VACANCY NOTICE

Principal Project Associate - 1 Position

Principal Project Associate position is available in the ICGEB-Emory Vaccine Centre Lab, Molecular Medicine Group, ICGEB, New Delhi.

The position is available for 1 year. An initial probationary period for 2 months will be in place and then extended based on performance.

Educational Qualifications:

Essential qualifications: PhD (either submitted, or received) in the field of Life Sciences, with strong and demonstrable expertise in primer design, vector construction, cloning, gene expression in mammalian expression systems, optimizing conditions of recombinant protein expression, protein purification, proficiency in cell based assays and a basic understanding of molecular docking.

Desirable qualifications: Ability to work collaboratively in a team and manage timelines effectively.

Deadline: Interested candidates should submit their updated Curriculum Vitae with a one page description of research experience as a PDF attachment by **5th Dec 2024** by email to ICGEB.Emory@gmail.com with subject line indicating the position the candidate is applying for. Suitable candidate will be selected by Dec 15th, with a start date of Jan 02, 2025.
