Project Staff (JRF) position under ANRF PM ECRG Project

Applications are invited under the sponsored project. The details of the project are as under:

Position	Junior Research Fellow (JRF)
Number of Position (s)	01
Title of The Project	Dynamic Modeling of Wet Granulation Integrating Multiscale PBM-DEM and Coarse-Graining Approaches to Track Size and Temperature Evolution
Principal Investigator	Dr. Ashok Das, Department of Mathematics and Computing, IIT Dhanbad
Tenure of Project	Maximum three years or till the end of project, whichever is earlier. Selected candidates (based on performance) may be considered for the PhD program at IIT Dhanbad as per institute norms.
Job Description (in maximum of 100 words)	The selected JRF will work on developing mathematical models and computational codes for simulating the wet granulation process. The role involves numerical analysis, implementation of mathematical models, and validation of simulation results. The JRF is also expected to contribute to the preparation of research articles, technical reports, and documentation. Active collaboration with the PI and project team on related research tasks is essential.
