NOW HIRING CSIR-FUNDED RESEARCH PROJECT

Position open

Junior Research Fellow (JRF)

PROJECT TITLE

Unraveling the mechanistic underpinnings of arginomycin biosynthesis: A remarkable peptidyl-

nucleoside natural product with potential therapeutic implications

PRINCIPAL INVESTIGATOR

Prof. Nilkamal Mahanta

Department of Chemistry

CSIR SANCTION REFERENCE NO.

80 (0135)/26/EMR-II

Council of Scientific & Industrial Research

APPLICATIONS OPEN

10 Nov 2026

→

APPLICATIONS CLOSE

01 Dec 2026
