Organisation

Indian Oil Corporation  
Ltd. (IndianOil)

Location

Bongaigaon Refinery,  
Assam

Programme

Apprenticeship Training

Apply through

NATS or NAPS portal,  
plus MS Form

## How to apply

Follow these steps in order so your application is complete.

1

**Read the detailed advertisement**

Check the eligibility, trades and disciplines, selection process and important instructions in the official PDF before you apply.

2

### **Register on NATS or NAPS**

Engineering graduates and diploma holders use NATS. Other candidates use the NAPS apprenticeship portal. Create your profile and apply for this opening.

3

### **Fill the additional data form**

Submit the extra details IndianOil asks for in the Microsoft Form. This is separate from your portal registration.

4

### **Keep your documents ready**

If you belong to a reserved category, get your certificate in the prescribed format. Download the declarations and undertakings listed below.

5

### **Prepare for medical and affidavit**

Selected candidates go through a pre-engagement medical examination and submit an affidavit for apprenticeship training.

## **Apply here**

Three links, all official. Complete the portal registration and the form.

### **NATS**

National Apprenticeship Training Scheme portal. Log in as a student to register and apply.

### **NAPS**

National Apprenticeship Promotion Scheme portal on Apprenticeship India. Log in as a candidate.

### **Additional data form**

Fill in the extra details requested by IndianOil using the Microsoft Form.
