

INDIAN ASSOCIATION FOR THE CULTIVATION OF SCIENCE
(Deemed to be University under de novo category)
Jadavpur, Kolkata – 700032

Advt No. RKG/SCS/047

Dated **06.09.2024**

Recruitment of one Research Associate (RA-I) in the School of Chemical Sciences under Prof. Rajib Kr Goswami in the project entitled of “*Total synthesis of Bioactive Natural Products and Their Relevant Variants*”

Walk-In Interview will be held at the School of Chemical Sciences on **19th September, 2024 at 3 p.m.** onwards for the recruitment of one Research Associate-I.

Essential Qualifications: A candidate should have Ph.D. degree in chemistry/chemical sciences, with research experience supported by good publications in peer-reviewed journals. Preference will be given to the candidates having substantial research exposure in multistep chemical synthesis of complex natural products.

Research Area: Chemical synthesis of natural products.

Number of Post: One (1)

Emoluments: As per IACS rules.

Age limit: 35 Y. Relaxation is applicable as per Govt. rule.

Tenure of Fellowship: This position is purely temporary which will be initially for 6 months and may be extendible up to 1 year (one year) subject to the recommendation of the evaluation committee based on his/her performance after 6 months. The candidate will have no right to claim (explicit or implicit) any post in the institute.

Interested candidates may send their complete resume directly to Prof Rajib Kumar Goswami by email ocrkg@iacs.res.in within **16th September 2024 by 5.00 pm**. Original and photocopies of all certificates including age proof, qualification, experience, reprints and associated documents need to be produced during the walk-in interview.

No TA will be admissible for attending the interview.
