2. **How to Apply:** A Brief bio-data duly signed, Application form (available on the website), Proof of Date of Birth, BE./B.Tech M.E./M.Tech mark sheets and degree certificates may be sent to the email ID of the Principal Investigator (hariom.verma@diat.ac.in) in PDF form as a single file, with a subject titled "**Application for Project Intern**" on or before **10th April, 2026**.

3. Based on the suitability for the project, the applicants will be called for an interview (in person or via video conference). The shortlisted (for the interview) candidate will be individually informed via email. No T/DA will be paid for attending the interview.

4. Candidates must bring their original application with all necessary educational and other supporting documents/project reports/publications etc., along with 1 (one) set of self-attested copies of each, at the time of the interview.

Cont....2

5. **Other Terms & Conditions: -**

- a) Offer of Project Intern position do not confer any right for absorption in DIAT (DU), Pune.
 - b) The qualification prescribed/ experience gained should have been obtained from recognized Universities / Institutions/Industries.
 - c) The prescribed educational qualifications are the bare minimum and mere possession of them does not entitle the candidates to be considered at every stage of the selection process. In case of a large number of applications, based on the recommendations of the Screening Committee, the Principal Investigator may restrict the number of candidates to be called for the interview to a reasonable limit after taking, the qualifications and experience over and above the minimum prescribed in the advertisement, into consideration. Therefore, it is the interest of the candidates, to mention all the qualifications and experience in the application clearly with supporting documents.
 - d) **Selected candidate is required to join duty immediately on receipt of the offer letter.**
6. For further details/clarification, please contact **Dr. Hari Om Verma, PI**, Department of Aerospace Engineering and Autonomous Systems on Telephone No. (020) 2460 4513 or Mob.: +919932600962.
