Position overview

Name of position	Data Scientist

Sponsoring agency	Ministry of Electronics and Information Technology (MeitY)
Monthly emoluments	₹87,100/- (consolidated, inclusive of all components)
Number of positions	01 (One)
Age limit	40 years. Age relaxation, if any, applies as per Government of India / DTU / funding agency norms.

Tenure

The position is for 12 months or co-terminus with the project, whichever is earlier. The engagement is purely contractual and project-based, and is renewable subject to satisfactory performance, availability of project funds and approval of the Competent Authority.

Role summary

Develop and maintain data analytics pipelines, benchmarking frameworks, performance metrics and dashboards for objective evaluation and monitoring of cybersecurity audit reports and auditing organisations. The selected candidate will also perform assigned work and assist the Chief Investigator in various phases of the research project.

Essential qualification

Candidates must meet one of the following:

> Ph.D. (awarded or thesis submitted) in Computer Science & Engineering / Information Technology / Software Engineering / Cyber Security / Artificial Intelligence / Electronics & Communications / Mathematics & Computing or a closely related

discipline.

OR

M.E./M.Tech in Computer Science & Engineering / Information Technology / Software Engineering / Cyber Security / Artificial Intelligence / Electronics & Communications / Mathematics & Computing or a closely related discipline, with minimum 60% marks or equivalent CGPA.

Desirable qualification

Ph.D. candidates

- One (01) research paper in SCI/SCIE-indexed journals.

M.E./M.Tech candidates

- Two (02) years of relevant post-qualification experience.
- Two (02) research papers in SCI/SCIE-indexed journals.

Desirable qualifications are not mandatory and will be used only for preference during shortlisting.

Preferred skills

Hands-on experience in:

Deep Learning | Machine Learning | Natural Language Processing | Text Summarisation | Large Language Models (LLMs) | Reinforcement Learning | Python Programming | Cyber Security | Information Security

How to apply

Send the duly filled application form, appended with a detailed CV, a recent passport-size photograph, and proofs of educational qualifications, experience certificates and research publications, all combined in a single PDF file, by email to:

- To: pawansingh@dtu.ac.in
- CC: sanjay.kumar@dtu.ac.in and anurag@dtu.ac.in

Subject line of the email:

> Application for the post of Data Scientist under MeitY sponsored project

Last date to apply	27/11/2026
Interview	Shortlisted candidates will be informed through email only.
Selection process	Shortlisting based on eligibility and relevant experience, followed by an interview by the Selection Committee.

Terms and conditions

1. The engagement is purely contractual and project-based. The appointment shall be for twelve (12) months or co-terminus with the project, whichever is earlier, and may be renewed subject to satisfactory performance and availability of project funds, as per project requirements.
2. Selection shall be carried out through shortlisting of applications based on eligibility and relevant experience, followed by an interview of the shortlisted candidates by the Selection Committee.

3. Participation in any workshops, scientific events, conferences, or visits to organizations/academic institutions in India for project-related work shall be treated as “On Duty” only with prior approval of the competent authority / Chief Investigator (CI).
4. The selected candidate shall be paid consolidated monthly emoluments as specified. No additional allowances such as HRA, TA, DA, medical benefits, or any other benefits shall be admissible.
5. A three (03) month satisfactory assessment period is mandatory for continuation of engagement. The Chief Investigator reserves the right to terminate the engagement at any time due to unsatisfactory performance, with one month’s notice.
6. The selected candidate shall be governed by the disciplinary rules and regulations of Delhi Technological University (DTU) as applicable from time to time.
7. The selected candidate shall perform assigned project duties and prepare technical reports, documentation, datasets, software deliverables, and/or research publications as directed by the Chief Investigator, strictly in accordance with the project objectives and funding agency requirements.
8. No TA/DA shall be paid to candidates appearing for interviews or selection-related processes.
9. This engagement does not confer any employer–employee relationship with DTU or the funding agency beyond the project duration. The services shall automatically stand terminated upon completion of the project, or earlier, at the discretion of the Chief Investigator.
10. If any information is found false/incorrect at any stage, the candidature/appointment is liable to be cancelled, even during the ongoing appointment.
11. The appointment does not confer any right or claim for regular or permanent employment at DTU or with the funding agency, i.e. MeitY.
12. Candidates who are currently employed must submit a No Objection Certificate (NOC) from their employer at the time of joining.

13. All communication with shortlisted/selected candidates shall be made only through email and/or the official website. No individual correspondence shall be entertained.
14. The Chief Investigator reserves the right to fill or not to fill any position advertised, without assigning any reason.
15. The date of interview shall be communicated only to eligible shortlisted candidates via email.
16. The selected candidate shall work at least five (5) days a week, for a minimum of eight (8) hours per day, within the time window of 8:00 AM to 6:00 PM, or as per project requirements, and shall comply with the timelines, milestones and deliverables defined by the Chief Investigator.
17. The selected candidate shall maintain strict confidentiality of project data and may be required to sign a Non-Disclosure Agreement (NDA) as per project and institutional norms.
18. Canvassing in any form will lead to disqualification of candidature.

Dr. Pawan Singh Mehra
Chief Investigator
