.
235. ▶ Maharashtra Government will provide Rs 3 subsidy for every litre of milk to co-operative and private producers to manufacture milk powder, aimed at encouraging production of milk powder from surplus milk. Milk producers in Maharashtra will get Minimum Support Price (MSP) of INR 27 per litre.
236. ▶ Maharashtra Govt. inaugurated a web portal named Continuous Medical Education (CME) to offer information and suggestions related to exact treatment received by patients for various health issues. Using this, medical practitioners can obtain suggestions regarding accurate treatment of patients suffering from various ailments.

237. ▶ Maharashtra State Government became first state to sign a MoU with Centre's Green Rating for Integrated Habitat Assessment (GRIHA) Council to train state's Public Works Department (PWD) officials to rate government buildings. Objective is to encourage environment friendly buildings, that are designed using environmentally responsible processes.
238. ▶ Maharashtra became first state to provide digitally-signed land record receipts (also known as 7/12 receipts), to check irregularities and bring in transparency.
239. ▶ Maharashtra government announced *Kanya Van Samruddhi Yojana*, in which farmers families with girl child will be given saplings for plantation. A farmer family with a girl child between April 1 and March 31 will get 10 saplings free of cost from forest department. Beneficiaries will have to plant saplings between July 1 and 7. Scheme will be applicable for 2 girl childs per family.
240. ▶ Maharashtra government has set up a seven-member expert panel to prepare guidelines for surrogacy centres in state.
241. ▶ Maharashtra government made it compulsory for the Public Works Department to use plastic waste for construction and repair of asphalt roads, to sustainably use increasing amount of plastic waste collected by state civic bodies.
242. ▶ Maharashtra government partnered with Andhra Pradesh Government, to strengthen ecosystem of Fintech technology, during recent Mumbai Fintech Festival.
243. ▶ Maharashtra government will launch *one transformer per farmer* Scheme, to reduce electricity losses. Under it, 2 lakh farmers will be given electricity connection for high voltage distribution line which will ensure uninterrupted power supply.
- ✎ Farmers who lose their cattle in attack by wild animals will now get Rs 40,000, up from Rs 25,000 earlier.
 - ✎ Rs 2 lakh hike in for kin of people killed in an attack by wild animals was announced.
244. ▶ Maharashtra government will rename Jalgaon-based North Maharashtra University after Bahinabai Chaudhari, renowned poetess of 19th century.
245. ▶ Manipur CM N.Biren Singh launched *Go to Village* mission throughout, aimed at identifying eligible beneficiaries across state and delivering government services at their doorstep. The mission has been launched in 60 villages of all 60 Assembly constituencies.
246. ▶ Manipur has become first state in the Northeast and the third state in India to have solar toilets. Solar panel that are fitted to the toilets absorb heat to generate power, also have efficiency to transform waste material.
247. ▶ Meghalaya Cabinet approved convergence of phase 4 of Meghalaya Health Insurance Scheme (MHIS) with centre's Ayushman Bharat Yojana. Under this, health coverage has been increased to Rs. 5 lakh from previous Rs.2.8 lakh per household excluding government employees.
248. ▶ Meghalaya Govt. released policy document of 5 year jackfruit mission, during state's jackfruit festival. It aims to generate employment opportunities for over 80,000 farmers, costing approx 80 Crores INR.
249. ▶ Microsoft signed MoU with Rajasthan government to provide free digital training to 9,500 college students in one year. Microsoft will also train educators from government colleges through the Microsoft Innovative Educator Programme, building capacity for innovative use of Information and Communications Technology (ICT) in classroom.
250. ▶ Minimum Wages (Delhi) Amendment Act 2017 has been officially notified after of President's Approval. It amends Minimum Wages Act 1948, and was passed by Delhi Assembly in August 2017.
- ✎ As per new rules, employers violating labour rules in Delhi will now face fine ranging from Rs 20000 to 50000 and jail term of one to three years.
 - ✎ Courts will be required to dispose it off within a month from the date of filing.
 - ✎ Delhi Government hiked minimum wages of unskilled, semi-skilled and skilled workers by 37 %. Minimum Wages are -
 - ✎ Unskilled worker - 13350
 - ✎ Semi-skilled - 14698
 - ✎ Skilled persons is Rs 16182 in Delhi.
251. ▶ Minister for Petroleum & Natural Gas and Skill Development & Entrepreneurship Dharmendra Pradhan laid foundation stone for permanent campus of National Skill Training Institute (NSTI) for Women at Mohali (Punjab). This is first NSTI Institute for Punjab and First in India which is exclusively for women.
252. ▶ Minister for Skill Development and Entrepreneurship Dharmendra Pradhan laid foundation stone of country's first National Skill Training Institute at Barang near Bhubaneswar (Odisha).
253. ▶ Minister for Women and Child Development, Maneka Sanjay Gandhi laid Foundation for India's First Advanced Forensic Lab in Chandigarh, dedicated to women related cases. It will augment current capacity of CFSL Chandigarh to 2000 Cases per year (from 160 cases). 5 more advanced forensic labs would come up in Mumbai, Chennai, Guwahati, Pune and Bhopal in 3 months, taking annual capacity to 50000 cases.
254. ▶ Minister of Agriculture & Farmers' Welfare Radha Mohan Singh laid foundation stone of frozen semen station in Maranga, Purnea (Bihar), being set up at a cost of Rs 64 crore under Rashtriya Gokul Mission (100% contribution from Central Government). It aims at

increasing milk production through artificial insemination techniques used by CMOFED (Sudha) in Bihar.

 Rashtriya Gokul Mission was initiated in December 2014 with an aim to conserve and develop indigenous breeds.

255. ▶ Minister of Commerce & Industry and Civil Aviation, Suresh Prabhu launched *ReUnite* mobile application, to track missing children. It will use *Amazon Rekognition* web facial recognition service to identify missing kids.

256. ▶ Minister of Commerce and Industry Suresh Prabhu launched Intellectual Property (IP) mascot – IP Nani, at conference on National Intellectual Property Rights Policy in New Delhi.

 Mascot IP Nani is a tech-savvy grandmother who helps the government and enforcement agencies in combating IP crimes with the help of her grandson “Chhotu” aka Aditya. IP mascot will spread awareness about the importance of Intellectual Property Rights (IPRs).

 National IPR Policy is a vision document that aims to create synergies between all forms of intellectual property (IP), concerned statutes and agencies. It aims to adapt global best practices to Indian scenario. In this regard, Cell for IPR Promotion and Management (CIPAM) was created in 2016 under DIPP.

257. ▶ Minister of Steel, Chaudhary Birender Singh dedicated rebuilt Blast Furnace-1 ‘Parvati’ of SAIL, Rourkela Steel Plant (RSP) to the Nation. Parvati is first Blast Furnace of SAIL that was launched in February 1959 by first President of India (Dr. Rajendra Prasad). It was put down in August 2013 for total rebuilding. With rebuild, annual production capacity of furnace increased from 0.438 Million tonnes (MT) to 1.015 MT.

258. ▶ Ministry of Agriculture and Farmers Welfare unveiled Model Agriculture Produce and Livestock Contract Farming and Services (Promotion & Facilitation) Act 2018, to ensure better price to farmers and encouraging investment from agribusiness and food processing industries.

