How to go about it

1. Read the detailed advertisement fully, including eligibility and the apprentice category you fit.
2. Register or log in on the portal named for your category in the advertisement (NATS or NAPS).
3. Keep your marksheets, ID proof and category certificates ready as scanned copies.
4. Download the medical format and get it completed before it is needed.

This page only summarises the official notice. Eligibility, dates and selection rules are in the detailed advertisement, which is the final reference.
