(संसद के अधिनियम, वर्ष 2009 द्वारा स्थापित / Established under the Act of Parliament in 2009)

Recruitment of JRF in ANRF funded project

Applications are invited for one Junior Research Fellow (JRF) position in the ANRF-funded project entitled "Development of large area position sensitive multi-wire proportional counter detectors in India and study of quasifission cross sections and time scales in reactions populating heavy and super-heavy nuclei." in Department of Physics, Central University of Kerala, Kasaragod. The position is for five years, subject to satisfactory performance of the candidate. The position will be co-terminus with the project.

The requisite qualifications and experience are as follows;

Project File No.	ANRF/ ARG/ 2025/ 003362/ PS
Project Title	Development of large area position sensitive multi-wire proportional counter detectors in India and study of quasifission cross sections and time scales in reactions populating heavy and super-heavy nuclei.
Salary per month	Fellowship: ₹37,000/- per month + HRA for first 3 years, ₹42,000/- per month + HRA for next 2 years as per ANRF norms.
Qualifications	Essential Qualifications: • M.Sc. in physics with minimum 55% mark.
Work experience	Candidates with prior experience in experimental and theoretical nuclear physics will be preferred.
Terms and conditions	<ul style="list-style-type: none"> Interested candidates may send the duly filled and signed application via email to Dr. E. Prasad (prasadenair@cukerala.ac.in) on or before <u>06</u> February 2026. Please mention "Application for ANRF Project - JRF" in the subject line. The application should include: <ul style="list-style-type: none"> - A one-page motivation letter - Curriculum Vitae (CV) Shortlisted candidates will be informed by email regarding the interview (online/offline). No TA/DA will be provided for attending the interview. The selected candidate will be appointed on a purely temporary basis, and the position will be co-terminus with the project.
