

**Advt. No. SD/SPS/29**

**Date: 29-05-2026**

**RA-1 position in the School of Physical Sciences, IACS**

Applications are invited for recruitment of one Research Associate for the project (ANRF, DST, GoI) entitled "Probing Magnetoelectric Coupling at Two-Dimensional Heterointerfaces Using Acoustic Vibrometry" under the supervision of Dr. Subhadeep Datta, Associate Professor, SPS, IACS at [spssdd@iacs.res.in](mailto:spssdd@iacs.res.in) in the School of Physical Sciences within 20 days from the date of publishing the advertisement.

Name of the post: RA-1, Number of posts: One (01)

Research Area: Experimental Condensed Matter Physics

Essential Qualifications:

1. Candidates should have M.Sc. degree in Physics/Material Science/Electronics with 55% marks both in B.Sc. (Hons.) and M.Sc. examination along with good overall academic record.
2. The candidate must have Ph.D. degree in physical sciences with research experience supported by good publications in peer-reviewed journals. Candidates who have submitted PhD thesis are also eligible to apply but their final selection and emoluments will be guided by the rules of IACS.

Desirable qualifications: Specialization in condensed matter physics. **Preference will be given to the candidates having substantial research exposure in Raman spectroscopy, ultrafast spectroscopy and nonlinear optics.**

Age limit: 35 Y. Relaxation is applicable as per Govt. rule.

Fellowship: As per ANRF, DST rules.

Tenure of Fellowship: Six months from the date of joining, which may be extended based on performance to be reviewed by a committee. The position is purely temporary, and the candidate will have no right to claim (explicit or implicit) any post in the institute.

Application Procedure: Applicants may send their applications to Dr. Subhadeep Datta, School of Physical Sciences, IACS via email containing attachment of curriculum vitae (CV) in pdf format containing relevant information like educational qualifications, date of birth, category, permanent address, contact phone/mobile number, email address as well as any other relevant details. A letter of recommendation from the PhD supervisor should be provided upon request.

The E-mail address is: [spssdd@iacs.res.in](mailto:spssdd@iacs.res.in). The subject line of the e-mail should be Full Name followed by "Application for RA-1/ANRF-ARG/SD/SPS/MAY/2026".

Selection Procedure: Applicants will be shortlisted based on merit. In this regard, percentage of marks obtained in Bachelors' & Masters (including particulars like specialization etc.), year of passing, present status/enrolment, publication details during thesis work, technical expertise and other distinctions should be mentioned in the application. Only shortlisted candidates will be communicated via email and called for an interview for the final selection.
