

Notices & Recruitment — September 2026

Current Openings at IIM Ahmedabad

Three research and programme roles are currently open across the Cyril Shroff-IIMA GC Leadership Academy and the Centre for Transportation and Logistics.

All three positions close on **September 30, 2026**. Applications must be submitted online as a single consolidated PDF containing the materials listed under each posting below.

Cyril Shroff-IIMA GC Leadership Academy

Closes 30 Sep 2026

Research Associate

Multiple full-time positions supporting research, case development, and academic publications.

The Research Associates will support the Academy's research, case development, publications, and academic activities — including literature reviews, data collection and analysis, interviews and field research, research notes and reports, case studies and teaching materials, and coordination of research projects, working closely with the Academy's faculty leadership.

Essential qualifications

- Postgraduate/Master's degree in Management, Law, Economics, Public Policy, Social Sciences, or a related discipline.
- Strong research, analytical, and problem-solving ability to independently review literature and analyse data.
- Excellent English writing skills, with a clear, precise, academic/professional style.
- Strong organisational skills, attention to detail, and intellectual curiosity.

Preferred, not required

- Prior research experience in an academic, consulting, legal, or policy environment.
- Experience contributing to research papers, journal articles, case studies, or reports.

Duration

1 year, extendable on performance

Compensation

Commensurate with qualification & experience

Travel

Cyril Shroff-IIMA GC Leadership Academy

Closes 30 Sep 2026

Programme Manager

One full-time position overseeing the Academy's administration, operations, and outreach.

The Programme Manager will lead the Academy's day-to-day administration, operations, and programme delivery, reporting directly to the faculty leadership.

Core responsibilities

- Managing daily administration, operations, and programme delivery.
- Liaising with academic and administrative offices across IIMA.
- Coordinating programmes, events, research activities, and external engagements.
- Managing outreach, partnerships, stakeholder relationships, and business development.
- Supervising research assistants, case writers, and project staff.
- Tracking research, case-writing, publications, and other knowledge products.

Essential qualifications

- Postgraduate degree in Management, Public Policy, Law, Economics, Commerce, Social Sciences, or a related field.
- At least 3 years in programme/project management, executive education, academic administration, business development, or institutional management.
- Proven programme and project management skills across timelines, budgets, and stakeholders.
- Strong outreach, relationship management, and business development ability.
- Excellent written and verbal communication and professional judgement.

Duration

1 year, extendable on performance

Compensation

Commensurate with qualification & experience

Preferred background

Corporate governance / GC ecosystem familiarity

Centre for Transportation & Logistics

Closes 30 Sep 2026

Research Associate — Transportation & Logistics (Civil Aviation)

Multiple full-time positions on aviation policy, operations, and management research.

Selected candidates will work under Prof. Debjit Roy and Prof. Sandip Chakrabarti on projects spanning aviation policy, operations, and management, including data collection, cleaning, and processing, literature reviews, quantitative analysis, and report drafting. The work location will be Delhi or Ahmedabad, based on requirement.

Required qualifications

- Master's degree in business administration (MBA or equivalent) or economics (MSc/MA or equivalent), with significant coursework in data analytics.
- Strong grades in undergraduate and postgraduate statistics, econometrics, and data analytics coursework.
- Excellent written and oral communication; a writing sample is required with the application.
- Prior research assistantship experience is a plus, though not essential.

Promising candidates without prior research assistantship experience may initially be appointed as Research Assistant.

Duration

6 months, extendable at supervisor's discretion

Location

Delhi or Ahmedabad

Compensation

Per IIMA policy, commensurate with experience
