

DEPARTMENT OF BIOPHYSICS, SECTOR 25,
PANJAB UNIVERSITY, CHANDIGARH 160014

Advertisement for Project Assistant

Applications are invited along with the complete bio-data and attested copies of certificates showing qualifications and experience for one post of **Project Assistant** in the research project entitled **“Development of Peptide mediated antisense oligonucleotide (PMAsO) based next generation therapeutics for priority pathogens”** by DHR, Government of India granted to Dr. Ravi Pratap Barnwal (PI) and Dr. Gurpal Singh and Prof. Ashwani Koul (coPIs). Initial appointment is for one year, extended up to 3 years based on the performance. Applications should reach the undersigned by **22/08/2025** either by **post** or **email at barnwal@pu.ac.in**

Eligibility: M.Sc. in Biophysics/Biochemistry/Microbiology/Biotechnology/Chemistry/allied subjects with minimum 55% marks. “Candidates with UGC-NET/GATE/PU PhD (Biophysics)/ other national entrance test conducted by Government of India will be preferred.”

Age: 30 years (maximum)

Desirable: Experience with peptide, antimicrobial work and nanotechnology

Emoluments: Rs. 26,000/-p.m. (consolidated) for three years as per DHR/ICMR or Panjab University guidelines.

Yours sincerely

/SD

Ravi Pratap Barnwal, Ph.D.
Department of Biophysics, Panjab University, Chandigarh

Note: No TA/DA will be provided. The post is purely temporary and commensurate with project.
Candidates should mention their email address and phone number in the bio data.