 Under contract farming, agricultural production can be carried out based on pre-harvest agreement between buyers and producers (farmers or farmer organisations). It reduces risk of fluctuating market price and demand.

 Model Act seeks to create regulatory and policy framework for contract farming and services. It covers contract farming in agriculture crops, livestock, dairy and poultry products. It lays special emphasis on protecting interests of farmers, considering them as weaker of two parties entering into a contract.

 It makes mandatory for covering contracted produce under crop and livestock insurance in operation. Under it, no permanent structure can be developed on farmers’ land or premises.

 It establishes Contract Farming Facilitation Group (CFFG) for promoting contract farming and services at village or panchayat at level.

259. ▶ Ministry of Agriculture launched *Krishi Kalyan Abhiyan* from June 1 to July 31, 2018, to promote best farming practices and double farmers income launched in 25 villages in Aspirational Districts identified by Ministry of Rural Development and NITI Aayog. Activities include distribution of soil health cards, mini kits of pulses and horticulture plants etc.

260. ▶ Ministry of Civil Aviation notified Draft Passenger Charter defining rights for air passengers, aiming to improve hassle-free air travel experience of air passengers. Salient Features --

 Passenger can cancel air ticket within 24 hours of booking it and if provided travel is to take place after 96 hours, passenger will be able to cancel ticket without any charge. Cancellation charges will be not more than sum of basic fare and fuel surcharge.

 Airline must either offer alternative flight that departs within 2 hours of scheduled departure of flight booked originally or refund ticket cost. Full refund is to be issued if airline doesn’t inform passengers about cancelled flight up to 24 hours ahead.

 For delays communicated more than 24 hours before scheduled departure, airline must offer option of full refund of ticket cost if delay is for more than 4 hours.

 If delay results in flight departing next day, then airline will have to offer free hotel stay. These norms will be applicable only if delay is due to fault of airline, and not caused by bad weather.

 If delay results in a passenger missing a connecting flight, then airline will have to pay Rs.5,000 to Rs.20,000. In case of lost baggage, minimum compensation proposed is INR 3000 per kg. If baggage is delayed or damaged, airline is liable to pay Rs. 1,000 per kg.

 If passenger doesn’t receive due compensation, grievances can be filed on Ministry of Civil Aviation’s AirSewa app or at Directorate General of Civil Aviation (DGCA) portal.

261. ▶ Ministry of Culture launched *Seva Bhoj Yojna* scheme with outlay of INR 325 Crores for 2018-19 and 2019-20. It envisages to reimburse Central Government share of Central Goods and Services Tax (CGST) and Integrated Goods and Service Tax (IGST), to lessen burden of Charitable Religious Institutions who provide Food free of cost without any discrimination to General Public, including Temples, Gurudwara, Mosque, Church, Dharmik Ashram etc.

 It is applicable to Organizations which have been in existence for at least 5 years before applying for financial assistance/grant and who serve free food to at least 5000 people in a month.

- ▶ Ministry will register eligible charitable religious institutions for a time period ending with finance commission period and subsequently registration may be renewed by the Ministry, subject to performance evaluation.
 - ▶ Entity will be permitted to submit reimbursement claim of GST and Central Government share of IGST to designated authority of GST Department at State level in prescribed format during validity of registration.
 - ▶ Eligible institutions should be registered with Darpan portal.
262. ▶ Ministry of Culture organized 9th Rashtriya Sanskriti Mahotsav under *Ek Bharat Shreshtha Bharat*, in Tehri (Uttarakhand), also subsuming Tehri Lake Festival (where one can explore water sports) within itself.
- ▶ Rashtriya Sanskriti Mahotsav (RSM) presents rich diversity and uniqueness of Indian culture and promotes cultural inter-linkages amongst states to strengthen National integration.
 - ▶ Paired state for Uttarakhand under Ek Bharat Shreshtha Bharat matrix is Karnataka, giving special emphasis to Karnataka in the event.
263. ▶ Ministry of Drinking Water & Sanitation launched Swajal Scheme in 115 Aspirational districts, aimed at providing clean drinking water. It will involve outlay of 700 crores through flexi-funds under existing National Rural Drinking Water Programme (NRDWP) budget. 90% of project cost is taken care by Government and remaining 10% is contributed by beneficiary community.
- ▶ Modernisation of 2000 water quality testing laboratories spread across country will also be taken up. INR 1000 crores will be earmarked for addressing drinking water needs of 27,544 arsenic and fluoride affected habitations of country, under National Water Quality Sub-Mission (NWQSM).
264. ▶ Ministry of Drinking Water & Sanitation selected 10 more iconic sites under Phase III of Swachh Iconic Places (SIP) of Swachh Bharat Mission, launched at Mana village (Uttarakhand).
- ▶ 10 new iconic sites are - Raghavendra Swamy Temple (Andhra Pradesh), Hazarduari Palace (West Bengal), Brahma Sarovar Temple (Haryana), Vidur Kuti (Uttar Pradesh), Mana village (Uttarakhand), Pangong Lake (J&K), Nagvasuki Temple (UP), Ima Keithal market (Manipur), Sabarimala Temple (Kerala) and Kanvashram (Uttarakhand).
 - ▶ SIP is an initiative of Ministry of Drinking Water and Sanitation under Swachh Bharat Mission and was launched in 2016. It was initiated as project to take iconic places and their surroundings to higher standards of cleanliness (swachhata).
 - ▶ Phase 1 and 2 of SIP each have 10 Iconic places listed under them.
265. ▶ Ministry of Drinking Water and Sanitation (MDWS) launched Swachh Survekshan Grameen 2018 (SSG 2018) in New Delhi, a survey to rank all states / districts on basis of rural cleanliness.
- ▶ 6980 villages in 698 districts will be covered. The SSG 2018 will assign 65% weightage to findings and outcome and 35% to service level parameters to be obtained from Integrated Management Information System (IMIS) of MDWS.
 - ▶ Weights to different elements of SSG are - direct observation (30%), citizen's feedback (35%), service level progress on sanitation (35%).
 - ▶ SSG 2018 will be conducted in August 2018. Best states / districts are expected to be awarded on 2nd October 2018.
266. ▶ Ministry of Earth Sciences (MoES) launched a mobile application named Mumbai Weather Live that will provide information on extreme weather events in Mumbai.
267. ▶ Ministry of Earth Sciences unveiled blueprint of Deep Ocean Mission (DOM), that proposes to explore deep-ocean by emulating success of Indian Space Research Organisation (ISRO) in designing and launching satellites. For this, Centre has drawn up five-year, Rs. 8,000 crore plan. Focus will be on technologies for deep-sea mining, underwater vehicles, underwater robotics and ocean climate change advisory services, among other aspects.
268. ▶ Ministry of Electronics & Information Technology (MeITY) launched 5000 Wi-Fi Choupals in villages in partnership with common service centres (CSCs), aiming to transform rural Internet connectivity through BharatNet. They will provide 60,000 WiFi hotspots in rural areas. Wi-Fi Choupals are in addition to broadband connectivity provided gram panchyats through optical fibre network under BharatNet.
269. ▶ Ministry of Electronics & Information Technology (MeitY) will expand its India BPO Promotion Scheme to 1 lakh seats from current 48,000 seats. It will also set up 5th and India's largest National data centre (NDC) in Bhopal (Madhya Pradesh) with capacity of 5 lakh virtual servers.
- ▶ India BPO Promotion Scheme (IBPS) was Launched in 2014, to incentivize establishment of BPO firms and their extension to Tier II and Tier III cities.
270. ▶ Ministry of Electronics and Information Technology (MeITY) launched Digital India Internship Scheme along with its website.
- ▶ Under this, 25 interns will be inducted for period of three months. These interns will be paid a stipend of Rs. 10, 000 per month.
 - ▶ Eligibility - Indian students from recognized universities who secured over 60% marks in last held degree. Students pursuing B.E/B.Tech or M.E/M.Tech or dual degrees can apply for internships on the portal.

