SPECIAL CENTRE FOR MOLECULAR MEDICINE · JNU

Senior Research Fellow

One temporary position — DBT-funded research project

Applications are invited for a temporary post of Senior Research Fellow (SRF) in the DBT-funded project “Integrative analysis of prevalent Metabolism Disrupting Chemicals/obesogens mediated Dysregulation of Thyroid Hormone Receptor in the Genesis of Obesity.”

EMOLUMENTS	AGE LIMIT	DURATION	POSITIONS
₹42,000 + 27% HRA	35 years*	~8 months	01

ESSENTIAL QUALIFICATIONS

- M.Sc. (CSIR/DBT/ICMR/UGC NET qualified) in any branch of Biological/Life Sciences or a related field, with a strong academic record.
- Minimum two years of research experience in the related field.

DESIRABLE QUALIFICATIONS

Candidates who have published original research articles, or have suitable experience in Receptor Biology or Molecular & Cellular Endocrinology, may be preferred. Experience in live-cell imaging and animal handling will be given priority. Shortlisting is based on eligibility and suitability; final selection is based on interview performance.

HOW TO APPLY

Submit an application with a cover letter and self-attested copies of degrees, certificates, and testimonials. Clearly mention the post applied for and send documents to:

*Prof. Rakesh K Tyagi (P.I.)
Special Centre for Molecular Medicine (SCMM)
Jawaharlal Nehru University (JNU)
New Delhi-110067*

Age relaxation as per Govt. of India norms. Only short-listed candidates will be notified and invited for an online/hybrid interview on Friday, 28 August 2026 at 10:30 AM. Incomplete applications will not be entertained; original documents must be kept ready for verification.
