General Instructions

1. Read the essential qualifications, age, eligibility and experience criteria carefully before applying. Applications are screened on the data submitted online.
2. False or wrong information at any stage will lead to rejection of candidature.
3. A submitted application cannot be altered or resubmitted under any circumstances.
4. Incomplete applications or those without supporting documents will be rejected.
5. Candidates employed in Government organizations (CFTIs, autonomous institutions, universities, etc.) must apply through proper channel or produce a No Objection Certificate (NOC) on or before the interview date. If selected, a Relieving Letter must be produced at the time of joining.
6. The competent authority may relax age and experience requirements in exceptionally meritorious cases on the Committee's recommendation.
7. The Institute may call only eligible candidates and reserves the right not to fill the post in case of exigency.
8. In any dispute over interpretation, the English version on the NIPER-G website prevails.
9. The appointment is for one year or less (if the project ends earlier) and is against a temporary project position. It gives no claim for appointment or regularization against any Institute post. Any subsequent contract will be a fresh appointment.

10. The shortlist will be displayed on the Institute website, and intimation will be sent only by email or website as per the application form details.

Canvassing in any form may lead to cancellation of the candidature.