- ✎ Internship will be offered two times in year - summer Internship during May and June and winter Internship during December and January.
 - ✎ Proposed broad areas for Internship are Cyber Security, e-Governance, Digital Literacy (HRD), International Cooperation & Industrial Promotion, Hardware Industry and Digital Payments and Electronic Testing.
271. ▶ Ministry of Environment, Forest and Climate Change (MoEFCC) launched Green Skill Development Programme (GSDP), to train over 5.5 lakh workers in environment and forest sectors through 30 courses by 2021 for sustainable conservation of natural resources.
- ✎ GSDP-ENVIS mobile application was also launched to provide more information and applying to courses under GSDP programme.
 - ✎ GSDP was launched in 2017 by MoEFCC in partnership with National Skill Development Agency (NSDA) to develop green skilled workers having technical knowledge and commitment to sustainable development.
272. ▶ Ministry of Environment, Forest and Climate Change (MoEFCC) rolled out 'Gaj Yatra', an awareness campaign to protect elephants from Tura in Garo Hills of Meghalaya. Under this, elephant mascot will be taken across districts frequented by jumbo herds for generating awareness.
273. ▶ Ministry of Environment, Forests and Climate Change (MoEFCC) declared 438 sq.km. area around Mudumalai Tiger Reserve (Tamil Nadu) in Nilgiris as an eco-sensitive zone (ESZ), to prohibit human activities near the reserve, which was declared a tiger habitat in 2007. It is a critical part of Nilgiris Biosphere Reserve spread over 5,500 sq. km.
274. ▶ Ministry of Health and Family Welfare signed an MoU with Indira Gandhi National Open University (IGNOU) to scale up short term healthcare courses through IGNOU's platform. Under this, curriculum for 10 courses especially designed for health sector, will provide more than 14 lakh trained manpower by 2025.
- ✎ With coming up of 1.5 lakh Health and Wellness Centres (HWCs) by 2022 under National Health Protection Mission (NHPM), there will be an urgent need for such health care providers.
 - ✎ Initially four courses will be launched, namely Home Health Aide, Geriatric Care Assistant, Phlebotomist and General Duty Assistant. Followed by remaining six skill-based curriculum as standardized by MoHFW- Diabetes Educator, Dietetic Aide, EMT-Basic, Dispensing Optician/VT and Medical Equipment Technology Assistant.
275. ▶ Ministry of Home Affairs (MHA) approved institution of Home Minister's Special Operation Medal and 3 more Medals- Antarik Suraksha Medal, Asadharan Aashuchan Padak, and Utkrisht & Ati-Utkrisht Seva Medal, to be awarded annually.
- ✎ HM's Special Operation Medal and Asadharan Aashuchan Padak will be awarded on Independence Day (15th August).
 - ✎ Antarik Suraksha Medal and Utkrisht & Ati-Utkrisht Seva Medal will be announced on Republic Day (26th January).
 - ✎ Home Minister's Special Operation Medal - Aims to promote high professional standards of Investigation of Crime in State/UT Police and Central Investigating Agencies (CIAs) in country.
 - ✎ Asadharan Aashuchan Padak - Will be given to security and Intelligence officials for acts of exceptional courage and skill in intelligence gathering.
 - ✎ Antarik Suraksha Medal - To be bestowed upon Police personnel for operation duty rendered by them for tenure of every 2 years in internal security in Jammu & Kashmir, Left Wing Extremism (LWE) region and North East region.
 - ✎ Utkrisht and Ati Utkrisht Seva Medal - To be awarded to permanent Police and intelligence personnel in recognition of Long Service of 15 and 25 year and good service records.
276. ▶ Ministry of Home Affairs (MHA) will create a National Database of Arms Licences system from April 2019, with names of all arms licence holders with a unique identification number (UIN), to keeping tab on authorised private gun holders and hold their misuse. Any arms licence without UIN will be considered invalid.
277. ▶ Ministry of Home Affairs (MHA) will upgrade National Information Security Policy and Guidelines (NISPG) to secure government data and control access to it, to prevent leaking of sensitive information.
- ✎ NISPG has been prepared by MHA, based on experience of existing security standards and frameworks and global best practices and experience of implementation in wake of expanding information security threat scenario.
278. ▶ Ministry of Home Affairs sponsored Student Police Cadet (SPC) Programme launched in Gurugram (Haryana), to build bridge between Police and larger community through school students by inculcating values and ethics in them through classes in school and outside. It focuses on students of class 8th and 9th.
- ✎ It does not have any prescribed text book and also any exam. Only one class is proposed in a month. Programme will broadly cover Crime prevention and control.
 - ✎ Bureau of Police Research and Development (BPR&D) with support of National Council of Educational Research and Training (NCERT) has prepared handbook for imparting instructions.
279. ▶ Ministry of Housing and Urban Affairs (MoHUA) will launch Global Housing Construction Technology Challenge as part of technology sub-mission of Pradhan Mantri Awas Yojana-Urban (PMAY-U). It aims to accelerate PMAY-U's target of providing 'housing for all', as it is

moving very slower than its rural counterpart.

- Through this, MoHUA will invite ideas for innovative technologies for mass housing projects that can help build houses faster, cheaper and of better quality with sustainable green materials. Winning technologies will be used for construction under PMAY (U).
- Also, Ministry of Housing and Urban Affairs announced that over 51 lakh houses have been approved under Pradhan Mantri Awas Yojana (Urban) in the 3 years of its implementation. Out of Which, 28 lakhs houses are already in various stages of construction and 8 lakh completed. PMAY(U) aims provide affordable houses to all poor in urban areas by 2022. Its objective is to construct 2 crore houses across nation.

