Shortlisting & Documents

If Too Many Candidates Report

Shortlisting criteria as given in each notice:

- ✓ Scientific Assistant/B (Chemistry): if more than 15 candidates with the required experience, the top 15 are screened in order of (a) experience in a Radiopharmacy Lab and highest B.Sc. percentage, (b) experience in a facility handling radioisotopes and highest B.Sc. percentage, (c) highest B.Sc. percentage
- ✓ Scientific Assistant/B (Biological Science): if more than 15 candidates, based on highest B.Sc. (Final) percentage and work experience
- ✓ Technician/B (Animal House Attendant): if more than 10 candidates, based on highest percentage obtained in SSC

Carry These With You

- ! Original certificates of date of birth and educational qualification (Class X, XII, B.Sc. year-wise mark sheets, degree/convocation certificate; Trade Certificate for Technician/B) and experience proof
- ! One set of attested Xerox copies of the certificates
- ! One passport size photograph
- ! Selected candidates must obtain a Medical Certificate from a Registered Medical Practitioner and a Police Verification Certificate
- ! Female candidates who are pregnant are not allowed to work in the Radiopharmacy Lab (as per the Scientific Assistant/B Chemistry notice)
