PROJECT ASSOCIATE I POSITION UNDER ANRF CRG project

File no: CRG/2022/0010009

Date: 6/11/2025

Title of the sponsored project	Identification and analysis of tRNA derived fragments (tRFs) from rice (black, brown, red and white) derived exosome-like edible nanovesicles (ELN) for cancer therapeutics
Name of the position	PROJECT ASSOCIATE I
Number of the position	1
Nature of work	The project work involves performing molecular Biology techniques such as PCR, cell culture, assays to elucidate the therapeutic activities of exosome like nanoparticles derived from rice.
Duration of the project	9 months
Duration of the position	4 months
Stipend	Rs. 37000- per month + 8% HRA
Funding agency	ANRF
Principal investigator	Dr. Thejaswini Venkatesh
Department	Biochemistry and Molecular Biology
Educational qualification	MSc with First class in Biochemistry/Biotechnology/Molecular Biology/ any life science field or Four year's bachelor's degree in natural/agricultural sciences with minimum 60% or 6.5 CGPA from a recognized university/institute. Candidates shall have qualified CSIR-UGC NET or GATE or any other national level examinations.
Additional qualification (desirable, if any)	Prior experience in handling cell lines and cell culture
Start date of the application	11/11/2025
Closing date of the application	20/11/2025

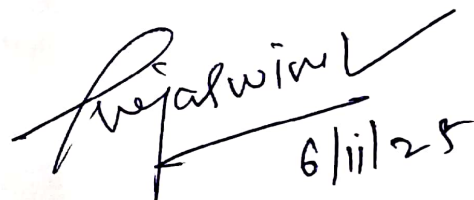

Instructions to the candidate:

1. Only shortlisted candidates will be communicated through email tentatively by 22 November 2025 to appear for the interview.
2. The interview will be conducted online.
3. The position is available immediately, so the selected candidate is expected to join immediately.
4. Interested candidates must send their CV, copy of the certificates and other necessary documents and mail it to thejaswinivenkatesh@cukerala.ac.in. Incomplete application forms will be rejected for interview process.
5. Also, applicants who do not meet the required qualification will not be called for the interview. The institute reserved the right to fix suitable criteria for shortlisting eligible candidates satisfying qualification and experience.

For any clarification regarding the application process, the candidate may contact the PI.