280. ▶ Ministry of Housing and Urban Affairs (MoUHA) launched *Technology Challenge: Identifying solutions for cleaning of Sewerage Systems and Septic Tanks*, to promote suitable techniques for cleaning sewers and septic tanks and eliminate need for human entry. It will be conducted for two categories each for cleaning of sewerage and septic tanks to eliminate need for human entry.
281. ▶ Ministry of Human Resource Development (HRD) announced that National Testing Agency (NTA) will train paper setters to set better question papers and provide better model answers. NTA It will take over all examinations from CBSE (except 10th and 12th board examinations) from 2019 in phased manner. It will be also conducting prestigious Joint Entrance Examination (JEE) for admission to prominent engineering colleges.
282. ▶ Ministry of Human Resource Development (HRD) launched National Digital Library of India (NDLI) on occasion of National Reading Day (June 17) in New Delhi. NDLI aims to make digital educational resources available to all, to empower learning.
- NDLI (under aegis of National Mission on Education through Information and Communication Technology (NMEICT)) is a framework of virtual repository of learning resources with a single-window search facility. It been developed by Indian Institute of Technology (IIT), Kharagpur.
283. ▶ Ministry of Human Resource Development (HRD) launched initiative for development of 1.5 million higher education faculty using massive open online course (MOOC) platform SWAYAM (Study Webs of Active – Learning for Young Aspiring Minds). Under first phase, 75 discipline-specific National Resource Centres (NRCs) have been identified.
- NRCs includes varied institutions under Ministry's Pandit Madan Mohan Malaviya National Mission on Teachers and Teaching (PMMMNMTT), in Central Universities, IISc, IUCAA, IITs, IISERs, NITs, State Universities, UGC's Human Resource Development Centres (HRDCs), National Institutes for Technical Teachers Training (NITTTRs), IIITs, Open Universities.
284. ▶ Ministry of New and Renewable Energy (MNRE) declared medium (5 GW by 2022) and long-term (30 GW by 2030) targets for offshore wind power capacity addition, as a new element in already existing basket of renewable energy of country.
- Target for offshore wind power is moderate in comparison to on-shore wind target of 60 GW and its achievement of 34 GW and solar target of 100 GW by 2022, because of challenges in installing wind power turbines in open seas.
 - Global capacity of off-shore wind power is about 17 to 18 GW, led by UK, Germany, Denmark, Netherlands & China.
285. ▶ Ministry of New and Renewable Energy issued National Wind-Solar Hybrid Policy, aiming at promotion of large grid connected wind-solar PV hybrid system for efficient utilization of transmission infrastructure and land. It provides for integration of both energy sources (wind and solar) at AC and DC level.
- It also provides for flexibility in share of wind and solar components in hybrid project, subject to condition that, rated power capacity of one resource be at least 25 % of rated power capacity of other resource for it to be recognised as a hybrid project.
 - Policy permits use of battery storage in hybrid project for optimising output and further reduce variability.
 - With significant capacity additions in renewables, and Hybrid Policy aiming at better utilisation of resources, it is envisaged that Hybrid Policy will open-up a new area for availability of renewable power at competitive prices.
 - A scheme for new hybrid projects under the policy is also expected shortly.
286. ▶ Ministry of Petroleum and Natural Gas amended Petroleum and Natural Gas Rules 1959 to include shale in definition of petroleum, to enable exploration of all hydrocarbons in existing fields which is line with new Hydrocarbon Exploration Licensing Policy (HELP). It will help in enhancing domestic exploration and production of hydrocarbons and increasing India's energy security and reducing dependency on imports.
- Shale is fine-grained sedimentary rock that forms from compaction of silt and clay-size mineral particles, commonly called as mud. Shale is distinguished from other mudstones due to laminated (rock is made up of many thin layers) and fissile (rock readily splits into thin pieces along the laminations) nature.
287. ▶ Ministry of Power will make 24 degrees celsius as mandatory default setting and labeling of air conditioners within few months, as part of campaign to promote energy efficiency.
- Every one degree increase in temperature of air-conditioner results in saving of 6% of electricity consumed.
 - Normal human body temperature is approximately 36-37 degree Celsius. Lower temperature around 18-21 degree Celsius controlled by air conditioners is not only uncomfortable but is also unhealthy.

288. ▶ Ministry of Railways has launched new user interface of its Next Generation e-Ticketing (NGET) System on Indian Railway's ([url - www.irctc.co.in/nget](http://www.irctc.co.in/nget)).
- ▶ Using it, user can enquire trains and check availability of seats without logging in to system, saving time of users.
 - ▶ It will provide enhanced class-wise, train-wise, destination-wise, departure and arrival time wise and quota-wise filters for facilitating customer while planning their journeys.
 - ▶ It also has waitlist prediction which will allow user to get probability of wait-listed or RAC tickets getting confirmed.
 - ▶ User can find out availability for entire Advance Reservation Period (of 120 days), except for few trains in improvised page.
289. ▶ Ministry of Road Transport and Highways (MoRTH) approved green licence plates bearing numbers in white fonts for private e-vehicles and yellow for taxis to promote electric vehicles. It aims at easy identification of electric vehicles for preferential treatment in parking, free entry in congested zones besides other proposed benefits like concessional toll.
- ▶ India presently has approx 1 to 1.5 lakh electric vehicles. It is projected to grow to about 5% of total vehicles in next five years.
290. ▶ Ministry of Road Transport and Highways (MoRTH) issued draft amendments to Central Motor Vehicles Rules 1989 -
- ▶ Makes mandatory for vehicles to affix sticker confirming fitting of Fastag in front wind screen of vehicles.
 - ▶ Stipulates additional conditions for obtaining national permit.
 - ▶ Tanker carrying dangerous or hazardous goods will be painted in white colour.
 - ▶ Fitness certification of transport vehicles will be renewed for 2 years for vehicles up to 8 years old and for 1 year for vehicles older than 8 years.
 - ▶ Henceforth, pollution under control certificates and driving license can be carried in physical or digital form.
 - ▶ Goods carrying vehicles will be required to carry goods in closed body of vehicle or container, or use tarpaulin if needed to carry in open.
291. ▶ Ministry of Tourism expanded Buddhist tourism circuit under Swadesh Darshan Scheme to 21 more states to make it India's first trans-national tourist circuit. Earlier it was envisaged only to 7 major Buddhist pilgrimage sites in Uttar Pradesh and Bihar.
292. ▶ Ministry of Tribal Affairs (MoTA) will expand Van Dhan Vikas Kendras in tribal districts, with 3000 such kendras proposed to be set up in 2 years. Initially, it will be taken up in 39 districts with over 50% tribal population and then will be expanded to other Tribal Districts.
- ▶ Van Dhan Yojana aims at mainstreaming tribal community by promoting primary level value addition to Non Timber Minor Forest Produce (MFP) at grassroots level. It also aims to promote MFPs-centric livelihood development of tribal gatherers and artisans.
 - ▶ Through this, share of tribals in value chain of Non-Timber Forest Produce is expected to rise from 20% to around 60%.
293. ▶ Ministry of Water Resources, River Development and Ganga Rejuvenation approved 2 major irrigation projects and 4 flood management schemes with a cumulative cost of INR 84748 crores from six States/ UT.
- ▶ Kaleshwaram Project (Telangana), will divert 195 TMC (5522 Million Cubic Meter) of Godavari water to irrigate about 18.25 lakh acres of land in 13 districts of Telangana. It is worth approx INR 80190 crores.
 - ▶ Upper Pravara (Nilwande-II) Project (Maharashtra) will irrigate an area of 2,12,758 acres. It is worth approx INR 2232 crores.
294. ▶ Ministry of Water Resources, River Development and Ganga Rejuvenation launched fortnightly video contest *Jal Bachao, Video Banao, Puruskar Pao*, to encourage people for better water management. Ministry joined hands with MyGov portal (www.mygov.in) for this contest. Contest will last till 4th November 2018 and three winners will be chosen every fortnight.
- ▶ Video should be uploaded on YouTube and share its accessible link in MyGov contest page, with duration 2 - 10 minutes. Prize amount for first, second and third positions is Rs 25,000, Rs 15,000 and Rs 10,000 respectively.
295. ▶ Ministry of Women and Child Development (WCD) approved setting up additional 100 One Stop Centres (OSCs) for women affected by violence, in Haryana, Himachal Pradesh, Madhya Pradesh, Maharashtra, Mizoram, Nagaland, Odisha, Tamil Nadu and Uttar Pradesh.
- ▶ OSC are funded from Nirbhaya Fund. Aim is to provide women with services such as police assistance, medical aid, psycho-social counselling, legal aid and counselling, temporary stay for 5 days etc.
296. ▶ Ministry of Women and Child Development launched report titled *Women in Prisons*, aiming to build an understanding of various entitlements of women in prisons and possible methods for resolution of the same. Report contains 134 recommendations for improving lives of women facing several issues.
297. ▶ Ministry of Women and Child Development partnered with NASSCOM to improv its nutrition monitoring app, Integrated Child Development Services-Common Application Software (ICDS-CAS), developed under Poshan Abhiyan (*PM's Overarching Scheme for Holistic Nourishment*) that aims to fight malnourishment and stunting.
298. ▶ Mizoram government will introduce a resolution in state legislature objecting to Citizenship Amendment Bill 2016, as the amendment will legalise thousands of Buddhists (Chakmas) who have illegally entered Mizoram from Bangladesh.
- ▶ Also, cabinet approved Sinlung Hills Council Bill 2018, signed as result of peace accord between Mizoram government and erstwhile underground Hmar People's Convention (Democratic) in April 2018.

