

**CSIR — Centre for Cellular
and Molecular Biology**

Habsiguda, Hyderabad 500007, Telangana

W0926/A

Posted 08 Sep 2026

**Walk-in interview for a temporary project
position on contractual basis**

Interview date

Wed, 16 Sep 2026

Registration

9:30 – 10:30 AM

Venue

**CSIR-CCMB,
Habsiguda**

Positions open

1

Post

Project Research Scientist – II (Non-Medical)

Post code W010926A · Molecular Biology / NGS / Bioinformatics · Upper
age limit 40 years

Project

GAP000690 — Implementation of Wastewater Surveillance for
Multi-pathogens across India

PI: Dr. Vinay K. Nandicoori / Dr. Subhajit Sen · Project ends 31 Mar 2028

Emoluments

₹67,000 per month + 30% HRA

Essential qualification

PhD in life sciences (Molecular Biology, Bioinformatics, Biotechnology, Microbiology, Virology, or an allied subject)

OR

Postgraduate degree in a relevant field, plus three years' experience in that field

Desirable experience

- Over a year's experience in NGS library preparation — metagenomics, whole genomes, transcriptomes
- Over a year's experience analysing high-throughput genomic data, with programming ability in C, C++, R, Python, JS or Perl
- Comfortable on Linux/bash, able to build and adapt custom analysis pipelines
- Prior work with wastewater metagenomic data viewed favourably

Before you go: the blank application form is not issued at the venue. Download and complete it in advance, and bring self-attested copies of all certificates — marksheets, experience letters, and proof of date of birth — plus the originals for verification.
