

SRIC/06

INDIAN INSTITUTE OF TECHNOLOGY, ROORKEE
Department of Mechanical and Industrial Engineering

Dated: Jul. 14, 25

ADVERTISEMENT TO FILL UP PROJECT POSITIONS*

Applications are invited from Indian nationals only for project position(s) as per the details given below for the consultancy/research project(s) under the Principal investigator (Name: Prof. Vedit Gaur), Dept./Centre: Department of Mechanical and Industrial Engineering, Indian Institute of Technology, Roorkee.

1. Title of project : Fatigue-Creep Interaction of IN625 alloy using in-house developed thermo-mechanical fatigue testing setup and numerical simulations (Part-2)
2. Sponsor of the project : Central Power Research Institute (CPRI)
3. Project position(s) and number : JRF (01)
4. Qualifications : ME/M.Tech in Mech./Metallurgy/Materials Engg. with GATE qualified unless exempted from GATE/NET as per Institute rules
5. Emoluments : Rs. 37,000/month
6. Duration : 2 Years or till the duration of the project
7. Job description

The project aims to reproduce the in-service thermo-mechanical fatigue loading experienced by AISC steam turbine casing experimentally at specimen level and to study the creep-fatigue interaction of IN625 alloy. Basics knowledge of metallurgical aspects of material mechanics behavior, fracture mechanics, and fatigue is required. Should be able to work in an independent environment. Skills like SEM, Optical microscopy analysis, EBSD analysis, and mechanical testing are preferable but not mandatory.

8. Candidates before appearing for the interview shall ensure that they are eligible for the position they intend to apply. Only the shortlisted candidates will be notified of the interview call.
9. Candidates should submit their applications with the following documents to the office of the Principal Investigator through email or by post as a **SINGLE PDF** file in the following order:
 - Application in plain paper with a detailed CV including chronological discipline of degree/certificates obtained.
 - Experience including research, industrial field and others.
 - Attested copies of degree/certificate and experience certificate.
10. Candidate shall bring along with them the original degree(s)/certificate(s) and experience certificate(s) at the time of interview for verification.
11. Preference will be given to SC/ST candidates on equal qualifications and experience.
12. Please note that no TA/DA is admissible for attending the interview.
13. Note: The selected candidate may get an opportunity to pursue PhD subject to Institute admission rules

The last date for application to be submitted by email to the Principal Investigator is **31 July 2025** by 5 PM. The interview shall be in online mode and shortlisted candidates shall be informed accordingly.