299. ▶ Monsoon Season 2018 - 19 Passed Bills -

- ✎ Rajya Sabha passed State Banks (Repeal and Amendment) Bill, 2017 to merge six subsidiary banks with SBI. It was approved by Lok Sabha in 2017. It repeals State Bank of India (Subsidiary Banks) Act 1959 AND State Bank of Hyderabad Act 1956, that established SBI subsidiary Banks.
- ✎ Lok Sabha passed *The Right of Children to Free and Compulsory Education (Second Amendment) Bill 2017* to abolish 'no detention policy' in schools (meaning that no child can be held back in any class until completion of elementary school (classes 1-8)). It will empower central / state government to allow schools to hold back child in class 5 / 8, after re-examination on being failed at first.
- ✎ Lok Sabha passed Negotiable Instruments (Amendment) Bill 2017 to reduce number of cheque dishonour cases pending in courts, amending Negotiable Instruments Act 1881.
 - ✎ Interim compensation - Allows court trying offence related to cheque bouncing to direct drawer (person who writes cheque) to pay interim compensation to complainant. It will not exceed 20% of cheque amount and will be paid by drawer within 60 days.
 - ✎ Deposit in case of appeal - If drawer convicted in cheque bouncing case files appeal, appellate court may direct him to deposit minimum of 20% of compensation awarded by trial court during conviction. This will be in addition to any interim compensation.
 - ✎ Returning interim compensation - If drawer is acquitted during trial or by appellate court, court will direct complainant to return interim compensation along with interest.
- ✎ Lok Sabha passed National Council for Teacher Education (Amendment) Bill 2017, to approve institutions which are funded by Centre or states, but do not have recognition. It amends NCTE Act 1993. Key Features Include Retrospective recognition of certain teacher education institutions and permits these institutions to start new course / training in teacher education to institutions.
- ✎ Rajya Sabha passed Prevention of Corruption (Amendment) Bill 2013 . It amends Prevention of Corruption Act (PCA) 1988, to bring it in line with United Nations Convention against Corruption (UNCAC). Key Features Include
 - ✎ Making Giving bribe a punishable offence
 - ✎ Making it mandatory to take prior approval of competent authority to conduct any investigation into offence alleged to have been committed by a public servant.
 - ✎ Sets trail time period. In case of delays, reasons for it must be recorded for every extension of six months obtained. Total trial period may not exceed 4 years.
 - ✎ Anyone who is caught bribing government officials can be sentenced to a jail term of up to 7 years.
- ✎ Lok Sabha passed Fugitive Economic Offenders Bill 2018 that aims to curb practice of evading criminal prosecution by economic offenders fleeing from country to evade clutches Indian law by remaining outside jurisdiction of Indian courts. Key Features -
 - ✎ It is applicable in cases where total value involved in such economic offences is Rs.100 crore or more.
 - ✎ It establishes Special Court under the Prevention of Money-laundering Act (PMLA), 2002 to declare a person as FEO. court will appoint 'administrator' to oversee confiscated property.
 - ✎ It empowers director / deputy director (appointed under Prevention of Money-Laundering Act, 2002) to attach any property mentioned in application with permission of special court. Attachment will continue for 180 days, unless extended by court.
 - ✎ Bill allows any civil court or tribunal to disallow person declared FEO, from filing or defending any civil claim.
 - ✎ Director / deputy director will have powers vested of civil court.
 - ✎ Appeals against orders of special court will lie before High Court.
- ✎ Lok Sabha passed Homeopathy Central Council (Amendment) Bill 2018, that seeks to replace Central Council of Homoeopathy (CCH) with a board of governors.
 - ✎ It abolishes CCH, as it does not have the powers to deal with its corrupt chief and other members.
 - ✎ New board will comprise seven eminent homeopathy practitioners and administrators to be appointed by government.
- ✎ Lok Sabha passed Criminal Law (Amendment) Bill 2018 -
 - ✎ Jail term of minimum 20 years or life imprisonment or death for rape of girl under 12 years.
 - ✎ Increases minimum punishment from 10 years to 20 years for crime of rape of girl under 16 years, which can be extended to imprisonment for rest of life.
 - ✎ Increases minimum punishment for rape of women from rigorous imprisonment of 7 years to 10 years, which can be extended to life imprisonment.
 - ✎ Investigation and trial must be completed in two months. It proposes 6 months' time limit for disposal of appeals in rape cases.

300. ▶ Mumbai police will use Unmanned Aerial Vehicles (UAVs) for surveillance and install 'panic buttons' in order to enhance safety of women in the city, as part of INR 252 crores Safe City to be implemented in 3v years.

