How to apply

Both roles use the same online process. The application link is the "CLICK HERE" text inside each notification PDF, so open the PDF for the post you want and use the link there.

Applications received after 15 October 2026 will not be considered.

1. Prepare a cover letter and your updated resume.
2. Combine both into a single PDF, cover letter first and resume second.
3. Write the cover letter on why you want the role, how it fits your research and what you can contribute to NSE CBS. It should not repeat your resume.
4. Submit the PDF through the online link in the notification.
