

Non-Teaching Staff Recruitment

IIT Goa, an Institute of National Importance set up in 2016, is inviting online applications from eligible Indian Nationals for three senior Group A positions: Registrar, Superintending Engineer, and Technical Officer.

Applications open

03 Sep 2026

5:00 PM onward

Last date to apply

02 Oct 2026

Until 11:59 PM

Positions on offer

All three posts are Group A. Vacancy count and reservation status are as notified; the Institute may adjust these before final selection.

01 Registrar

Pay Level **14A**

Age limit **55 yrs** (58 on deputation)

1 vacancy (UR, anticipated)

5-year tenure or up to 62 yrs

Qualification

Master's degree with at least 55% marks (or equivalent grade point).

Experience (any one of)

- 15 years as Assistant Professor at Academic Level 11+, or 8 years at Level 12+ including as Associate Professor, with experience in academic administration.
- Comparable experience in a research establishment or higher-education institution.
- 15 years of administrative experience, of which 8 years as Deputy Registrar or an equivalent post.

Desirable

A track record of leading administration in a large academic or R&D institution, and a Ph.D. or a degree in Management/Law.

02 Superintending Engineer

Pay Level **13A**

Age limit **56 yrs**

1 vacancy (UR)

Deputation, 3 yrs (extendable to 5)

Qualification

B.Tech./B.E. in Civil or Electrical Engineering from a recognised institute/university.

Experience (any one of)

- Currently holding an equivalent position.
- 15 years' relevant experience in civil/electrical execution and construction, including public health and contract management.

- 7 years as Executive Engineer at Pay Level 11 (or equivalent), in Central/State Government, autonomous bodies, or PSUs.

Desirable

A proven record on civil, electrical or MEP projects of comparable scale; working knowledge of CAD/BIM and office computing tools; experience with high-tension lines or civil design and estimation relevant to the specialisation.

03 Technical Officer

Pay Level **10A**

Age limit **42 yrs**

1 vacancy (UR)

1-year probation

Qualification

B.Tech./B.E. (or equivalent) in Mechanical, Chemical, or Materials Engineering with at least 60% marks.

Experience

6 years' relevant experience at Pay Level 6 after the qualifying degree, or 3 years at Level 7 and above. A full-time M.Tech/M.E. counts for up to 2 years of this, and a relevant Ph.D. for up to 3 years.

Desirable

A track record in R&D or instructional labs — setting up facilities, running projects — plus an additional master's or doctoral qualification and demonstrated leadership.

Application fee

500

Group A posts — non-refundable

No fee

For SC/ST, PwBD, and women applicants

Before you apply

- 1 Age relaxation for reserved categories applies only where the specific vacancy is reserved for that category; PwBD applicants (up to 56 years) and ex-servicemen get relaxation as per rules.
- 2 Applications without uploaded photographs or supporting documents will be treated as incomplete and rejected outright — no hard copy is needed otherwise.
- 3 Candidates currently in government, autonomous body, or PSU service, or applying on deputation, should upload a No-Objection Certificate mentioning vigilance clearance.
- 4 Experience certificates must be on the employer's letterhead, with issue date, exact work period, salary, and the signature and stamp of the issuing authority.
- 5 Meeting the eligibility criteria doesn't guarantee an interview call — if applications are numerous, the Institute may apply additional shortlisting criteria based on academic record or experience.
- 6 Selection is based purely on interview performance, after a qualifying evaluation stage if one is conducted; the final appointment is also subject to a medical fitness check.
- 7 Outstation candidates called for interview are reimbursed to-and-fro travel — economy air fare for the Registrar post, 3rd AC train fare for the other two.
- 8 All updates — shortlists, call letters, results — are posted only on the [Careers@IITGoa](#) page; no individual correspondence is entertained, so check the site and your email (including spam) regularly.