301. ▶ Muthoot Fincorp became first major private sector player to partner with National Skill Development Corporation to train over 10,000 youth over 3 years.
302. ▶ Myanmar joined India-initiated International Solar Alliance (ISA), making it 68th signatory to Framework Agreement of ISA.
- ISA was jointly launched by India and France in November 2015 at Paris on side lines of COP21 UN Climate Change Conference. Its Framework Agreement came into force in December 2017.
 - It is headquartered at campus of National Institute of Solar Energy (NISE), Gurugram, Haryana, making it first international intergovernmental treaty based organization to be headquartered in India. Upendra Tripathy is current head of ISA.
303. ▶ NITI Aayog Approved Blue Print for National Health Stack, a Digital Healthcare Infrastructure To Implement Centre's Ayushman Bharat Scheme.
- National Health Stack will facilitate collection of comprehensive healthcare data across the country. It Includes assigning a Digital Health ID for every Indian Citizen, Which will enable privileged medical institutions to access Person's Health Data.
 - Ayushman Bharat aims to provide a coverage of INR 5 Lakh per family annually and benefit more than 10 crore poor families. NITI Aayog has invited comments from stakeholders on consultation paper, by August 1, 2018.
304. ▶ NITI Aayog Launched a Composite Water Management Index as a tool to improve management of water resources. This index is an attempt to inspire States and UTs towards efficient and optimal utilization of water. States are categorized as *North Eastern and Himalayan States AND Other States*. Outcomes of report (for 2016 - 17) -
- In Other States, Gujarat is ranked at top in reference year (2016-17), followed by Madhya Pradesh, Andhra Pradesh, Karnataka and Maharashtra.
 - In North Eastern and Himalayan States, Tripura is at top followed by Himachal Pradesh, Sikkim and Assam.
 - In terms of incremental change (over 2015-16 level), Rajasthan is at top in general States and Tripura first amongst North Eastern and Himalayan States.
305. ▶ NITI Aayog and ABB India signed a Statement of Intent (SoI) to government realise its vision of 'Make in India' through advanced manufacturing technologies that incorporate latest developments in robotics and artificial intelligence. NITI Aayog will work with ABB across various sectors, to suggest solutions for digitalisation, incorporating Internet of Things (IoT) and Artificial Intelligence (AI) technologies.
306. ▶ NITI Aayog and Actor Sushant Singh Rajput collaborated to promote 2 major initiatives of NITI Aayog - promotion of BHIM and Women Entrepreneurship Platform.
307. ▶ NITI Aayog and Google signed a Statement of Intent (SOI), to work on a range of initiatives to help build AI (Artificial Intelligence) ecosystem across country.
308. ▶ NITI Aayog and IBM signed a Statement of Intent (SoI) to develop a crop yield prediction model using Artificial Intelligence (AI) to provide real-time advisory to farmers in aspirational districts. Aim is to enable cooperation in the use of technology to provide insights to farmers to improve crop productivity, soil yield, control agricultural inputs with the overarching goal of improving farmers' incomes.
309. ▶ NITI Aayog released first Delta ranking for 108 aspirational districts to measure their incremental progress across five developmental areas during April and May 2018. 49 key performance indicators were mapped across 5 developmental areas - health and nutrition, education, financial inclusion and skill development, agriculture and water resources and basic Infrastructure.
- Districts started entering data from April 1, 2018 in *Champions of Change* dashboard.
 - Most improved - Dahod (Gujarat, rank: 1st), West Sikkim district (Sikkim, 2nd). Ramanathapuram district (Tamil Nadu, 3rd) and Vizianagaram (Andhra Pradesh, 4th) and YSR Kadapa district (Andhra Pradesh, 5th).
 - Least improved - Kupwara (Jammu and Kashmir), Begusarai (Bihar), Ranchi (Jharkhand), Simdega (Jharkhand) and Khagaria (Bihar).
310. ▶ NITI Aayog signed Statement of Intent (SoI) with Lupin Foundation to collaborate in Aspirational Districts Programme to create templates for concerted development policy. Under this, both parties will partner to improve indicators in education, health and nutrition, financial inclusion and skill development, agriculture and water resources and basic infrastructure in Aspirational Districts.
311. ▶ NITI Aayog signed a Statement of Intent (SOI) with Gujarat Narmada Valley Fertilizers & Chemicals Limited (GNFC) to work together for implementing Proof-of-Concept (PoC) application for fertilizer subsidy management using Blockchain Technology.
312. ▶ NITI Aayog's Atal Innovation Mission (AIM) selected 3,000 additional schools for establishment of Atal Tinkering Labs (ATLs), bringing the total number of ATL schools to 5441. Selected schools shall receive a grant of Rs 20 lakh spread over 5 years to establish Atal Tinkering Labs for nurturing innovation and entrepreneurial spirit among secondary school children across India.
- Atal Innovation Mission (AIM) is Government's flagship initiative to promote a culture of innovation and entrepreneurship in country.

- Atal Tinkering Laboratories (ATLs) create innovators, Atal Incubation Centres and support to Established Incubation Centres ensure that innovations are taken to market and help create enterprises around these innovations.
313. ▶ NITI Aayog's Women Entrepreneurs Platform (WEP) signed Statement of Intent (SoIs) with *Shri Mahila Sewa Sahakari Bank, Indiabulls Housing Finance, SREI Infrastructure Finance, Srimanta Sankar Mission and Self Employed Women's Association (SEWA)*, to create opportunities and support women entrepreneurs. WEP was launched on International Women's day (March 8, 2018).
314. ▶ NTPC adopted iconic Charminar of Hyderabad (Telangans) under Swachh Iconic Places Projects of India. NTPC, in partnership with the GHMC, will take up development and beautification works at Charminar.
315. ▶ National Commission for Protection of Child Rights (NCPCR) drafted fee regulations to put in place uniform fee framework to check increases in school fees by unaided private schools. NCPCR will recommend these draft regulations to Ministry of Human Resource Development. It suggests -
- ▶ 10% yearly cap on fee hike permissible by private, unaided schools.
 - ▶ Setting up district fee regulatory authority in states to monitor school fee increases.
 - ▶ Formula for determining fees, based on school's location, costs incurred, revenue earned, student strength and other parameters.
 - ▶ It proposes revenue fines of 1 %, 2 %, 5 % on first 3 violations and bar admissions after any further violations.
316. ▶ National Council of Educational Research and Training (NCERT) initiated process of introducing QR code (Quick Response code) in their textbooks, aimed at helping students understand chapters better by watching film or reading additional content on laptops and digital boards.
317. ▶ National Crime Records Bureau (NCRB) is creating a national registry of crimes against women, amid growing concern over incidents of sexual assaults. Records will be sourced from the Crime and Criminal Tracking Network and Systems (CCTNS).
318. ▶ National Institute for Mountaineering & Allied Sports (NIMAS) in Dirang (Arunachal Pradesh) successfully conducted its Expedition to Mount Everest, making it first time that any National Institute expedition team has put eight members on top of Everest in First attempt.
319. ▶ National Institute of Wind Energy (NIWE) has installed a remote sensing instrument- LiDAR (Light Detection and Ranging) for assessment of offshore wind resource at Gulf of Khambhat, off Gujarat Coast.
320. ▶ National Mission for Clean Ganga (NMCG) launched *Yamuna River Front Development (RFD) project* implemented by Delhi Development Authority (DDA), named *Asita* (Another name for River Yamuna). It aims to restore, revive and rejuvenate river's floodplains and make them accessible to the people of Delhi.
321. ▶ National Mission for Clean Ganga (NMCG) organised Ganga Vriksharopan Abhiyan in Uttarakhand, Uttar Pradesh, Bihar, Jharkhand and West Bengal. Campaign was initiated as part of Forest Interventions in Ganga (FIG) component of Namami Gange programme.
322. ▶ National Security Guard (NSG) became first central paramilitary force to opt for e-ticketing instead of railway warrant. With this, NSG personnel don't have to carry railway warrants as Buying tickets through railway warrant system is a lengthy process.
323. ▶ Navratna CPSE National Aluminium Company Limited (NALCO) signed MoU with Ministry of Mines, setting highest ever target of Rs 9350 crore revenue from operations for FY 2018-19, 15% higher than last year.
- ▶ It aims at production of 2.1 million tons Alumina with 100% capacity utilisation & an optimum Aluminium production target of 4.15 lakh tonnes.
324. ▶ Nissan Motors signed MoU with Government of Kerala to establish a new global center for its digital operations in India.
325. ▶ Niti Aayog proposed 15-point action plan named "Breathe India" for combating air pollution in ten most polluted cities.
- ▶ Government should increase focus on electric and hybrid vehicles. Procurement of electric vehicles (EVs) should be mandatory for vehicles for central government use. Central government offices should replace existing fleets older than 15 years to electric vehicles by April, 2021.
 - ▶ Niti Aayog has suggested a carrot-and-stick policy towards air pollution adopted in many European countries. It has called for implementing a large scale feebate programme beginning 2020.
 - ▶ Niti Aayog favoured setting up smog-free towers in cities for providing quick relief from sudden spike in air pollution. Smog-free towers are an innovative technological solution deployed across Europe, which cleans polluted air in an area around it.
 - ▶ To deal with Construction dust, Niti Aayog asked government to enforce use of ready-made concrete.
 - ▶ Recommended strategic decommissioning of inefficient power plants, primarily running on coal. Renewable energy sources must be deployed and preferred.
 - ▶ Suggested government to push to rooftop solar panel power generators. Increasing solar power generation is a critical measure that needs to be adopted in order to reduce air pollution.
326. ▶ Nobel laureate and noted economist Muhammad Yunus (Bangladesh) has been honoured with 11th KISS Humanitarian Award 2018 in Odisha.

