3	Mechanical Engineering	Mechanical Engineering	Mechanical Engineering	Mechanical Engineering

Instructions:

1. The educational qualifications prescribed for a given post are the minimum and mere possession of the same shall not entitle to be called for an interview.
2. Candidates who do not have formal Master's degree but have earned their Ph.D. (integrated) directly after Bachelor's degree shall be evaluated through the course credits earned during their doctoral work.
3. If a Class/ Division is not awarded at the Bachelor's/ Master's level, a minimum of 60% marks in aggregate shall be considered equivalent to First class/ division. If a Grade Point system is adopted, the CGPA will be converted into equivalent marks.
4. The research papers published in cited research journals of repute in the relevant scientific areas shall only be considered for giving due merit.
5. The quality and impact factor of the journal for a specific discipline will be decided by the Scrutiny Committee and a cumulative impact factor for that discipline shall be as reported on Scopus and Web of Science.

Important Note -

All rights to fill the number of posts or to extend the advertisement dates or to cancel the partial/full advertisement, etc. are reserved with the Competent Authority of Institute. The rights of the Institute can be exercised without any prior notice or information.
