Applications are invited for one post of **Junior Research Fellow** with a fellowship (Rs. 37,000 per month PLUS 20% HRA for first two years and Rs. 42,000 per month PLUS 20% HRA for third year) in a sanctioned research project (ANRF, New Delhi) entitled "*Identification of early diagnostic molecules in sepsis patients as a marker for sepsis-associated thrombosis (# P-07/1357)*". The post is purely temporary and co-terminus with the project. The duration of the project will be maximum for 3 Years.

Essential Qualification: The candidate should have a first-class post-graduate degree in Biochemistry/ Biotechnology/ Molecular & Human Genetics/Zoology/Animal Science/Life Sciences with qualified CSIR-UGC NET/GATE.

Desirable Qualifications: Candidates with hands-on experience in isolating blood cells (neutrophils), platelets, and having mice handling experience will be preferred.

Age-Limit: The upper age limit is 35 (thirty-five) year. The upper age limit is relaxable by 3 years for OBC and 5 years for SC/ST/physically handicapped/female candidate, as per GOI rules.

How to Apply: Interested candidates may send the application on plain paper or through email stating their full biodata along with the educational details (Attach self-attested copies of all relevant marksheets & certificates starting from High School or equivalent onwards). The applications should reach either by registered/speed post or by email within 21 days from the date of advertisement to **Dr. Vijay K. Sonkar (Principal Investigator), Department of Molecular & Human Genetics, Institute of Science, Banaras Hindu University, Varanasi, 221005** (Email: vijay-sonkar@bhu.ac.in). Only-shortlisted candidates will be notified through email for online/physical interview. No TA/DA will be paid, if called for physical interview.