327. ▶ North Eastern state Arunachal Pradesh has been put on air connectivity map after its first commercial flight (of Alliance Airlines) landed at Pasighat Airport (East Siang district), under UDAN scheme. Alliance Air (subsidiary of Air India), will operate flight services on Kolkata-Guwahati-Pasighat route thrice a week.
328. ▶ Northeast Frontier Railway started operating one lease Parcel Cargo Express Train (PCET) on fortnightly basis, connecting Northeast to West Coast, Connecting New Guwahati in Assam to Kalyan in Maharashtra with stoppages at New Jalpaiguri, Kalumna Goods Shed.
- ✎ It would enable farmers in North east to market their products like tea, betel nuts, pineapple, jute, horticulture products, cane furniture etc. at the retail markets in Mumbai, Bengaluru, Nagpur, Pune etc.
 - ✎ A single PCET can carry consignment equivalent to 52 trucks. This will ensure less Carbon Emission which will contribute for Green India & saving of foreign exchange on account of purchasing of fuel.
329. ▶ Numaligarh Refinery Ltd (NRL) in Assam became first oil public sector undertaking (PSU) in India to adopt an online legal compliance system by introducing 'Legatrix'. Legatrix is cloud-based compliance management system, to effectively manage legal and regulatory compliances through monitoring control at different levels.
330. ▶ Odisha CM Naveen Patnaik inaugurated 300 crores Rukura Medium Irrigation Dam project in Sundargarh district, to irrigate 5,800 hectares of agricultural field.
331. ▶ Odisha Government launched Gopabandhu Sambadika Swasthya Bima Yojana as a new Health Insurance Scheme for journalists. It provides INR 2 Lakh per annum health insurance cover to all working journalists, initially covering families of around 3200 journalists. It is named after prominent social worker Gopalbandhu Das.
332. ▶ Odisha Government launched *Green Mahanadi Mission*, a plantation drive under which 2 crore saplings will be planted along Mahanadi river and its tributaries. It aims to stop soil erosion on river banks and recharge groundwater reserves. Odisha government will also set up a riverine port on river Mahanadi in Kendrapara district.
333. ▶ Odisha Government signed MoU with Regional Integrated Multi-Hazard Early Warning System (RIMES) to enhance effective management of all kinds of disasters, aimed at automating risk management, advisory generation and dissemination.
334. ▶ Odisha Government unveiled first-ever 'Tribal Atlas of Odisha', a compilation of demographic and cultural information of the tribal population in state, as first-of-its-kind tribal compilation in India. It gives information on tribal regions in state and key demographic indicators like literacy, sex ratio and education.
335. ▶ Odisha Govt. would implement its own food security act from October 2, 2018. It would cover nearly 34.44 lakhs people left out of National Food Security Act (NFSA).
336. ▶ Odisha Special Task Force (STF) launched drive to bust international syndicate that peddles pangolin, one of world's most illegally traded mammals. It requested Home Ministry to ask Myanmar government to block transit route for smuggled pangolin under Mutual Legal Assistance Treaty (MLAT). Pangolin is only scaly mammal on planet. Of its 8 species worldwide, 2 are found in India (Chinese pangolin and Indian pangolin).
337. ▶ Odisha government constituted a *Heritage Cabinet*, headed by CM Naveen Patnaik, aimed at protection of cultural and historical monuments.
338. ▶ Odisha government raised health cover from 5 lakh to 7 lakh under Biju Swasthya Kalyan Yojana (BSKY) for women. CM Naveen Patnaik also sanctioned 31.54 crore for 154 panchayats in seven blocks of 6 districts under Ama Gaon Ama Bikash Yojana.
339. ▶ Odisha government signed a MoU with Hyderabad-based Pullela Gopichand Badminton Foundation (PGBF) for setting up of P Gopichand Badminton Academy in Odisha.
340. ▶ Odisha government signed an MoU with global organization Sightsavers to prevent avoidable blindness, to strengthen education for blind students. This would benefit 25,000 visually impaired and 1.3 lakh students with special needs.
341. ▶ Odisha will host Triennial of International Art (TIA), India's first private sector triennial, in December-January, as a 40 day event.
342. ▶ Odisha's government decided to increase the inter-caste marriage incentive from 1 lakh to INR 2.5 lakh. They can withdraw amount only after 3 years of marriage.
343. ▶ Oil and Natural Gas Corporation (ONGC) began its operations in Nagayalanka block in Krishna District (Andhra Pradesh). This Early production System (EPS) has cost 6804 crores.
344. ▶ Organisation of Pharmaceutical Producers of India (OPPI) launched a digital campaign, ThinkForHealth, calling for ideas to improve access to healthcare in india, in partnership with Telangana government.
345. ▶ PM Modi inaugurated Delhi Metro's Mundka-Bahadurgarh section, The 11.2 km elevated corridor as part of Delhi Metro's Green Line. Delhi Metro network is now expanded to 288 km with 208 stations. This is third line of connectivity to the neighbouring state of Haryana.
346. ▶ PM Narendra Modi Inaugurated Bansagar Canal Project, aimed to boost irrigation in Mirzapur and Allahabad districts of Uttar Pradesh.
- ✎ He also laid Foundation Stone of Mirzapur Medical College, inaugurated 100 Jan Aushadhi Kendras in State and launched a bridge over River Ganga at Balughat (Chunar), to facilitate connectivity between Mirzapur and Varanasi.

