

Invites applications for the post of

Research Assistant – Finance & Accounting

A research assistant position is immediately available in a project pertaining to the ongoing research projects related to the microstructure of Indian financial markets. The work primarily involves analyzing intraday financial data tick-by-tick trading data for the spot and derivatives markets.

Applicants should have a graduate degree in engineering / statistics / applied mathematics / economics / econometrics, or other-related fields (from Tier-I institutions only) with a strong exposure to mathematics and programming before the appointment begins. Further, strong written and oral communication skills are a must.

Candidates aiming for a Ph.D. in Finance after the RA position are encouraged to apply.

Duration: The position will be initially offered for a period of six months and may be extended depending on performance, at the discretion of the faculty supervisor.

Location: The selected candidate will be working from the IIM Ahmedabad campus. IIMA provides access to the library and computer center for all Research Assistants. If selected, the candidate is expected to manage their own accommodation outside the IIMA campus, which is centrally located within the city of Ahmedabad.

Salary: Compensation will be governed by IIMA's policy, commensurate with qualification and experience.

Application and deadline:

Candidates meeting the above criteria are advised to APPLY ONLINE ONLY. Please use the following link for the same.