347. ▶ PM Narendra Modi dedicated Mohanpura Project to the Nation, to facilitate irrigation of agricultural land in Rajgarh district (Madhya Pradesh), which is among 115 Aspirational Districts identified by Government for putting special developmental focus.
- ✍ INR 3866 crores project includes a dam and a canal system which will provide drinking water to over 400 villages.
348. ▶ PM Narendra Modi inaugurated India's first smart and green highway-135 km long Kundli-Ghaziabad-Palwal (KGP) Expressway also known as Eastern Peripheral Expressway (EPE).
- ✍ It has been completed in about 500 days, as against target of 910 days with cost INR 11000 crores. PM also inaugurated first phase of Delhi-Meerut Expressway, India's first 14 lane expressway and spans from Nizamuddin Bridge to Uttar Pradesh border.
 - ✍ Several Features of Expressway Include Solar power Plants, Rainwater harvesting, Closed tolling system, Weigh-in-Motion (WIMs) equipment, Auto Challans, Intelligent Traffic management AND Green cover.
349. ▶ PM Narendra Modi inaugurated Kishanganga Hydroelectric Project and laid Foundation Stone of Pakal Dul Power Project in J & K -
- ✍ Kishanganga Hydroelectric Project -
 - ✍ With capacity of 330 MW, This project in Bandipora District of Jammu and Kashmir is a run of river scheme, that is designed to divert water from the Kishanganga River to a power plant in Jhelum River basin.
 - ✍ It has been completed at cost of INR 5882 crores. Kishanganga H.E. Project will provide free power of 13 % to J & K, of approx 133 crores per year.
 - ✍ Pakal Dul -
 - ✍ With 1000 MW capacity, it will be largest Hydro Power Project in J & K on completion. To be built on Marusadar River (a right bank tributary of Chenab), It is also first storage Project in state. Its sanctioned cost is INR 8112 crores.
 - ✍ As it is a storage project, it shall improve water availability during lean season.
 - ✍ It will employ Around 3000 persons during construction and 500 persons shall be employed during operation phase.
 - ✍ J&K will get 12 % free power after 10 years of commissioning of Project.
350. ▶ PM Narendra Modi inaugurated Zojila tunnel project, to provide all-weather connectivity between Srinagar, Kargil and Leh. Its Length will be 14.2 km, making it country's longest road tunnel. It will cut down time taken to cross Zojila pass from 3.5 hours to 15 minutes. It will also be Asia's longest bi-directional tunnel and will be built at a cost of INR 6,809 crores.
351. ▶ PM Narendra Modi inaugurated several developmental projects in Chhattisgarh -
- ✍ Launched Integrated Command and Control Centre at Naya Raipur Smart City.
 - ✍ Launched modernized and expanded Bhilai Steel Plant.
 - ✍ Laid foundation stone for IIT Bhilai.
 - ✍ Inaugurated air services between Jagdalpur and Raipur.
352. ▶ PM Narendra Modi laid foundation stone of country's first Mobile Open Exchange (MOX) zone in Noida (Uttar Pradesh), to act as catalyst for growth of mobile and allied sectors in state. MOX will be dedicated ecosystem for mobile industry, providing integrated platform to mobile manufacturers, research and development (R&D) and allied industries. PM Modi also launched 81 investment projects worth INR 60,000 crores in Uttar Pradesh.
353. ▶ PM Narendra Modi laid foundation stone today for 2400MW first phase of NTPC's Patratu Super Thermal Power Project in Jharkhand, as a 74: 26 Joint Venture between Government of Jharkhand (GoJ) and NTPC Owned Patratu Vidyut Utpadan Nigam Ltd. (PVUN). PVUNL will develop it in two phases: 2,400 MW (3x800MW) in Phase-I and 1,600 MW (2x800 MW) in Phase-II.
- ✍ It will allocate 85 % of power to Jharkhand. Under Pradhan Mantri Sahaj Bijli Har Ghar Yojana (Saubhagya) scheme, it will ensure 24x7 power availability to households.
 - ✍ Engineering, Procurement & Construction contract of the project has been awarded to BHEL. Commissioning of first unit is envisaged in 2022.
354. ▶ Pakyong airport in Sikkim will be 100th operational airport in country, after its commissioning in June 2018. Post commissioning, Airline SpiceJet will be operating flights to Pakyong in Sikkim from Kolkata under UDAN (Ude Desh ka Aam Naagrik).
355. ▶ Patanjali Ayurved has been ranked as India's most trusted Fast Moving Consumer Goods (FMCG) brand (overall 13th) in TRA's Brand Trust Report 2018. Top Brand is Samsung and Top BFSI (Banking, Financial services and Insurance) is SBI.
356. ▶ PepsiCo Foundation announced a USD 4.26 million grant to an international non-profit organisation WaterAid to provide safe water access to communities in Karnataka, Andhra Pradesh and Kerala by December 2020. This adds to USD 17 million that Foundation has made in India to date.
357. ▶ Piyush Goyal (*Minister for Railways, Coal, Finance & Company Affairs*) inaugurated Neyveli Lignite Corporation (NLCIL)'s three 100 MW Solar Power Projects for commercial operation, situated at Thoppalaakkarai and Sethupuram in Virudhunagar District and Sellaiya Sezhiyanallur in Tirunelveli District (Tamil Nadu).

358. ▶ Piyush Goyal (Minister of Coal, Railways, Finance & Corporate Affairs) launched the Coal Mine Surveillance & Management System (CMSMS) and Mobile Application 'Khan Prahari' developed by CMPDI (a Subsidiary of CIL).
- ▶ Basic objective of CMSMS is reporting, monitoring and taking suitable action on unauthorised coal mining activities. CMSMS is a web based GIS application through which location of sites for unauthorised mining can be detected. It will use satellite data to detect changes by which unauthorised mining activity extending beyond allotted lease area can be detected.
 - ▶ Complaints originating from coal mines allotted to Coal India will go to Coal India Offices and those originating from coal blocks not allotted to Coal India will go straight to State Government Officers and for each complaint the alert will also go to DM and SP of district.
 - ▶ System also uses information provided by responsible citizens using smartphones using the mobile application "Khan Prahari".
 - ▶ Its Uniqueness is that it uses satellite data as well as public input to capture information on unauthorised coal mining activities and also take appropriate action on them with due transparency.
359. ▶ Power Grid Corporation of India (PGCIL) signed pact with Ministry of Power to incur capital expenditure of INR 25000 crores for current fiscal.
360. ▶ Power Grid Corporation of India (POWERGRID) signed MoU with Uttar Pradesh Power Corporation (UPPCL) for energy efficiency and agricultural demand side management programme.
361. ▶ President Ram Nath Kovind formally declared *Queen Pineapple* as state fruit of Tripura. He also inaugurated National Highway from Matabari to Sabroom in Udaipur (Tripura), during his visit to State.
